DEDICATION

I dedicate this book to my Lord Jesus, my mentor, my supporter, my lover, my sweet heart. To Him be all the glory. And also to my husband, sisters and brothers in Christ Jesus, especially the disciples in JUDGEMENT AND TRANSPARENCY MINISTRY INTERNATIONAL for their sincere assistance and devotion in prayers and counseling. My prayer for you is to maintain the standard of transparency, stand as heroic exploits as the end-time soldiers of Christ.

Finally, I would like to dedicate this book to my generation and that of my children, the ones that will probably fight the last battle between truths and errors.

INTRODUCTION

The psalmist cried out to God in Psalm 51 verse 6 to 10 “Behold you desire truth in the inward parts and in the hidden part you will make me to know wisdom. ⁷ Purge me with hyssop and I shall be clean; wash me and I shall be whiter than snow. ⁸ make me hear joy and gladness that the bones you have broken may rejoice. ⁹ Hide your face from my sins and blot out all my iniquities. ¹⁰ Create in me a clean heart O God and renew a steadfast spirit within me”.

This book is about truth in the inward being and also truth in the secret heart. I found out that there is much falsehood and lack of transparency in the world today especially in the church. And this hinders God's movement and delays the second coming of our Lord Jesus. God cannot do anything useful with a polluted person or any one that practises falsehood in his or her life. God is pure; therefore falsehood and counterfeit must be abandoned completely. And for God to come back to His altar in His church, truth must be embraced totally in our hearts, minds, and souls. And for God to reveal this truth to us, we must cry deeply with our heart as David did.

My brethren, let us cry out today to God to create a clean heart in us. That will expose the falsehood in us. Because we must be convinced of the falsehood and counterfeit we are practising, before we get ready to do away with them totally. Again, as we are crying for help, we must not forget to co-operate with God to expose all the errors in us because the bible says that our righteousness is like a filthy rag before God. God alone knows our weaknesses, abominations and insincerity. So we must give God chance to expose them to us through encounters and we must be ready to confess them out to people's ear and those that are concerned. We must open up. When God

begins to expose us, it is the way we accept it and our readiness to accept the dealing of God that will make Him to reveal more to us. We are in the generation where everybody covers up and presents himself as a saint while we are rotten. It is no more how we appear, but what do we produce?

The Bible says in 1 peter 2 verse 21 to 22 ***“For to this you were called because Christ also suffered for us leaving us an example that you should follow His steps ²² Who committed no sin nor was deceit found in His mouth”.***

As Christ suffered for us, leaving an example He also expects us to follow His steps in suffering. Therefore we must also be without guile like Him. Remember He made us in His own image. So from the beginning, God has desired that man must be like Him.

This book is about the judgment of God that has come upon the church and the way of escape. Indeed, God is merciful and does not like consuming His children in anger but always tempers justice with mercy.

ONE

JUDGMENT IN THE CHURCH

1st Peter 4 verse 16-19.

“Yet if anyone suffers as a Christian, let him not be ashamed, but let him glorify God in this matter. 17 For the time has come for judgment to begin at the house of God and if it begins with us first, what will be the end of those who do not obey the gospel of God 18 Now if the righteous one is scarcely saved, where will the ungodly and sinners appear?”

The question here is very clear. If the so called righteous is scarcely saved where will the ungodly and sinners appear? This is the most fearful verse in the bible for me. Are you sure you are saved? Are you sure you will be saved? Also in Isaiah 66 verse 15 to 16

“For behold the Lord will come with fire and with His chariots like a whirlwind to render his anger with fury and His rebuke with flames of fire 16 For by fire and by His sword the Lord will judge all flesh and the slain of the Lord shall be many”

Whenever you hear about the judgment of God, you may think it is not real. I tell you that God's judgment is real. I am testifying and writing from true experience about the judgment of God in my life and ministry.

It all began with my call into the end-time ministry. I got born again 1993, along the line, I back slid. In 1995 I received back the grace of God and received Jesus afresh and then the journey began. On one Thursday, January in 1998, I received the

call of God in my life when God sent me to the man of God Lambert Okafor.

After I received my call, God began to use me mightily. I served the Lord Jesus in different churches and ministry until the year 2000. The Lord called me into discipleship end-time ministry called Holy Ghost School. Before I joined the Holy Ghost School, the Lord had been revealing to me about it but I did not understand that it is a spiritual school. I was looking for admission physically into university thinking that God wanted me to go back to school to upgrade. I always had revelations where I saw myself in the primary and secondary schools I attended before. I always saw myself in the school as a student wearing uniform. Later I began to see myself in university studying. So physically I took many diploma exams to enroll into the university but I failed several times especially in mathematics. I did not understand until the Lord sent me to my mentor daddy Lambert Okafor who explained to me the meaning of the spiritual school called Holy Ghost School. And there the journey began.

He told me how to set up my table and chair in my room, with my bible, writing materials and Christian books as a student in the Lord's presence. Behold the school started. It is a school where the Holy Ghost teaches you mysteries of the word of God as you have never heard before. Holy Ghost school also means a spiritual hospital where God meets us and heals our spiritual disease. It is also discipleship training. It is the presence of God where we meet the Lord on appointment called Covenant Time. As we have a time when physical school starts everyday, so also we have time everyday with the Lord at the same time in our house. You have your table and your chair where you sit as a student ready to learn from the Holy Spirit. It is a school where the Lord gives you revelations and interpretations. It is a school where God reveals yourself to you.

Again, we had our discipleship class once a week, where we are learning the word of God, share our daily encounters and

revelations. We had different classes on each day, my own class fell on every Monday morning. So I had my class every Monday while others had theirs other days. Honestly, it was really discipleship training. Holy Ghost school is real and great.

As we continued with the Lord ,after a while ***on Monday 8th January 2001 in my mentor's house during prayer, the glory of God came down and the Lord spoke about my call saying "Are you ready to follow me? I want to take you out of this world, I am giving you a call of separation. You are no more for the world. Separate yourself from the world. This warning is given to you because you are no more for this world. I have disconnected you from the world. You shouldn't play with me, I have deposited a lot in you for a great journey. Behold a journey is in your front. I am going with you. You don't need any other assistance. A journey of halleluyah. Jehovah God has come to make use of what He has put in you. I shall not use you with any other man, with any other god, with any other friend. Listen, I am the Lion of the tribe of Judah. I have come to make use of what I have put in you. Listen you should not disturb me, I am about to move. Are you ready to move with me or you die? Behold the end is near. Tell the world the Last Gospel is coming out. Tell the world, tell my people the end is near"***.

After this, God began to give me terrifying revelations about the ministry and about the man of God, our mentor. God gave me revelation about his death. I had a revelation where someone called me on phone, saying that my father was calling every member of our family home. When I heard that, I suspected something had happened because of the emergency call. So I traveled and on reaching my father's house there was much crowd. I was crying and shouting "who died in my father's house?" Because automatically I knew somebody must have died because of the emergency of the call and the crowd I saw. As I was crying, people held me and I was asking, who died?, who died?, who died?.While I was crying and asking, I heard the sound

of ambulance coming inside my father's compound with a coffin. I fell on the ground crying and my sister told me that I was crying too much and that it was my elder brother who died. I ran toward the coffin holding it. As I opened the coffin, it was my mentor the man of God. While I was weeping in shock, I woke up. I called upon the Lord, I was terrified and asked God what He was revealing to me. I started praying.

When I came to my Monday class, I shared my revelations but the man of God could not interpret it for me. The revelation kept on coming. One day, the third person by rank in the ministry, (we had three mentors) called me and told me not to trust anyone but only God. I asked him "why are you telling me this?" He said it was because man had failed God and judgment is now in the ministry. He said that God had come to expose every evil we were doing against Him. I said that was the reason I was having those revelations but the senior mentor refused to tell me what was going on in the ministry. I understood that they were hiding it within themselves (the three mentors). After class that day I went home.

The next Monday, I came to class with a set of terrifying revelations about the senior mentor that the anger of God is upon him but he did not open up. After my class, I met the third mentor and he told me that God said that this judgment will end with death as no one accepted to open up. He told me that God revealed to him about a sister in our midst who was fornicating with her convert and he confronted her but she denied it. God said that sister will die unless she confessed. After discussing, I went home. While I was praying during my covenant time, God told me He had come to judge the world and every hidden thing must be exposed.

That same night I had a revelation that frightened me. I saw myself in a very big market where my husband's office was located. We were doing our business. We sold a lot and made big money. At a time, I started hearing noises everywhere. As I came out, I saw dead bodies, big, small, poor, rich, men, children and

women everywhere and people were crying, running helter skelter. I became confused because I did not know the cause of the deaths. I told my husband what was going on and he said we should close the office and go home. It was very painful, fearful, shocking and bitter. It was really a tribulation because dead bodies both white and black were lying everywhere. As the book of Amos 8 verse 1 to 4 says ***“Thus the Lord God showed me behold, a basket of summer fruit 2 And he said Amos what do you see? So I said “A basket of summer fruit then the Lord said to me “the end has come upon my people Israel, I will not pass by them anymore. 3 And the songs of the temple shall be wailing in that day” says the Lord God, “many dead bodies everywhere, they shall be thrown out in silence” 4Hear this, you who swallow up the needy and make the poor of the land fail”***

There was shock in the whole world. Oh! my God! it was so terrible that despite all the millions we made that day, no one was excited because no one knew if he would drop dead the next minute. Because people were dropping dead every minute in the schools, hospitals, families, on the road, in the churches, in the markets etc. It was too horrible to behold as there were cries everywhere. The markets were full of dead bodies. We left all the money in the office and could not even lock the office because no one cared about the things of the world any more. I saw people sad everywhere, no more peace and joy in people's lives.

At this point, I did not see my husband or our workers, as everybody was looking for a way of escape. I saw myself crying and running to my house to see if my children were still alive. On reaching the gate of our estate, I saw three invisible huge, fearful men on white apparels with a small object like handset blinking red light. As I tried to pass through the gate, it was hard for me because of their presence. I stopped and stood by the side, watching them. Now I noticed that everybody that wanted to pass that gate, they stopped and showed him the blinking

object on the face. It will be reading for him as they set the time. If it rang three times pin!, pin!!, pin!!!, a force would carry the person like a wind up and throw him down. The person would dry instantly and die.

Oh! my God! When I saw this, I raised an alarm and began to ask people to confess all the secret sins they have committed in this world or else they will die. That this was the judgment of God on earth oooooo!!!. I was screaming, crying and shouting. My voice was thundering and shaking but no one heard me. I saw my uncle, Gabriel, by name standing by my side. I greeted him, he smiled and asked me if I was afraid. I said 'No', that God told me that He would bring His judgment on men, that this was the judgment. I was lamenting, but people could not hear me. Those invisible men were not talking but were only acting while I watched. Immediately, the vision turned to be in my house in the village. I saw these three invisible men in our compound. They showed that object to my security man, Emmanuel, by name. He began to confess but reaching a stage he wanted to confess something terrible but it was hard for him to say it. While he was waiting, his time expired. I noticed he just slumped and fell on the ground, still breathing. Those invisible men left him and held my step mother-in-law. I was shouting 'please confess all the abominations you are doing, they have set your time, if it expires you will die now'. While I was speaking, she was asking what she would confess.' Is it how I used to kill people? While she was busy saying that, the clock rang pin!, pin!!, pin!!! and the wind carried her and dried her and she died. Her daughter came up carrying her mum, crying.

Those men set the time for her but she was busy with her mum's dead body. Her time expired and wind carried her up, threw her down, she dried and died. While I was watching, my last child ran to me crying and shouting, "Mummy Mummy, that thing which is killing everybody in the whole world has killed Ikechukwu". Ikechukwu is my first son. With fear I ran with the little child to see. On reaching at the back of the compound

where the boy slumped, I saw him on the ground and shouted “My son! My son! My son! I put my hand to carry him up.

I heard a thunderous voice from heaven that shook the earth saying “WHO ARE YOU TO PUT YOUR HANDS WHEN I AM JUDGING MY PEOPLE”. With that shock and fear I jumped up from my son and ran a bit far, standing and crying “My son is dead! My son is dead, my son is dead”. But I noticed that my son’s body did not dry like others I saw before. And when I touched him, I noticed he still had a little breath of life inside him. I said maybe he had a merciful judgment. While I was there watching, I saw Gabriel my uncle again standing by me. He asked me with a little voice “Are you afraid?” I said “Yes” that my fear is that nobody are ready to confess his secret abomination and these invisible men will finish everybody in the whole world”.

He began to explain a lot of mysteries to me about those invisible men. I woke up in shock. With that fear I began to pray and God began to tell me about the coming judgment in His church and the whole world. God told me it will be a merciful judgment, that as many that will judge themselves and confess all their secret sin openly to Him and to man and be transparent and forsake them shall be saved. Honestly, to confess a hidden sin in public is the most painful thing to do in this world.

The Lord took me to Ezekiel 9 verse 1 to **end** *“Then He called out in my hearing with a loud voice saying let those who have charge over the city draw near each with deadly weapon in his hand 2 And suddenly six men came from direction of the upper gate which faces north with his battle ax in his hand. One man among them was clothed with linen and had a writer’s inkhorn at his side. They went and stood beside the bronze altar. 3 Now the glory of the God of Israel had gone up from the cherub where it has been to the threshold of the temple and he called to the man clothed with linen who had the writer’s inkhorn at his side. They went in and stood beside the bronze altar 4 and the Lord said to him “Go through the midst of the city through the midst of*

Jerusalem and put a mark on the foreheads of the men who sigh and cry over all the abomination that are done within it. 5 To the others He said in my hearing “Go after him through the city and kill, do not let your eye spare nor have any pity. 6 Utterly slay old and young men maidens and little children and women but do not come near anyone on whom is the mark and begin at my sanctuary. So they began with the elders who were before the temple. 7 Then He said to them” Defile the temple and fill the court with the slain. Go out and they went out and killed in the city. 8 So it was that while they were killing them I was left alone and I fell on my face and cried out and said “Ah Lord God, will you destroy all the remnant of Israel in pouring out your fury on Jerusalem? 9 Then He said to me “The iniquity of the house of Israel and Judah is exceedingly great and the land is full of bloodshed and the city full of perversity for they say “The Lord has forsaken the land and the Lord does not see. 10 And as for Me also My eye will neither spare nor will I have pity but I will recompense their deeds on their own head. 11 Just then the man clothed with linen who had inkhorn at his side reported back and said I have done as You commanded me”

Immediately, I studied Ezekiel 9, the Holy Spirit gave understanding of the revelation to me. The Lord began to speak to me more about this coming judgment in the whole world which will start in His church and begin with the church leaders; the Pastors, the Pope, the Bishops, the Prophets, the Evangelists, the Teachers, the Reverends, the Elders, the Workers, and as many that work in His temple and finally the congregation before the entire world.

My revelation showed crises all over the market and people dying everywhere. Market symbolizes the whole world because in market you have every tribe and country come together. And the invisible three men represent the Trinity of God the Father, the Son, and the Holy Spirit, the complete presence of God on earth. The appearance of Jehovah God with

judgment in verse 4 who was giving charge to go through the midst of the whole world and give a mark on their foreheads. Giving a mark means to judge ourselves and to confess all the abominations we have done in the secret openly as the invisible men show them the object in their face and set their time .And if it expired, the person will die. This means that when you hear this judgment message and refuse to open up from the day you heard it, it will be counting for you. When your time expires, you will die. Look at verse five and see how those angels killed people without mercy and did not spare anyone when they rejected the warning, the judgment message. Then in verse seven the angels were instructed to utterly slay both the old and young, men and maidens, little children and women who did not have the mark on their forehead.

The Lord told me that the mark is the righteousness that will come into the life of many that judge themselves and confess all their secret sins and forsake them. The Lord told me the reason my little boy did not die immediately like others was because he confessed but did not finish and his time expired. So he dropped on the floor but did not die that he would be given another opportunity to finish. So also with the security man Emmanuel.

I now understood that this judgment is a merciful judgment for those who want mercy. Remember, the angels were giving instructions to kill but the man in white linen instructed them to go and put mark on the forehead of those who cry over their abomination. That is those who accept the judgment message, open up and do total transparency of their secret sins. They shall receive the seal of God and escape judgment. My brethren if we reject the warning of God, how can we stand His wrath?

CHAPTER TWO

JUDGMENT IN THE MINISTRY

2nd Peter 2:4 to 9

" For if God did not spare the angels who sinned, but cast them down to hell and delivered them into chains of darkness to be reserved for judgment ⁵ And did not spare the ancient world but saved Noah one of eight people a preacher of righteousness, bringing in the flood on the world of the ungodly. ⁶ And turning the cities of Sodom and Gomorrah into ashes, condemned them to destruction, making them an example to those who afterward would live ungodly ⁷ And delivered righteous Lot, who was oppressed by the filthy conduct of the wicked ⁸ For that righteous man dwelling among them tormented his righteous soul from day to day by seeing and hearing their lawless deeds ⁹ Then the Lord knows how to deliver the godly out of temptations and to reserve the unjust under punishment for the day of judgment ¹⁰ And especially those who walk according to the flesh in the lust of uncleanness and despise authority. They are presumptuous; self-willed, they are not afraid to speak evil of dignitaries. ¹¹ Whereas angels who are greater in power and might do not bring a reviling accusation against them before the Lord".

Indeed if God did not spare the angels, He will never spare us lest the angels bring accusation against God as a partial God. Hello my brethren, the judgment of God is real. It was on the month I had this revelation that the judgment of God hit the ministry. The ministry was all about discipleship training in the Holy Ghost School, it is a spiritual school and God's end-time movement. As I said earlier, I was in Monday class but my sister Uju was on Friday class. So when I came to my class that week, I noticed everywhere was quiet .The third mentor told me that

God was telling Him that somebody would die and that he had many revelations about that. I now opened up and shared all my revelations I had about judgment and death. He said that God showed him a sister who was fornicating with a brother, her convert from a crusade in a church because she was an Evangelist. He said he had confronted the sister but she denied it.

Then after a week the Lord brought up the matter again and told him that He had come to judge the ministry to expose every wrong thing. I told him all my revelations that also confirmed it. On Friday, the woman of God came to class again and the man of God told her that she had the last chance to confess all the evil she was doing with her spiritual children. By then, the fire of the judgment had started coming on her but she did not open up and left home that Friday. But on Sunday, the man of God said that God sent him to her house for the last time but she was not around. He dropped a message and his address for her to meet him in his house for confession but she did not go. The next Friday, she came to class and the man asked if she received his message. She said yes but that she did not have the time to come. The man of God started crying telling her that God is saying that someone will die in this judgment that everybody should confess all their secret sins. She now pleaded with the man of God to follow her in a secret place to confess but the man of God said no.

That she should confess it in the midst of all brethren around and no more hiding because her grace had expired. The sister refused to confess openly in the disciples' presence. And after the class she left home and the same Friday evening a healthy, wealthy, tall, pretty, strong, and learned woman of God slumped on her way to her kitchen and died immediately. She made a noise on the verge of death. Her maid on hearing the noise rushed to the kitchen to meet her and called the driver to take her to one of the biggest hospitals in the city where the doctor confirmed her dead. She was sent to mortuary then on Monday, I came to my class early and met the man of God because he usually came before others to open the ministry. He told me he

was crying throughout the weekend because he had a feeling that something happened.

I shared some of my fearful revelations and told him I was scared. Later as we started our class with my overall mentor, not quite long someone came in and said to him that Sister Rose's husband wanted to see him urgently. So my overall mentor excused himself and attended to him because the man lived abroad in Europe. We were surprised to see him. He broke the news about his wife's (ROSE) death and the ministry broke into uncontrollable tears and shock. But what surprised me was that the man of God, the third mentor was not crying alongside us. Later, when I asked him, he said he had cried in his own house for three days and wipe his eyes. Here was the beginning of the fear and shock. I personally was in a big shock. I saw the overall Mentor, he could not stand it. I remembered my revelation about the three invisible men that killed those who refused to confess their sins openly. Everybody was in fear and the third mentor said that God was revealing many things that the overall mentor was doing and that the next person the judgment will hit would be the overall Mentor. I now remembered all the revelation I had about overall mentor's death. I left to pick my kids from school crying till I reached their school. They asked me, 'what is wrong, mum?' I could not even open my mouth to say anything until we reached home. I called my second, Uju and told her about the death of Rose, she almost fainted. We cried and later we prayed but the shock was too much. The same night, I had a revelation where I was walking along a major road. I saw dead bodies every where. It was so much that you would not see a place to put our foot on the ground. I was trying to figure out what was killing people and in the vision, I heard a saying that the whole world would be finished. When you were walking, you would see people dropping dead, without knowing the cause. Until I heard a loud voice that called me, 'Uju, look on the ground' When I looked, I saw that a high tension electric wire fell on every side of the road. Then I noticed that anyone who stepped on it received shock, dried up immediately and died. When I noticed it, I began to shout

“Everybody look on the ground the high tension wire has fallen on the ground and is killing everyone that steps on it. Behold the anger of God is on the earth.”

I was shouting with all my might to show people the wire but no one listened to me. People were still stepping on it and were dropping dead. I shouted and shouted until I lost my voice, that no one could hear me anymore. I was running up and down in panic until I woke up. Immediately, God told me that I had an end time call to go to the whole world and announce this judgment message to people's ears. That His judgment has come on earth and that it has started with His church. He told me that, the high tension wire is His presence. He told me that it was not the wire they stepped on that killed them but the current in the wire. He explained to me that high-tension wire is the one that gives all other lines current.

He told me that high tension voltage means the high level of His presence that has come on earth to judge everyone and all the abominations done on earth as Ezekiel 9 said. He told me that the shouting in the vision is to go and tell the world about His coming judgment. That He is sending me to the whole world as He sent Jonah to Nineveh to go and shout into their ears that in forty days Nineveh will be destroyed. And also the way He sent Noah to preach the message of the flood and the only solution is to build the ark and whoever enters the ark shall be saved. God said that judgment has come on earth especially in His church that nothing will be hidden anymore. That Pastors, Bishops, Evangelists, Pope, Teachers, Prophets, Elders, Reverends, Apostles, and all preachers and workers, even congregations will be dropping dead in the altar during service as in the days of apostles - Ananias and Saphirah. That this will happen to bring fear into His church because no one fears Him anymore.

The Lord told me that only His judgment will prepare the church for the rapture. He said that He always appeared to His people as a lamb but He has come now as the LION OF JUDAH. God told me that as many that refuse to hear my voice, it will be to them as in the days of Noah.

Whosoever refuse to hear my shouting, my alarm, my warning, my cry, shall be wiped out. God told me that His presence is light, that wherever there is light, darkness cannot stand. Nothing will be hidden where there is light, therefore I should tell His church and the whole world that He has come to judge us. But it will be a merciful judgment to those who seek for mercy and confess all the evil they have done in the secret openly. God revealed to me the mystery of HIS hall of judgment and a way out. From the beginning, in the generation of Adam and Eve. The way out was not to eat the tree of knowledge of good and evil. God told them that they were created not to know what is good and evil.

The generation of Noah was the building of an ark; Noah was mocked by the world when he was obeying the voice of God in building the ark. At last it was only those who entered the ark that was saved from the flood. The generation of Abraham the way out was to leave their father's inheritance and run out of the city to escape the fire that consumed Sodom and Gomorrah. At last it was only those that escape out of Sodom that was saved, the rest were consumed with brimstone. The generation of Nineveh was a hammer blown confrontational judgment "Nineveh shall be destroyed in forty days" a way out was humility, brokenness, transparency and repentance. The generation of Apostles was the instant judgment that came on Ananias and Sapphira. The way out was to be transparent to the Holy Spirit. Whenever God is giving His merciful way, He shows His face of a Lamb as a merciful God but when He comes to judge, He wears the face of the Lion of Judah. This is when God reveals to me the mystery of Lion and the Lamb. Lamb when He wants to temper mercy while Lion for death or judgment.

Every generation comes and goes but the generation of Jesus remains. In this last generation, the tempest is blowing but the people of God are deeply asleep. So as Jonah could not run away from the work God sent him to do, God will wake us with judgment as He woke Jonah with judgment. He threw him into the mouth of a whale to do the work. I cried and shouted when

God told me that whatsoever we have committed or done against Him must be exposed before man through this judgment. Oh! my God, it was here fear entered my life. Immediately, I began to remember all the evil I did in the secret which no one knew about. It became a real fire on me, I could not feel comfortable anymore. I could not have rest of mind again. I became cautious of my life but my judgment was not yet ripe but I knew that one day it will burst. After this I had another revelation where a man took me to a central mosque. I saw the whole Muslims coming out from the mosque after their prayers, all wearing red gown, with shaved head, and had chain on their legs and on their necks like slaves. As they were coming out and moving, I asked the man with me where they were heading for. He said they were going to the supreme court to be judged. As I was watching them, I had pity on them. I was weeping for them because of the way they were marching into the court in red gown to be judged. I woke up. I shouted and God told me that no one will escape His judgment that all the abominations and suicide killings the Muslims are doing, they will pay for it. God took me to Zachariah 13 verse 1 to end

“In that day a fountain shall be opened for the house of David and for the inhabitants of Jerusalem for sin and for uncleanness 2 It shall be in that day says the Lord of host that I will cut off the names of the idols from the land and they shall no longer be remembered. I will also cause the prophets and the unclean spirit to depart from the land. 3 It shall come to pass that if anyone still prophesies then his father and mother who begot him will say to him “You shall not live because you have spoken lies in the name of the Lord”. And his father and mother who begot him shall thrust him through when he prophesies. 4 And it shall be in that day that every prophet will be ashamed of his vision when he prophesies they will not wear a robe of coarse hair to deceive. 5 But he will say “I am a farmer for a man taught me to keep cattle from my youth”. 6 And one will say to him ‘What are these wounds between your arms?’ Then he will answer “Those with

which I was wounded in the house of my friends. 7 Awake “O sword against my shepherd against the man who is my companion says the hosts “strike the shepherd and the sheep will be scattered then I will turn my hand against the little ones. 8 And it shall come to pass in all the land says the Lord That two-thirds in it shall cut off and die but one-third shall be left in it. 9 I will bring the one-third through the fire, will refine them as silver is refined and test them as gold is tested they will call on my name and I will answer them I will say This is my people and each one will say the Lord is my God”. After study, God told me that I have seen that He revealed to Zachariah the prophet about the coming judgment that will wipe and clean the inhabitant of the earth and also wipe out every unclean spirit at the end of the world to prove the power of God Almighty. And we all know that we are at the end of the world. God told me that it is His time to come to rule and reign on earth that Satan's time has expired. God told me that He has come to take and prepare His own people for His second coming. When God says, 'Awake o sword against my shepherd, against the man who is my companion'. Let me ask us, as many that work in the altar of God 'can't you see the sword of judgment" Oh!! my God ,it is real Zachariah 13 is the most fearful passage about ministers I feared most because I saw the heart of God weeping and ready to disgrace us openly and I did not know how many of us that can stand it. My fellow brethren I am afraid of the kind of fire and screening God is bringing into this world. Indeed, the earth will mourn and weep. It was at this point I understood that the death of Rose was a judgment and this is how these invisible men will be killing those who refuse to confess their secret sins openly. Honestly, it is very horrible to die by judgment. Do you know that the ministry could not partake in sister Rose's burial and where she was buried, no one knew because she died by judgment. Honestly, the death brought a very big wound, shock and fear in my life. I began to cry for all the abominations I had done against God of heaven. My fellow brethren, judgment is real. As I said, this event happened on a Monday class, so on Friday, Uju, my

second, went to class and came back early and said that by the leading of God the ministry was closed till further notice. This now brought more terror on us but we kept on studying the word of God and praying in our houses. We continued with our covenant time with the Lord because the ministry was closed at this point.

God told me that He cannot work with error in this end-time movement that was why He shut the ministry down. At this point, every disciple was on his own alone with God. But all my revelations were still showing that things were wrong with the ministry. I was still seeing death. We started crying to God. It happened that I saw myself still going to class on Monday even when my sister said the ministry was closed. I did not know what took me to the ministry that Monday. Surprisingly, the door of our general mentor was open. I entered, saw him and we greeted. He welcomed me and asked me the reason I was there. He asked if I didn't know that the ministry was closed till further notice. I said that I knew, that my sister told me but honestly I did not know what brought me. He told me to sit down. I said "Daddy all my revelations are showing you will die. Please daddy you know I love you so much, you are my spiritual father. I can't stand to lose you Something is wrong daddy. What is the problem?" "He said, "Uju do you know I had an encounter on Wednesday after I came back from the ministry. After eating, I entered my room to rest. As I slept, I saw where I died and was descending into hell fire and there was joy and noise that someone like me was coming into hell fire. I saw witches and Satan welcoming me saying that at last, I was coming here. I was pleading for mercy, crying almost to put my second feet in hell fire but I saw a giant hand that threw me out of hell. And I fell from my bed physically with great shock and sweat. I was gripped with fear. While I was shouting, he was sharing. He said, "Uju share all the revelation you have for me immediately". I shared the first and second one. The next thing I heard was 'Uju, I have sinned against you'. He began to cry and shout .The only thing I heard was 'Uju,I am lusting after you'. God took me in the spirit and told me I was not the one He would

use to judge him. God said I should take him to brother Okeke, the third mentor, He will use him to judge the general mentor and I have only fifteen minutes to reach Okeke's house. God told me that the overall mentor's time on earth will expire in fifteen minutes. That I should take him to Okeke's house in this fifteen minutes and he would confess before him.

"Oh! My God, I heard some strokes of cane falling on him making a big noise and his cry was shaking the whole building. Immediately, I heard this, I told him that God said I should not listen to his confession but take him to Okeke within fifteen minutes before he died in my hand. With fear and tears we headed for Okeke's house. I cannot forget that day, I was menstruating, my clothes got stained, I rushed to wash in the room but could not do anything because time was not on our side anymore. That day I knew that anyone whom God wants to have mercy on, He will have mercy. The ministry was located in one of the busy areas of Lagos Island with a hell of traffic but that moment heaven came down and cleared the ways for me. And the Holy Spirit helped me in driving my car because I carried daddy on my car, almost dead.

I was praying, crying and driving with one hand while I stretched the other hands on him praying "O God do not let daddy die in my hands, He is the only father I have in my life, He showed me the way of eternity. Please God have mercy, have mercy, and extend his time and give him grace to confess all." I did not know Okeke's house, so I had to go to the second mentor, brother Basil to direct me. When I reached his house I was crying and telling him the situation asking him to hurry, and follow me to Okeke's house. He refused and said that God did not tell him to go out. I did not blame him because everybody was so much afraid since sister Rose's death. Nobody did things without hearing from God. Alas!!! Alas!!! Alas!!! Judgment is real. I pleaded but he refused. He said that all this while they have been begging daddy to confess but he refused. And now it was late. I wanted to involve him but he did not want to die for something he did not know about. I asked him to show me Okeke's house and save this man's

life. He still refused, but the wife eventually came out, followed and showed me Okeke's house. Immediately, on reaching Okeke's compound, God told me that it was only Okeke that will hear his confession. I said within, 'what if the wife is around?' Surprisingly, as we knocked at the door Okeke opened the door, saw us and closed again and said that God did not tell him to open door for us. We pleaded he asked daddy if he was ready now? He said yes. That was when I understood that within themselves, the mentors had told daddy to confess but he refused. And that was the reason God wanted to judge him. But after much pleading he opened the door immediately. We entered the sitting room, daddy fell on the floor He shouted and cried with a loud voice. The whole house was shaking. I became afraid he would die. I began to intercede. I was connected to heaven. I could not hear anything he confessed. Only Okeke sat down and heard. Oh!! my God it was horrible and fearful. I cannot explain all I have seen all the days of my life.

The little I remember, I will explain and share in this book. I have not seen such a shocking and fearful encounter in my life. As I was interceding for mercy, God showed me time that remained for him. I saw myself counting time, and telling him not to hide any sin. Honestly, the tragedy was beyond my explanation. As he was almost done, the only thing I heard he said was he used to seduce some women and defile them, even me Uju. I said, "No I have not done such with you". He said I would not understand and now explained how he used to lust after me. Immediately, I remembered one experience I used to have with him whenever he was praying for me after class alone in his office. But I took it to be anointing or power of God but when he mentioned the lust, it became clear to me because when he prayed he pushed my bottom and he shook me saying 'Receive the anointing of God'. With my whole heart, I thought it was Holy Ghost working but never knew he was doing that to satisfy his sexual urge.

So when he confessed that, I wept so much and asked for forgiveness. He said he did that to a lot of disciples. This

happened at the last stage and God asked me to tell him that the whole world will hear this starting from the wife, kids and all disciples. So that anywhere he goes he should open up and confess to people's ear that God will use his encounter to expose all other men and women of God and members who are doing the same abomination in the name of God, deceiving people. He agreed to share it all over the world but it was not easy. Immediately he accepted this, I saw in a vision the hand of God with a pure white robe drop in his front. The hand removed his old clothes and put on him the white robe and God said "Go and tell the world that my judgment is real. After this I got myself. I was breathing fast and became weak. I lay on the floor there with daddy until we recovered ourselves. We praised God that He spared his life.

The shock was so much. I took him and dropped him closer to the ministry and put him in a taxi because my kids were still in school since morning. It was around 7.30pm and by the time I reached school, I saw them with the school security man. I thanked him and picked the kids but do you know that all my children were strong and playing around from their time of dismissal till 7:30pm? Even the little one of about two years old was playing happily. Listen when you are on God's assignment, He will be there to take full charge of situations. I gave God all the glory. When I reached home it was hard for me to tell anyone what I experienced. I hid it from my second, Uju, who was asking me what happened. I could not talk because of fear. But in the midnight, God woke me up and reminded me what He told me, that the whole world will hear this. So why was I hiding it? Honestly, it was on this ground that I opened up and told my second the encounter. She was shocked. The journey began. It was at this point that the Lord began to reveal to me the abomination that goes on in the church and in the whole world. Alas! Alas! Alas! My brethren the fire of my own judgment started, all the abominations that I had committed against God were opened. All my sins were exposed before me. I became sick. God told me that my own judgment has begun. I could not

eat or sleep or sit down. It was as if I was a mad woman. It seemed as if the whole world was falling on me. The weight was too much for me to carry. I felt like dying but death was not coming. After two weeks, brother Okeke called me and shared a revelation about daddy mentor. He said in a revelation he went to daddy's house with his wife with a bucket of drugs to give daddy because daddy was sick. When they reached, they saw daddy and gave him those drugs to drink. That was the only solution to heal him from the sickness. He presented those drugs and gave him water to drink it but daddy said that those drugs were so many and he would not take them. They pleaded but he refused to take them. They took those drugs and left immediately. I understood the revelation. The Lord told me that daddy had refused to confess to the whole world as he agreed to do. That those drugs meant the transparency he was supposed to do to people. Because the more he confessed it openly to people's ears, the more he died to self, humbled and delivered from such deception, and save others because thousands were involved in such act. Whosoever that heard his transparency act would also be healed and be delivered.

I told Okeke we should be praying for him, he needed more grace of God to open up. As I continued praying for him, the same week I had a revelation where daddy died and we were carrying his coffin to the village for burial. I woke up in shock and perceived something was wrong. I decided to visit him. On reaching his house, he was so happy with me together with his wife. His wife hugged me and thanked me for the effort. I said, 'I give God all the glory'. She told me how daddy did transparency of everything to her and said she has forgiven the husband. We were happy and prayed. I sat them down and shared my revelation and Okeke's to them. I told daddy it was not enough to confess to his wife, but he should confess to the disciples, his children and others. He accepted it was true. While we were talking, another disciple entered and confirmed she had not heard any confession from daddy. She shared another revelation about daddy that was very terrible. I encouraged daddy to be

obedient and run away from God's wrath, and I left. About one month later, I had a revelation where we were in the school hostel with all the disciples. It was time for lunch and all the students came out to eat but daddy was very sick. He had fever but what would heal him was that lunch, if he ate it. So they served everybody who ate and wanted more but daddy was not eating. I asked him the reason he was not eating and he said he was sick. I told him that only the food would heal him and the food was yam and red oil. I was forcing him to eat and one disciple came and told me to stop forcing him to eat. I woke up.

Oh! My God, I understood that it was the same problem, that daddy was not yet open up to people. God told me that, that yam is food representing word of God, that gives strength and life and red oil is the anointing or grace of God given him to carry him along. But he rejected the word of God and the grace of God. After much prayer, I went to his house again and shared all my revelations. And others were coming and sharing as well but then I saw that it was too hard for daddy to open up to people. I told him I will gather all the disciples to his house then he could do it at once. "If you can confess to all disciples, it will be easy to reach the whole world". He agreed and we chose Wednesday to meet. That day was on Monday, I left and began to call all the disciples and invited them to daddy's house for a meeting. The same night, I had a revelation where I was driving on the express road heading for my house and I saw daddy and the wife on the express road carrying a lot of load on their heads waiting for a car. Immediately I saw them, I stopped and carried them and asked them where they were going. They told me they were going to a big market. When they called the name of the market, I told them I knew the market and I would drop them there.

So I picked them up but on reaching would a fly over, I heard a loud voice like a thunder shaking the earth.' Uju, drop them here, you have finished your job in their life, you cannot carry them more than this, drop them here now or you will die, you did not love them more than me'. Oh!! My God! owing to the fear and shock of the thunderous voice and the lighting from the

heaven, I packed my car and brought out all their loads and showed them the market even though we were very close to the market. They were also afraid of the lightening and thunderous voice of God. The Lord said if they would bear the shame and carry their loads on their head and work into that market, He would remove their reproach. 'Uju, go your way, you have finished with them'. With that fear, I drove fast out of the place on my way. With tears and shock, I woke up. This was so much on me. I began to cry uncontrollably.

I prayed, God told me I should not help him to gather any disciples that daddy must go on his foot to visit all disciples and confess before them all the abominations he had done in the secret. God said that I had carried them enough and did not love them more than Him and If I put myself again in that matter, He will judge me. God said I should call daddy and tell him the revelation.

When I told daddy he said he would do it, but he did not. God warned me not to go to his house anymore that daddy had rejected His word which was the food he refused to eat. Already, the ministry had closed. But before then, I had a revelation where I went to daddy's place and as I wanted to leave, his daughter, Ozioma by name, which means "the gospel", was crying uncontrollably that she must go with me. I tried to stop her, even daddy tried also but neither of us could hold her. She jumped on me and held me tight. So daddy said I had no choice but to take her and go. And as I was moving out of their door, She shut her mouth and stopped crying. And we left for my house. I woke up. I did not understand this until the day God told me not to go to daddy again.

The Lord gave me understanding of the revelation. He told me that the name of daddy's daughter Ozioma means gospel. Because daddy could not obey Him, He had taken the gospel from him and handed it over to me to carry on with the vision. He said that the cry of Ozioma meant that the gospel of truth and transparency is no more in the church and He is searching for those He will use to restore truth and transparency message in

His church and all over the world. He is looking for somebody that will pay the price to expose himself or herself to save the church and the world. God told me that Jesus was naked and shamed on the cross for us without committing any sin but He bore the shame for us. We have done all sorts of abominations on earth but refused to expose our sins and shame ourselves before others. He said the more I expose myself and take the shame by confessing my secret sin to people openly, the more I drop sin and run away from it and become humble. And those that are involved in such sins will also open up and drop theirs and be delivered. And this means that by the stripes and shame of Jesus on the cross, I am healed and by opening my secret sin to people, they would be healed.

The journey continued. After some weeks, I had a revelation where a fountain of water was open in my house and it was connected with a tap and I saw multitudes carrying buckets in queue to fetch the water. The queue was so much and the tap was connected inside the compound and outside. I saw a reservoir, it was full. I was saying that water could finish in this reservoir anymore. I woke up. It was after this revelation, the Lord began to send disciples to me and we started classes. "The Lord said "Uju, I open this fountain water and this gospel in your heart, the last gospel of the last days, the message of His judgment and exposing Babylon and declaring her judgment on earth toward mankind" He said **"I have come to dwell in you, the whole world will come and drink this fountain water in this last days. I will send rich, poor, small, big, children, men and women who are thirsty for truth and righteousness to come and quench their thirst through you. Uju get ready to move with me"**.

The Lord took me to Revelation 14 verse 1 to 11 ***"Then I look and behold a Lamb standing on mount Zion and with him one hundred and forty four thousand having his fathers name written on their foreheads. 2 And I heard a voice from heaven like the voice of many waters and like the voice of loud thunder and I heard the sound of harpists playing their harps***

3 They sang as it were a new song before the throne, before the four living creatures and the elders and no one could learn that song except the hundred and forty four thousand who were redeemed from the earth. 4 These are the ones who were not defiled with women for they are virgins. These are the ones who follow the Lamb wherever He goes. These were redeemed from among men being first fruits to God and to the Lamb. 5 And in their mouth was found no deceit for they are without fault before the throne of God 6 Then I saw another angel flying in the midst of heaven having the everlasting gospel to preach to those who dwell on the earth to every nation, tribe, tongue, and people. 7 saying with a loud voice "Fear God and give glory to him for the hour of his judgment has come and worship him who made heaven and earth, the sea, and springs of water" 8 "And another angel followed saying "BABYLON IS FALLEN, IS FALLEN! THAT GREAT CITY because she has made all nation drink of the wine of the wraths of her fornication". 9 Then a third angel followed them saying with a loud voice "If anyone worships the beast and his image and receives his mark on his forehead or on his hand 10 he himself shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb. 11 And the smoke of their torment ascends forever and ever and they have not rest day or night who worships the beast and his image and whoever receives the mark of his name".

When I studied here, I began to see my inadequacy. I said "Lord God, but I am full of deceit, lies and faults, I am defiled". The Lord said He would work on me. He would show me the woman, the power who defiled me and corrupted everybody in the whole universe. He will expose and judge her. The Lord took me to Revelation 17 verse 1 to 6. **"Then one of the seven angels who had seven bowls came and talked with me saying to me "come I will show you the judgment of the great harlot who sits on many waters" 2 With whom the kings of the earth committed fornication and the inhabitants of the earth were**

made drunk with the wine of her fornication. 3 So he carried me away in the spirit into the wilderness and I saw a woman sitting on a scarlet beast which was full of names of blasphemy having seven heads and ten horns. 4 The woman was arrayed in purple and scarlet and adorned with gold and precious stones and pearls having in her hands a golden cup full of abomination and the filthiness of her fornication. 5 And on her forehead a name was written MYSTERY BABYLON THE GREAT THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH. 6 I saw the woman drunk with the blood of the saints and with the blood of the martyrs of Jesus and when I saw her I marveled with great amazement".

It was here the Lord opened my eyes to see what happened to the prophets of old and disciples of Jesus. The spirit that fought them and drank their blood. The Lord opened my eyes to see the abomination this woman committed against God. God said every sin, atrocity, iniquity, abominations, evil, filthiness, defilement that was happening in this world was done by this woman of Babylon but I will use you to expose and judge her. The Lord said that no one is exempted from her influence but everybody is under her manipulation and was drunk with the wine of the woman of Babylon. The more the Lord spoke, the more I saw all the evil in me. The Lord said I will expose the woman of Babylon in you and after I will use you to expose her in people's life.

My brethren, it was a long journey with the Lord. The Lord stopped us from going to discipleship class in the ministry and daddy's place because he did not meet up with the judgment. However, many did not know what was going on in the ministry. Only few knew. Daddy decided to do away with the old disciples and told them that they had graduated. He sent them away and started with new people that did not know what happened and the ministry is still on judgment up till today I am writing this.

Several times, after about four years ago, I had a series of revelations about him and asked for the grace of God to visit him to remind him where he stopped. But he was mad at me and

chased me away. After about three years later, I repeated the visit after much prayer because I really love this man of God. He rejected the word of God and the revelation and sent me away. Honestly, I saw pride working in him. It was at this point, I understood the level of the wine of Babylon he drank. I remembered my revelation where God said that I have finished my work on them and should allow Him to do His. Since then I handed this matter to God till today.

The second journey started with Okeke the third mentor and few of us. As the discipleship class continued, it was in this second level movement with God that the vision was actualized. Oh!!! My God, the fire of judgment was so terrible. Listen when God uses you to judge others, my dear, get ready for your own judgment. Honestly, God's judgment is real. As we continued with Okeke, not so long about a year and a half we came to class he began to share how the fire of judgment came on him the previous night and God told him that He has come to judge him. The Lord reminded him all the abominations he has done since childhood till then. He was crying. He called his wife and began to do total transparency and confession and when we came to class, he opened up in the class and began to do transparency to disciples about the abominations he has done against God as a minister of gospel.

Oh!! My God the church is empty and dead, the glory of God has left the altar and the spirit of Babylon occupied. Because in the time of Ananias and Sapphirra, when the glory was on them it was only a lie that brought judgment that killed them instantly. But if you see the level of abomination and evil going on in the church, you will know that God has left. That His presence is no more, that is what God wants to restore back through the judgment in this end-time discipleship movement.

My brethren, I heard his transparencies and restitutions, I said who knows what daddy confessed, if Okeke can do such. As I said earlier, I did not hear daddy's confessions and transparencies. I said no wonder severe judgment came to this great discipleship ministry. For a vision to actualize it takes time, the more judgment comes the more we understand the vision. At the end of the class, he reminded us how Rose died, if you feel the fire of judgment, do not hesitate go ahead. He shared how his wife forgave him with his children. We prayed before I left.

CHAPTER THREE

MY OWN JUDGMENT

I started feeling the fire over me. I started crying. Before I left I asked my mentor how I could confess to my husband. Remember, he was an unbeliever, he might kill me. His own and daddy's was easy because their wives were disciples. And the man of God took me to a scripture and reading. That verse encouraged me so much. Matthew 16: 24 to 27 "Then Jesus said to his disciples, if anyone desire to come after me let him deny himself and take up his cross and follow me. For whoever desire to save his life will lose it but whoever loses his life for my sake will find it. For what profit is to a man if he gains the whole world and loses his soul? or what will a man give in exchange of his soul? For the son of man will come in the glory of his father with his angles and then he will reward each according to his works"

After studying these verses, I decided if I perish, I perish. Also the death of sister Rose brought shaking and fear in my life. As I left, reaching my house the whole compound could not contain me. The fire was so much, I wanted to run mad. I rushed to my bedroom locked my door. I only saw death. I knew I would die. I was only pleading for mercy saying "God do not judge me in your anger, save my soul".

I saw heaven open judgement seat set before me. The next thing was that a heavy stroke of cane was falling on me Hai!!, Hai!!, Hai!! the pain was so much, I thought I would die. the more cane, the more pain. I was rolling all over the room shouting and crying, the house shaking. I was lost and felt I was no more in the world. It seemed that they put the sins of the whole world on my head, the heaviness was so much, and the pains were horrible. At a level of the pain, my eyes opened and the Lord began to show me all my sins. It was like watching a screen. The more I watched them, the more

pain and the more cry. My brethren I cannot describe it, this is beyond human comprehension. Until you pass through judgment you cannot understand it. While the pains continued, I saw myself singing 'I have decided to follow Jesus, I have decided to follow Jesus, no turning back, no turning back'. Oh my God! my own judgment was so severe. Alas!! Alas!! the fire was so much that I made a decision that immediately my husband came I would begin to do my confession and transparency to him. I cried to the extent that I lost my voice. I spent up to four to five hours in pains on judgment seat. Judgment is real.

The book of my record was opened, I saw all the atrocities I have committed on earth. Nothing can be compared with the pains of your sin on earth. Sin is dangerous, destructive and of a very heavy consequence. While this was going on my husband came back, he knocked in my room with my children. Because my children told him that I had been shouting and crying so much for many hours. I opened the door; he asked me what was wrong. I said "God was dealing with me". I was afraid I never knew how to start. He said that madness was my problem. We all entered his room. I tried to start but it was so hard.

Surprisingly, my husband said, "Do you remember that brother in your church you were always moving with?" I asked him, who? He said, the one from our town. I said that I remembered. He said that a brother in the same church came to his office that day and told him the abominations that my brother, by name Josiah, committed in the church. How he used to break young girls virginity and sex with married women in the church. The news was heard everywhere. My husband asked him "Are you sure my wife is not involved?" He asked because two of them were close always moving together".

Honestly, immediately my husband said this, I responded by telling him I did not know what he was talking about. Immediately, my body system changed. I felt as if I was collapsing. I could not breathe well again. And the Lord said I should tell my husband all the evil I had done with this brother. My brethren it was hard for me. I remembered that my husband had a gun. I was thinking he would

shoot me if I confessed. Fear gripped me, I left his room served him food and entered my room and began to pray for they grace of God. I remembered the law that guided our marriage which my husband told me when he married me, those three things he hated and if I failed in any one he would divorce me. One is if he caught me in adultery, two if I stole his money and three if I put my hand in fetish things like Juju. Now I had fallen into two of these, adultery and stealing his money. I became afraid because my husband was a strong and stubborn type. He did not take nonsense coupled with that, he was rich. He could do me anything and nobody could speak for me. These were what the enemy used to cover me with fear.

After prayer, I slept that night and had a terrible revelation where I saw Satan the Lucifer, he carried me in a big bus driving with speed to throw me into a pit of hell. I was crying and shouting asking him to drop me. I woke up with fear. Early in the morning, I rushed to my mentor's house and shared my encounter with him. He warned me and took me to many scriptures. We studied them and I finally decided to open up. On my way home, the fire of judgment came in a horrible way. I could not resist anymore. On reaching my house, I called my husband and told him that the judgment of God has come upon the whole world, now on me and I had come to confess all my evil. I began to tell him that every evil one does in this world must be surely exposed one day. I told him I was ready to die if he shot me dead after my confession and transparency. That I had decided to make heaven. It was better for me to confess and die and make heaven than to hide and the judgment would destroy me and I would end up in hell fire.

I shared all my revelation about judgment of God on earth. I began to share how Rose died in judgment and left his husband and two kids. If she had confessed her secret sin she would have lived to fulfill her ministry and train her children. I began by reminding him of the brother Josiah, he told me the day before who was defiling women and young girls in their church. I told him that I was one of those women. I told him that I started well with Josiah and other brethren. We had a group of prayer team in the church in Saint Michael Anglican church Coker, Lagos. But one day the brother

visited me in my office and after discussing I noticed I was lusting after him. I felt he was also lusting after me but we did not talk to each other. It was like we used our heart to speak to each other, after he left. One day, he invited me to his house. That day he was alone and he kissed me. From that day, I could not get myself again. I was thinking of him always. I always cooked food and sent to him and also gave him money I stole from my husband's bag. We began to have appointment always in his house. When his sister was not around, I would be naked up to my pants. He would romance me and we had oral sex. He will suck my breasts. In fact, he was all over me although we did not have real sex. And the day we were supposed to meet again, there was no chance in their house and he took me to a hotel. The worst part of this deception was that when we gathered, we prayed together. Sometime we did fasting and come together to close our prayer. We normally gathered inform of waiting upon the Lord, we would just deceptively prayed and began to defile each other. Satan is wicked, using us against God in the name of serving God. I wondered how God was feeling over this kind of mess we practiced in the church. Indeed, God is tender hearted and merciful.

My prayer is that I should not abuse the mercy of God in my life till I finished my journey on earth. I mean He is so merciful. I was mad in this lust. Any time I went to church if he was not there, I would not be happy and would go back home. Many times, I went to church it was just to see him. Sometimes I would say I was going to church but I went to his house. And on many occasions, he also came to our house when my husband travelled and I would send my children downstairs and remain with him. And he used to prophesy to me and others. He would call me, mummy and I called him, daddy. This encounter continued for a long period. The worst is that everybody that saw us called us brother and sister in the Lord, and somehow, we were related so you could not suspect us. But I knew he had something with other women but I did not give him the chance out of jealousy. In that church, people called me Mama Josiah. There was a day when my husband picked me on the road. I was with him but he did not see him and when he asked me where I was coming from, I told him I went to my tailor whereas I was from a

hotel. But something happened after sometime that made me begin to drop the relationship little by little. I told my husband I had a revelation where I saw brother Josiah's sister in her house with her husband she called me and said that all the evil I was doing with her brother that she would expose it to my husband. I was pleading with her crying and saying that my husband would kill me, that she should not tell him, I will stop the relationship. Then while I was pleading with her, I woke up and this was when God began to warn me to stop the evil but I continued. After a while, the revelation repeated the second time and it was then I knew that this was a warning from God. I became afraid and I began to drop little by little. God so kind, we packed out of their area to a far place, so we could not see again easily until the judgment started in that church and many women and girls were involved. As I was confessing all this abominations, my husband was shaking his legs. I expected him to jump on me or to pick his gun and shoot me but surprisely he was exclaiming 'Hai! Hai! na waooooo "I cannot believe that you are born again, carrying bible and be committing this kind of evil in the church". Ecclesiastes 12 verse 13 to 14 ***"Let us hear the conclusion of the whole matter, fear God and keep his commandment, for this man's all. For God will bring every act to judgment, every thing which is hidden whether it is good or evil"***.

He said indeed that nothing that one does in this world that cannot be exposed. He said if not that he heard all these evils from me; he could not have believed it. I told him that one day as you hear my judgment, you will surely open up yours. He said to me "darling all you said about judgment is real the way people drop dead is too much". He mentioned two of his friends that just died two days before. He said he believed it was judgment because I did not confess this ordinarily, that he knew me that I can even deny all these things at gun point. After he left to the sitting room, I entered my room and opened up in worship to God for the grace. I could not believe it my brethren; you need to know the type of person my husband is. It was a miracle, the scripture says that the heart of a king is in the hand of God. As I was praying in my room happily, Satan called me an idiot that I had exposed and disgraced myself.

Immediately, I wanted to feel bad, but God told me that I had overcome. I became strong again because I wanted to be ashamed. I became strengthened and went back to the sitting room. My husband was there with our guest. I sat down with them and we were watching football. So I said inside of me that my mentor told me that after his transparency, his wife forgave him and their love began to climax. Even daddy said the same. I said I must see my own. So when the visitor left to sleep, my husband held me and kissed me and we made love. I had not experienced such love anytime in our marriage that he said I was sweeter than sugar. He could not describe it, he was on top of me. Anointing came on me. *The Lord said "Uju I have healed your marriage. I will use you through this judgment to heal marriages and the whole world, that this abomination I have committed was what killed many marriages and when a marriage is killed the family is dead and when family is dead the church is dead because it is the family that makes up a church". I started crying as the Lord was speaking to me. My husband asked me what was that, why I was crying, thinking I was having pains because he was still making love to me. I said No, that God was speaking to me.*

The Lord said that judgment means His presence in us that reveals all the abominations we do in the secret which we hide, so when the judgment comes which is the presence of God, the fire of His presence cannot allow the hidden sins to remain anymore like in the days of Ananias and Sapphira. The fire of God's presence was in the church when the husband and the wife came in with the hidden sin and refused to open up then the fire consumed them immediately. And the Lord said again that His presence reveals all inadequacy in us like Moses when he met His presence in the burning bush His presence there made the land holy. The land was a normal land that people could enter with their cattle and feed but as Moses trod the land the fire revealed his shoes that they must be removed before entering the land if not he will be consumed by the fire, His presence. The Lord said it was my presence that makes the land holy and not ordinary land itself. He said that His presence came with fire and anything fire touches must be consumed. So the level of His

presence that will come on earth in this end time will sweep and shake the earth that is why in the Holy Ghost School He gives us merciful judgment because we are judging ourselves in humility and repentance. He said that His presence in us reveals the errors, falsehood and deception in us so that when light comes darkness cannot stand anymore. When the fire of his judgment comes no one will stand it because no sin or evil will stand His presence because He is too holy and His presence is Him, the Lord Himself. So when He comes into every unholy body, every unholy thing will be exposed and removed. He said that this is the reason He is calling us into His presence through the Holy Ghost school every day as a covenant to meet Him where He will reveal all sins in us and that is why Holy Ghost school works by revelation. He said that revelation is the engine power or transformer that gives us access to Him. I was crying as the Lord was speaking. When I was done with my husband I ran to my room and continued with the Lord. So later the next day my husband asked me if I would confess all these in the presence of the brother, that I must invite him tomorrow in our house. I said ok. Then as I was about going to the brother's house in the morning because I could not reach him on phone, my husband said I should not worry. Oh! My good God, I felt good because I was troubled thinking how I would face the judgment in the presence of the brother in my husband's presence. I was very happy. I slept like a baby.

The same night I had a revelation where I soaked many of my clothes for a long time. I was in the washroom rinsing them one by one with a disciple named Charity who was helping me. It was smelling so terribly everywhere, all over the house was stinking. My husband came in, he was angry and shouting at me to carry the smelling clothes away. I pleaded with him that the tap was on and water was rushing, so let me rinse them fast. I rushed and we began to rinse those clothes one by one. I woke up. I did not understand the revelation. In the morning, I rushed to my mentor and shared my encounter. Everybody was very happy giving God all glory for His grace but when I shared my revelation with my mentor, he said something was wrong somewhere. He asked me if I confessed all my

sins from the first day I knew what sin was. I said "No". Then he said that was why the revelation showed that many clothes were soaked for a long time and was smelling so much. He said this was about all my sins I had committed for years against God which was smelling. He said I should do total transparency starting from the day I knew what was sin. I said, 'How can I tell my husband how many men that have slept with me before we married? And all stealing, gossips and lies?' As I was talking the fire of judgment came again on me. I said, 'Lord, I will do it when I reach my house'. The Lord took me to Revelation 21 verse 1 to end *"Now I saw a new heaven and a new earth for the first heaven and the first earth had passed away also there was no more sea. 2 Then I John saw the holy city new Jerusalem coming down out of heaven from God prepared as a bride adorned for her husband. 3 And I heard a loud voice from heaven saying "Behold the tabernacle of God is with men and He will dwell with them and they shall be His people. God Himself will be with them and be their God. 4 And God will wipe away every tear from their eye there shall be no more death, nor sorrow, nor crying. There shall be no more pain for the former things have passed. 5 Then he who sat on the throne said "Behold I make all things new "and he said to me "Write for these words are true and faithful.*

6 And he said to me it is done I am the Alpha and the Omega, the beginning and the end. I will give of the fountain of the water of life freely to him who thirst 7 He who overcomes shall inherit all things and I will be his God and he shall be my son. 8 But the cowardly, unbeliever, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone which is the second death. 9 Then one of the seven angels who had the seven bowels filled with the seven last plagues came to me and talked with me saying "Come I will show you the bride the Lamb's wife" 10 And he carried me away in the spirit to a great and high mountain and showed me the great city the holy Jerusalem descending out of heaven from God 11 having the glory of God . Her light was like a most precious stone like a jasper stone, clear as crystal 12 Also she had a great and high

wall with twelve gates and twelve angels at the gates and names written on them which are the names of the twelve tribes of the children of Israel. 13 Three gates on the east, three gates on the north, three gates on the south, and three gates on the west. 14 Now the wall of the city had twelve foundations and on them were the names of the twelve apostles of the Lamb" 15 And he who talked with me had a gold reed to measure the city, its gates, and its wall. 16 The city is laid out as a square, its length is as great as its breadth and he measured the city with the reed twelve thousand furlongs, its length, breadth, and height are equal. 17 Then he measured its wall one hundred and forty four cubits according to the measure of a man that is of an angel. 18 The construction of its wall was of jasper and the city was pure gold like clear glass. 19 The foundation of the wall of the city were adorned with all kinds of precious stone, the first foundation was jasper, the second, sapphire, the third chalcedony, the fourth emerald. 20 The fifth sardonyx, the sixth sardius, the seventh chrysolite, the eight beryl, the ninth topaz, the tenth chrysoprase, the eleventh jacinth, the twelfth amethyst.

21 The twelve gates were twelve pearls each individual gate was of one pearl And the street of the city was pure gold like transparent glass. 22 But I saw no temple in it for the Lord God Almighty and the Lamb are its temple 23 The city had no need of the sun or of the moon to shine in it for the glory of God illuminated it. The lamb is its light. 24 and the nations of those who are saved shall walk in its light and the kings of the earth bring their glory and honor into it. 25 its gates shall not be shut at all by day there shall be no night there. 26 and they shall bring the glory and the honor of the nations into it 27 but there shall by no means enter it anything that defiles, or causes an abomination or a lie, but only those who are written in the Lamb's Book of life" When I studied up to the last verse, the Lord told me that the city, new temple, and the New Jerusalem is us. He said that I have seen all the qualities of His kingdom, how glorious, magnificent, beautiful and transparent it is. That this is how He wants me to be and this is the way His church must be before the

wedding of the Lamb. He said that it is here on earth that He will prepare and equip us for the New Jerusalem. He said that my heart must be transparent like glass as the city of the New Jerusalem. It was here the Lord told me He has given me the ministry of transparency that nothing called evil or sin should dwell in my heart. That He has come to work in my heart to be transparent all the days of my life. That my heart is His dwelling place and after working on me that anyone who knew me before would not know me again. After this the Lord showed me in a revelation where I saw a very mighty ship ready to move around the world. We all came out from my house to enter the ship because the ship's head was inside my compound but the body outside. It was a very mighty ship ready for movement. While we were waiting for my husband to come out so we could move, I was imagining how such head of a mighty ship entered my compound.

As I entered the ship the interior was so glorious, magnificent and clean. I saw three white ladies in white gown with broom and a packer in their hands, moving all over the ship sweeping and picking any single dirt on the floor- even sands. They were moving so fast like angels doing their job, while the captain was blowing the horn so much reminding us we were late. While we kept on waiting for my husband to come down for the movement, I woke up. The Lord told me that ship represented the whole church and the captain represented the Holy Spirit Who was ready to move again for the last time on earth with the message of judgment and transparency all over the world.

He said my husband there represents the Lord Jesus, the Head of the church. We the church are waiting His coming back but before then I must go to the whole world and blow the alarm of His judgment message and warn His people. As He sent Jonah to blow the alarm of His judgment to Nineveh and tell them that in forty days Nineveh shall be destroyed. Also He sent Noah to announce to the world the judgment message that the flood was coming to wipe out the earth unless they built the ark and run away from His wrath. So He is sending me to blow the alarm to the ears of men that our own ark is to pass through judgment and to confess all our secret

sins openly right from the day we knew what sin was before the world, and never go back to them but remain transparent. He told me we must judge ourselves. The Lord told me that the last grace He has poured on earth before the end of the age is this judgment message. He said that as many that will judge themselves here on earth before men will not be judged again. I was crying as the Lord was speaking because I saw a high level of love God has for mankind. In every generation God gives mankind a great opportunity to be saved. Hello church of Jesus Christ! Other generations have come and passed away with their own judgment. This is ours and we are the last generation. Jehovah God has given us a way to escape from His coming wrath on earth and to escape hell fire. The Lord said that this is the judgment we are to pass through after death, but He has come to judge us alive before death or rapture comes so that we shall inherit his kingdom. The Lord took me to 1st Corinthians 11 verse 30 to 32 ***“For this reason many are weak and sick among you and many sleep. 31 For if we would judge ourselves we would not be judged. 32 But when we are judged we are chastened by the Lord that we may not be condemned with the world.***

Honestly, after studying this it seemed as I saw myself in heaven. I felt peace and boldness inside me; there is power in the word of God. Now when my husband came back, after his meal, I told him that my judgment was not yet over that God said I must confess all the sins I had committed from childhood. I shared the revelation of soaking smelling clothes with him but he could not understand. He felt so bad and said now he was recovering from the shock of the first transparency, and confession, and I wanted to drop another bombshell. That he bought a gift for me, a nice hand bag and perfume as our marriage was receiving, healing and our love has become so real and natural. I received the gift, appreciated it and hugged him with a kiss. But I was still in the judgment seat. There was nothing I could do at that moment to accept that I was done with judgment and free. Alas!!! Alas!!! I saw the horror of those who had passed away, what they passed through at judgment throne of God, before proceeding to either heaven or hell. My brethren, it is better we are judged on earth while we are still alive when we can obtain mercy than after death when there is

no language of mercy. Let us be judged now before it is too late. I began to plead with my husband to hear and bail me out because I was dying. I told him it was only him that God will use to judge me. If he could forgive me, I was done. He waited for sometime and afterwards told me to confess to my mentor because he was sick after hearing the first confession. That he did not want to die, because he had no grace to hear more. After pressing him and he refused, I felt I had tried and God could see that it was no more my fault. The next day, I went to share the encounter with my mentor, he said I should go back to my husband; he must hear it for the sake of my soul and the souls of my family. As I came back home and entered my room, I felt the fire of judgment again. It seemed as the whole connection of judgment fire was mounted in my house. It was so hot that all my room was on fire, this time the fire was doubled. It was at this stage I gave my will because I thought I would die. I was carried away in the spirit and saw a big screen. It was the picture of all my life, I was watching. Judgment is real. It was as if I was using remote control to change television channels. It began when I was little about six to seven years old, a lady my sister's friend came to our house. As she was going I held her on her leg. I did not wear underwear, she caressed my vagina. I saw where we were playing with other children in our village and were fingering one another. I saw how I used to steal meat from my mother's pot. I saw when I was living with my elder sister in the city; she had a neighbor who had only one daughter and six boys. My sister always wanted me to be there whenever she was out. So those children had sex with me and their only sister as well. Oh!!! My God, I burst into tears, the pain of the judgment entered me.

I saw where the male servants of the same woman were having sex with me; I could not remember their names. I saw where as I was living with my mum, she had a restaurant and a man who was a car washer, whenever my mum was out, the man had sex with me. One day a man caught us and said he would report me to my mum. I was pleading to him and he said if he would have sex with me he would not report me and I allowed him. I saw where I used to romance a little boy of two years that always ran to me to carry him. May God forgive me about this innocent child. I saw another guy

Nnamdi by name our neighbor who always had sex with me. Again, another man by name Dona who also had sex with me and Sunday who also had sex with me. All this was when I was still a kid and had not started seeing my menstruation. From my high school another guy by name Arinze also had sex with me. Another guy by name Arthur befriended me but no sex. Another guy by name Eddy, who also befriended me but no sex, and Vincent who also had sex with me. I saw where I was putting some object like stick and unripe plantain inside my vagina and also fingering it. Oh! My God, I wondered if such thing broke inside my vagina, how a doctor could do such surgery on me. Satan is wicked. I saw where I always practised masturbation. In fact, I was addicted to masturbation. Masturbation was one of the falsehood Satan used to hook me. It is a dangerous sin but some people call it fun. No wonder a well known pastor preached that masturbation is not a sin. He forgot that the bible said that our body is the temple of the Holy Spirit and whosoever sinned against his or her body has sinned against God. Masturbation is the deception of a person who is not having a sexual relationship trying to satisfy himself without sexual union. It is a sin of self-abuse. I saw how I used to commit fornication with some people in my thoughts even when the person may be far away. I used my mind to engage in sex.

I saw where I was sent to look after my friend's son who was operated upon in the hospital but when no one was there I romanced the boy. I saw where we were living; a male servant of our neighbor Kelvin by name, always gave me money for school, bought things for me and always had sex with me under the staircase. I saw where one of my sister's servant, I saw a boy, Obi by name was fingering me. I saw also another guy Cajetan my brother's friend who fingered me. I saw in my high school, one of the women teachers who invited me to her house and we were practising lesbianism. I saw some vows I made in the church which I did not pay. I saw Godwin who had sex with me when I was little. I saw another boy in our compound by name Alex, who always had sex with me. Now in my high school I saw where we went to the staff room, broke the window, collect our results and changed it. I saw how I used to quarrel and fight with a lot of people. I saw where a

married man carried me to a hotel and had sex with me during Christmas period because of money. I saw how I lied to my parents and increased my school fees to have some money. I saw where I was practising lesbianism with junior students at my school hostel. I saw how we stole from people's farm near our hostel. I saw how I used to gossip with people's name especially in the school. I saw how I used to abuse people. Honestly, I was very rude, arrogant and stubborn. I saw how during school hours I went out with my boyfriend to have sex. I saw how a boy by name Nwachukwu always came to have sex with me in the house when my parents were away. I saw where I fought a lot even with my seniors. I was very stubborn. I saw where I kept malice with a lot of people especially students and girls in our resident. I saw where I lied a lot and because of this character of mine, my parents sent me out for early marriage. I saw how I used to steal my husband's money, how I increased prices to make more money from my husband. I saw how I was fashion conscious, and how I used to seduce men through my dressing. I saw how I used to be jealous and envious of people. I saw where my mother took me to a native doctor for charm because of my immoral life. I saw when I went to spiritual churches they took me to a river and bathed me with a lot of incantations. I saw another fetish pastor who removed my underwear and robbed olive oil in my vagina for the sake of anointing. Oh! My good God have mercy. I also saw how he took me to a four way road and bathed me also. As I was watching I was crying, you can understand why it was very heavy. Oh! My God the heaviness of the burden became so much on me. I started praying because my sins were too many. It was judgment indeed, the more I saw those abomination the more my pains increased. Alas!!, Alas!!, Alas!! No one can stand the wrath of God.

I saw another man by name Emma, my husband's cousin who was dating me before my marriage. As the judgment was going on, I needed to face myself before the Lord in pain with a heavy heart and the Lord opened my eyes to see my heart. I was horrified and broken. The shock of my heart's condition completely exposed me. I became weak. I felt I was dying. I condemned my life. I felt God should take me out of the world because the pain of my sin was too

much. The weight was very heavy. I was calling on Jesus to have mercy that was the only language I was speaking. I began to feel the burden Jesus had on the cross for the sins of the world. I felt so terrible for my sin. Ezekiel 9 verse 5 to 7 at this moment became very real to me ***"To the other he said in my hearing go after him through the city and kill do not let your eye spare, nor have any pity & utterly slay old and young men, maidens and little children and women but do not come near anyone on whom is the mark and begin at my sanctuary so they began with the elders who were before the temple & then he said to them defile the temple and fill the courts with the slain. Go out and they went out and killed in the city"*** So as this was going on, my husband came in. I pleaded with him again to listen to my transparency and confession, at this point, I was very weak. He refused, I knelt down before him and started immediately. I could not hold any longer. It was like when a woman in labor who was about to deliver. When contraction starts, the pain continues to increase until she delivers the baby. I began to confess and at a stage he said I was a dog. I agreed and said that even dog is better than me. I asked him to forgive me for all the abomination that Satan has used me to sin against God, against him and against mankind. I was expecting a rebuke or a vent of anger but fortunately he encouraged and forgave me. He said that my ministry is very hard that nobody can do it. I told him that when the fire of judgment comes, it is irresistible he will pass through it. Honestly it was a glorious thing to pass through judgment. After this judgment, I became very beautiful and my heart became very light, I was behaving like a little child. I became so sweet.

The world became so light and empty to me, I became humble. Since that time till today, I no longer fell ashamed, anywhere I go to minister I share my transparency to people. And thousands are being delivered through my transparency. It became very hard for me to commit sin again because if I try it, the world will hear it and the fire of judgment will come and I must confess it openly even to the person I sinned against. It was at this point that the mystery of transparency was revealed to me as a way out of judgment of God that has come upon the earth. Whenever God is

releasing a vision, it takes Him time to deal with us especially the vision bearer. My brethren, I thought that my judgment was over, I had peace, I was enjoying my marriage. It seemed as if I was in a new world but three months later, I was in the kitchen making breakfast and my son ran to me and said that uncle Josiah was around with his brother. Honestly my heart fainted. After serving the food, my husband called me and said he wanted me to confess everything before him and Uncle Josiah. I said ok, because I knew that for that brother to be in our house my husband must revisit the case.

The only question I asked him was whether he was the one that invited him. He said no, that the brother came on his own asking him to help his younger brother with visa to travel. I said ok. When I entered my room to pray, the Lord said I was like Mary Magdalene the day she was caught in adultery and was exposed before men, immediately her ministry started with Jesus. The Lord said I should not be afraid and took me to John 8 vs 1 to 12. ***“But Jesus went to the mount of olives 2 Now early in the morning, he came again into the temple and all the people came to him and he sat down and taught them 3 Then the scribes and Pharisees brought to him a woman caught in adultery and when they had set her in the midst, 4 they said to him teacher this woman was caught in adultery in the very act 5 Now Moses in the law commanded us that such should be stoned but what do you say?***

6 This they said testing him that they might have something of which to accuse him but Jesus stooped down and wrote on the ground with his finger as though he did not hear 7 So when they continued asking him, he raised himself up and said to them He who is without sin among you let him throw a stone at her first 8 And again he stooped down and wrote on the ground 9 Then those who heard it, being convicted by their conscience went out one by one beginning with the oldest even to the last. And Jesus was left alone and the woman standing in the midst 10 When Jesus had raised himself up and saw no one but the woman, he said to her “woman where are those accusers of yours? Has no one condemned you?” 11 She said no one Lord

and Jesus said to her “Neither do I condemn you go and sin no more” 12 Then Jesus spoke to them again saying “I am the light of the world, he who follows me shall not walk in darkness, but have the light of life”. After studying this I became strong waiting for the meeting and later I was called to the living room to do transparency before Josiah, his brother and my husband. So my husband said to them that I confessed some strange things about him and he would like me to confess again before them. Then brother Josiah sent his younger brother away so that he would not hear anything I was about to confess because he was surprised at what was going on. But I refused that the boy should go out but be there with us. Because God also needs his soul, it may be that this judgment may change his life. So the young boy sat down with us. I opened my mouth and said 'Praise God!' But nobody responded. I started all over my transparency of the abomination I committed with him. At a stage, my husband got angry, he called me an idiot and sent me away. I was crying as I left the sitting room, to my bed room. The Lord encouraged me and said that I had made it and this was the beginning of my ministry because the whole world will hear this. At the end of the whole event his brother knelt down and pleaded and my husband forgave him and my marriage became as sweet as honey.

Before his brother left my house, I told him that I had passed the judgment of God to him. He should now go to all those men he defiled their wives and to the parents of those girls he defiled, to confess and plead for forgiveness.

CHAPTER FOUR

GOD USES THE SMALL TO JUDGE THE BIG.

God always uses the small to judge the big simply to humble us. For example David and Goliath. You can imagine a little boy challenging a giant of the Philistines. David and Saul, you can see a whole king of Israel was judged by David. David and Nathan, here you see how God used Nathan to expose the king David. Samuel and Eli, here God left the high priest Eli and revealed to a small boy Samuel about his master just to humble him. Apostle Peter and how the little girl confronted him and said he was among Jesus, he denied. Joseph and his family, here God used little Joseph to judge his family because of their wicked heart and jealousy. As the Lord used Okeke to judge daddy so he used me to judge Okeke. During that time, I had a revelation where my husband took me and our children to a very large sea with a woman called Chinonyerem which means (God is with me). We saw ourselves in the middle of the sea in a big mansion at the center of the sea. My husband left us to see a man called Channel who would lead him to see their head. And he left us there. Suddenly, I saw a mighty ship in front of the mansion which was surrounded by a mighty white snake. I was afraid of the snake and the Lord said I should not be afraid but watch. The snake started coming to the building where we were. I saw many people in that big mansion and the snake was licking people's body with its tongue and I noticed that those people did not care. A voice told me not to allow that snake to touch me and my children. But the snake was making every effort to lick my body. I was shouting, calling on Jesus and also calling my husband to come and take me out of the place. But Chinonyerem who came with us was calm. I was hiding from the

snake and the snake was following me seriously, until my husband came out. I warned him never to bring me and my children into that devilish place and let him take us out of the place. While I was talking, my eyes opened, I saw that the ship was full with Nigeria's prominent men and politicians. They were having a party. I saw a former president standing on top of one long pole and raised one of his hands. I said this is the kingdom where Nigeria's prominent men belonged to. While I was watching, I looked back and saw another mighty ship but smaller than the first one. It was hooked by anchor and the ship was painted Nigeria's color green, white, green. This ship was hooked up. It never moved but only by the wave of water that hit it and went to and fro. I was shouting, 'See the ship of Nigeria's wealth, where they hooked it that it does not go forward but stagnant'. I was crying, 'God come and rescue us from this wicked white witch kingdom'. As we were going out, I was still talking about the stagnant ship and how they put Nigeria in a serious bondage. I woke up. I was very afraid of this revelation. I did not understand it until during my covenant time with the Lord. God told me that this is the white witch kingdom that governs Nigeria's prominent men and politicians. It is an occultic principality and power that hooked Nigeria's wealth and governs it.

The Lord said this is the kingdom that kept Nigeria in darkness. And if you do not belong to this kingdom, you will never enter government house and wealth will not reach you. And that is why Nigeria is suffering today. The Lord said that darkness is ruling the country. The snake there represented Satan the devil. He said that the channel that took your husband to see the head means that your husband has joined them. Their head there represented their grand satanic master. The Lord said "I brought you here to see what I will show you more". I shared this revelation in the discipleship class and my mentor understood it. Later, I had another revelation where I was going to get vegetable in a farm and also to look after my white lamb, I kept to feed in the next street. On my way, I saw three heavy men. One of them took my lamb where I tied it to feed and I resisted him. He was very angry with me and showed me a man that was my husband who was about to die. He said they will use this white lamb for a sacrifice that will extend his life. And they took the

lamb and entered my street. I was following them crying asking for my lamb and I met another man who said there was a big lorry about to pass with speed, that I must jump into the lorry. That if I made a mistake, the lorry would crush me and that would be the end of my life. As he was talking, I saw my cousin Nick and he told me that Nnenna was dead. I said, “she is very healthy, what killed her?”. He said that she just slumped and died. I said, “occult men have killed Nnenna, bring her dead body to the village and I will tell the family and the entire village how you occult men killed her”. While I was talking, the big lorry was coming and blaring its horn. It was in the night very dark, I only saw the light of the lorry. I successfully jumped into the lorry. Immediately, it became a big house and a party was on. I saw many prominent men eating and drinking. I heard a voice that said I should not eat anything there till I go away.

As the party was going on, they served me all kinds of food and meat but I did not taste anything. Finally, I saw myself in my house and as I entered the living room, I saw my husband with a native calabash in his hand doing incantation. I asked him, “Are you not tired of doing this evil?” I began to sing a song *‘He is the Lord, He is the Lord amen, He has risen from the dead He is the Lord, halleluiah every knee must bow, every tongue must confess that Jesus Christ is the Lord’*. He fell on the floor and the native calabash broke into pieces and I saw his manhood rise and he poured out a lot of sperm and fainted. While I was singing, I woke up. Jesus my Lord!!!

I was terrified and ran to my mentor and shared this revelation. He was also terrified. He prayed for me and told me to go that God would interpret it for me. I left and on reaching my house, my phone rang. It was one of the disciples, she asked me if I was at home. I said yes. She said she was coming because she had a terrible revelation about my husband that afternoon. Later she came and told me she had a revelation where she saw my husband's jeep carrying a coffin and a group of occult men lined up going for a burial and she was shouting that occult men has finally killed my husband. She was following them at the back to know where they were going.

On reaching one church along the road three of those occult men ran into the church and was crying, wanting to see the priest because they had something to confess. As the priest came out, one of them began to confess while the other two said they should remember what “Ezemuo” their occult grand master said that if any confessed, he would take away everything he has given them and kill them. As he reminded them of this covenant, they ran away and joined their group again. She was trying to convince them that Jesus is greater than their occultic priests but they refused. She was calling them back, telling them about Jesus and woke up. I asked her what she understood. She said “Uju I cannot hide it from you, please pray, your husband is an occult man and they want to kill him now”. Honestly, I opened up and shared all my revelation with her, we cried and prayed and she left.

While I continued in the presence of God praying concerning the whole issue, the Lord told me that my husband had joined the occult. He reminded me of the revelation about my lamb that was taken by force. He said the white lamb was me and that Nnenna that slumped and died was also me. That they have told my husband to bring me for ritual sacrifice in their kingdom, He the Lord allowed it to show the devil and his kingdom His power. The Lord explained the lorry I jumped into and it turned into a party place where they were eating and drinking and I was warned not to eat anything. The Lord told me that I would be invited to a party by my husband and there they have planned to do the ritual sacrifice to kill me. And the Lord said “Uju you must go to that party, do not be afraid I am with you to the end. I have called you from your mother's womb, I will use you to expose them, I will use you to deal with them, I will use you to shame them, and I will use you to destroy their kingdom, watch and see, Get ready for that invitation because it is coming but do not eat or drink anything there”.

Oh! my God, when you are told that you are about to be killed, honestly this was another big encounter. I was only crying and praying for God's mercy. The next day being Thursday my husband came back from work and told me to get ready on Saturday that we would go to a party. Immediately, I remembered what God

told me that I must go to that party. Naturally, he would not take me and had never taken me to any party owing to my faith in Jesus Christ. The only question I asked him was, Which party are we going? He said why should I ask. I said that I just wanted to know whether it was a birthday party or thanksgiving or child dedication. He said he did not know. My brethren, since that Thursday night to that Saturday afternoon I could not eat. I was only praying, crying to God and studying my bible because I saw many horrible revelations about this kingdom. They are evil. While I was too much troubled, the Lord took me to 1st Samuel, about David and Goliath. He said I was David while their kingdom was Goliath, that I should watch and see how the battle would be. It was after this bible study that I became bold and began to prepare for the journey.

That afternoon I quickly prepared and was waiting for my husband. By that time God had fortified me spiritually. Later, my husband told me to change my clothes and wear the same uniform with him. I did that so fast and later on, we left. On reaching there, Oh my God! it was really big boys party for prominent men. We parked our car and went into the compound, and he took me inside the building to greet the so called celebrant. As we entered, I saw the inner caucus, very deadly men, sitting in the living room. If you look at their dressing, you will know that these men were bad men. We greeted them and came outside and joined the party. After a while, they served me a lot of food, meat and drink but I did not taste any. I was praying inside me. My husband began to tell me about the "Ezemmuo" the ritualist. He told me how powerful the man is, how he commands sun and moon to stand still, how he tells trees to fall and it falls. How he points and commands people to die and it happens. While he was saying this, I was already in the spirit. I felt the presence of Almighty God all over me. I did not know when I said, "Today we shall see, power will jam power. Let me see that devil whether he can stand the power of God that I am feeling all over me here". I understood that he was telling me this to scare me. While we were talking, they called him inside for sometimes. Later he came out and not quite long (because I backed the entrance gate of the building where I was sitting). I only heard people stand up calling "Ezemmuo" "Ezemmuo". Oh! my GREAT GOD, I looked back I

saw the so called devil incarnate called Ezemmuo coming in with a lot of magical stuff on him, a lot of rings, iron cap, wearing, black long grown written at the back [Ezemmuo] his name, with a very long beard. You hardly see his face and his eyes, he was with native stuffs in his hands, I cannot fully describe his appearance but he was devilish.

He came directly towards me and hit me at my back to get up and follow him to their ritual room for sacrifice. But as he hit me, his charm did not affect me neither did I stand up but still on my chair. He left, shook himself and walked a little far doing some incantations. He mounted his staff on the ground, shook it and came back the second time and hit me but nothing happened to me. The LION OF THE TRIBE OF JUDAH was inside me. As the second attempt failed there was a big chaos everywhere. The tension became so high, the Ezemmuo was in trouble because his power failed him for the first time. I began to speak in tongue, of course the heavenly language and increased the tension.

The Ezemmuo called my husband inside and gave command to take me out of the place. Immediately, my husband ran out and said, 'let's go now, now, now'. I told him in annoyance that I came to party and cannot go until party is over. As I was speaking, he picked up his hand bag and ran outside to go. I called him back and said, "Come today you people will experience the power of JEHOVAH". Trouble was everywhere; they wanted me to leave that environment first, because the presence of God there was pulling things down. But when I remembered that it was night, I did not even know where I was and did not have even money for transport, I decided to follow my husband to go. But before I left, I went to the Ezemmuo and touched him and said, "look for Jesus now and follow Him because He is the one reigning now, you have seen with your eyes". I left and on reaching the gate my husband had gone far. I was calling him and laughing at him. Can't you come back, why are you running? Anyway I have told your Ezemmuo to look for Jesus. He said it was a lie, that I cannot say such to Ezemmuo, because they were afraid of him so much. I said "Can we go back and I will say it before your presence". He said that I was a mad woman. When I entered

the car, I began to speak the word of God to him for a long time because this was an opportunity and again he could listen. From there, he took me to a very big hotel where we ate and that was when I broke my fast. As we reached home, I kept on praying and speaking to him, that Satan has failed him; why not follow me to my Jesus? But it was hard for him because they fear Satan so much. I told him, "if you fail Satan he will kill you but if you fail Jesus he will give you a second chance. Because He is God of mercy but Satan does not give any mercy but kills you straight away. Now you have failed Satan, the only solution is to follow me to my Jesus who will have mercy on you, forgive and save you." When I found out it was so hard for him to open up, to be saved I kept quiet and was praying for him.

When I shared the encounter with my mentor and some disciples they did not believe it really happened. They thought it was a dream or vision. I kept on praying for my husband until after a while I had a revelation to raise the matter again because revelations were coming about my husband's death, so I could not keep quiet any longer. He pretended as if nothing happened even though he was dying and was fearful and restless. He called me one morning and shared a revelation he had where, he saw a man called Obasonjo with his entourage traveling on the expressway. They had a fatal accident; the car tumbled and threw Obasonjo out. He vomited blood and died immediately. The Lord told me that he was that Obasonjo and his entourage was those occult men. That they would have a crash and they would not survive it. Honestly, it was that day I knew that my husband would not survive the horrible experience. I asked him, "Do you want me to interpret the revelation?". He said yes. That morning we had two guests in our house and at this point the Lord was giving me boldness. I never feared any one any more. I took him downstairs to those guests and told him to share the revelation to them. Which he did and the guests told him the revelation talks about death but I did not say anything. After we had gone upstairs to his bed room, I sat him down and told him openly that he is the Obasonjo who died in the accident. That it was as a result of the fact that they could not kill me for ritual now, so they were now after his life. If Satan asked you for blood and you did not provide it, get ready to pay with your

blood that is Satan for you. I noticed one thing about Satan; he is so hardened and never accepts defeat. The enemy sealed my husband's heart that when I confronted him in this matter and said, "You took me for ritual but it did not work out". He denied everything. It seemed he was waiting for me to say this out one day. And as I said it, it became as if I put fuel in a fire.

The whole house was on fire, he was mad with me. And said that it was my mentor that sent me to fabricate the story, that I am a liar. That he did not take me to anywhere, he had never in his life time practiced occultism. He began to make some calls to friends and relations, invited them to our house and told them that I had lied against him. Jesus Christ!!!, this was another high level of trial of faith in my life. The more he called people and told the story, the more they came to our house. Many of them believed him. I only stood alone with Jesus. They gave me all kinds of demonic tags; that I was possessed by demons, and a witch. My husband took me to my mentor Okeke and was mad with him that he was the one confusing me. He threatened to call police to lock him up and deal with him. After some threats, the man of God became afraid and denied both God and me. He said to my husband that God told him I was possessed by demons then and my light was off leaving me in darkness. Now when my husband saw that my mentor (Okeke) was afraid, he gained ground. He now said the only solution was for me to say that all that I said was a lie I fabricated. If not, our marriage would be over. The only thing I told my husband was that He should remember that when my judgment came, I confessed all abominations. And I told him that one day he shall open up and confess all his secret sins. Now was the time for his judgment and he could not hide anymore. Honestly, it takes the grace of God to stand even when your only mentor denies you. My mentor told me to kneel down and plead with my husband. I obeyed and asked him to forgive me but he said I must say that everything I said was a lie. I said that I cannot lie to God, that he knows that everything I said was true, that nothing hidden in this world that will not be revealed. We left and reaching the house that night, I had a revelation where I denied God. I saw myself in the position of Peter when he denied Jesus, I was crying, asking for mercy. It was at this point I said, 'if I perish, I

perish but I must stand on the truth of what I saw, and experienced'. I made a decision that with or without a mentor, now I fully know that God wants to separate me from any attached human on earth to stand the trials alone.

The Lord Jesus took me to 1st Corinthians 3 verse 11 to 15 ***“For no other foundation can anyone lay than that which is laid which is Jesus Christ 12 Now if anyone builds on this foundation with gold, silver, precious stones, wood, hay, straw 13 each one's work will become clear for the day will declare it, because it will be revealed by fire and the fire will test each one's work of what sort it is 14 if anyone's work which he has built on it endures, he will receive a reward 15 if anyone's work is burned, he will suffer loss, but he himself will be saved, yet so as through fire”***.

These verses became like proteinous food for me to grow and move forward with the encounter. Everywhere was fire, the pressure was so much on me, all the brethren were sent away by my husband. He warned them never to visit my house, or communicate with me on phone. Most times he seized my phone to make sure I was disconnected from disciples and any other pastor. The next morning, I called my husband and told him I was not pleading anymore all I said was true, that he should do what he wanted to do. He can call the kingdom ritualists and tell them that I am not pleading for anything. Let them do their worst now. Oh! My God it became so terrible like fuel in the fire again. He began to call a lot of people, telling them what I said. He invited my family, mentor and some friends to our house for a meeting. During the meeting, my mentor still repeated all he had said before and my husband was only saying that even my mentor confirmed that I was mad and possessed with demons.

In that meeting, I stood alone with Jesus. I was not allowed to talk but only listened. At the end, it was concluded that I would be sent out to the village to suffer because I came from a poor family. I stood firm to go. But something happened that day. When everybody had gone, my husband called me inside his room and asked me if my mentor was leading or misleading me. I said I did not

have any mentor as of then except Jesus Christ. And he told me that from that day, he did not want me to go to that mentor again, that he did not know what he was doing, he was a (coward) I said yes and surprisingly he held me, kissed me and made love to me. I was crying saying God, “Even in the midst of such a fire and crises you calmed this down”. I saw the irresistible power of transparency. With that brokenness, poured my heart to God to save my husband from the hand of Satan. The next day the Lord took me to my mentor's house and when I reached, I saw him with his wife and three other men of God. I told him that he was a disgrace and God sent me to officially withdraw relationship from him because he fears man rather than God.

But before I left, I asked him. 'When God was showing you every evil that daddy was doing and you confronted daddy and he reacted and collected the ministry key and sent you away from the ministry; did you plead with him and asked for forgiveness and said that all God was showing you about daddy was a lie? Even when daddy collected the ministry key from you and gave someone else, did you plead with him?' He said no. I said “You did not plead with him even when I did not know what was going on in the ministry but God who revealed all those things to you and you confronted daddy, he denied them and sent you away but at the appointed time judgment came on him. God used me to bring daddy to your house and daddy came by himself to your house and confessed before you to prove to you that everything God revealed about him was true. You heard daddy's transparency in your house, why did you know that everything I said about my husband was true but you denied God?”. After the questions he said “Uju you have made it, I have failed. Please, remember to pray for me as I go. I do not know when we shall see again”. I was crying so terribly and the Lord said I'm done with him. I left still crying and did not see him again. Then after some time, he called my phone. My husband was with my phone because he seized it all the time so I could not communicate with anybody. So the last chance my mentor had was that day he called my phone, my husband picked my phone. He was supposed to confess and confront him with the truth of the whole matter but he missed the chance. And before then, I called my mentor on phone

and said “Save my husband's soul, please do not fear, Satan cannot do you anything, Jesus is alive, He is alive forever. My husband is dying now, please save his soul. I love my husband”.

But pride and fear did not allow him and after a short period my husband died. Since the Lord and my husband stopped me from going to him that was the last time my eyes saw my mentor. But I continued with the Lord and the ministry was growing. After six years, I got my mentor's contact because he eventually packed to the village. When I got him on phone, he was so happy. We discussed and shared our encounters. The Lord said, 'Ask him whether he is ready for transparency now? Remind him that he is still on judgment'. The Lord said He wanted to save him; I tried to remind him where we stopped before my husband's death, that he needed to come and settle as this was his last chance. He accepted to come but after some days he texted me that I should come and see him instead. Devil is wicked. When he wants to destroy you; he will fill you with pride. And I told him that we were not dragging who would come and see each other but he should remember where we stopped. During daddy's judgment, he met him in his house and now it was his own judgment, he must come and meet me. He refused. I told him I did not mind, if God allowed me, I will come to his house, let me pray over it. But he should stop deceiving people, we must start where we stopped. He sent me another text message saying: “When a strange thing happens to faithful men, he recovers them by his acts”. 2 Samuel 6; 6 to 12. He continued, “He recovers us speedily but we must all appreciate his act like Obededom. Bless you”. When I got this text message, I did not understand it. So I replied him back and asked him it seems it was still very hard for him, but he should never mind, for I was still praying for the grace of God to be given to him. He replied and said, Thanks for praying for me, like David must like Absalom ceaselessly. Note this also that I never desired my master Lambert to come to me unless God compelled him. Bless you”. Another text message after some weeks “It is still in my spirit that I must continue whether you respond or not. The only option for a prodigal son is genuine repentance. I thank God he controlled me by signs, never to be carried with the errors of wicked men. 1 king 22 ;7 to 8 and 15 to 16. Bye for now”.

It was here I understood fully that his problem was pride, how to come to me for total transparency to settle. Meanwhile, I was praying and arranging how to go and see him, whenever I traveled to the eastern side of the country where he was, he texted me again after one week and said “I don't think there is any need for us to continue to commune as far as we are sure of ourselves. No need of the visitation, even I say good night”. I was troubled so much on this text again but kept on praying for him until I traveled out of the country for a long period. I never had the opportunity to travel to the village to meet him even when he said he never wanted to see me. It was not up to a year on December 2012, I received a call that Brother Okeke was dead. He slept and did not wake up again. Honestly, for a week I was crying and mourning him, very shocking to me. Honestly up till today I can't describe my feeling toward Okeke's death, The shock and fear of his death was so much on me until the Lord consoled me and told me to move forward. The Lord said that he used Okeke, the smallest among the mentors to judge the head daddy, and wanted to use me an ordinary disciple to judge him but it became hard for him, and he could not make it and died in judgment. I remembered one of the revelations he shared with me was that he was carried by the sea and every effort was made to grab him back, but it was all in vain. When you are judging others be careful of your own when it comes. I saw and understood that it was easier to judge others but hard for you to allow others to judge you. Hello world, the more we go, the harder the journey becomes. The death of Okeke brought shaking and fear in the ministry of Holy Ghost School all over. The Lord told me He was not a respecter of any man, that everybody had grace and when your grace expires you die. He said I should be very careful about this call of end-time transparency ministry movement, known as discipleship training because it is the last call on earth. He will never take any nonsense, no one will stand His glory, no one will challenge His glory, no one will close the door of His glory, He has come to judge. He also told me that when judgment hit his early disciples because they denied him, they all went fishing until after His resurrection. He gathered them and sent them to the upper room to tarry in Jerusalem till the power of Holy Ghost came. He

said now is the time for the general assembly of all the disciples of end-time all over the whole world to be one in truth, one faith, one message, one body, one voice, one love, one union, one church for this last battle between truth and error. He said His church must answer the call of separation from religion. My Judgment was more than real.

“Lord God will you destroy the whole remnant of Israel?” (Ezekiel 9). When you talk of judgment, God is serious. From 2004 when Okeke’s judgment started to 2012 December when he died it was eight years of grace. I am afraid of God. Do you know how many years, months, days, hours, minutes, seconds of grace that remain for you?. Listen, you will never know when it will happen. Jesus said when you hear His voice do not harden your heart.

The journey continued. Before we were separated from Okeke, Sister Uju my assistant was doing fine; she was very intelligent, full of wisdom, a woman that loved God. She had revelational knowledge of God. She was full of God’s gift, had a prophetic ministry. God was using her to expose the error of the goddess of the spirit of mother and child in the Catholic Church because she was once a member before she got born again. God used her to expose the spirit of Babylon. Listen brethren, when you are exposing or fighting Babylon, you must be careful and allow God to deal with your flesh and your weakness. Allow God to do away with Jezebelic character in your life. Babylon the great is so crafty that as you fight her, she studies you to know your weakness and what you like most. And after you have finished dealing with her, she strikes you with your weakness, tempting you with what you love most. The spirit of Babylon is the spirit of Satan, Church of God, let us know that as you are dealing or exposing Satan, he is there also looking for a chance to strike back because it is a battle. Satan cannot fold his hands and watch you destroy his kingdom. This calls for selfless life.

Our brother Apostle Paul recognized his weakness in his flesh, he cried, and asked the Lord to crush his weakness and the Lord gave him victory through sufficiency of grace. Honestly, right

now ask the spirit of God to expose and crush every weakness in you. Allow the Holy Spirit to work it out. Oh! my good God have mercy upon your ministers and the body of Christ. In 1 Kings 18 verse 40,

Elijah the prophet had an encounter with Jezebel when he executed all the prophets of baal ***“And Elijah said to them ‘Seize the prophets of baal do not let one of them escape so they seize them and Elijah brought them down to the brook kishon and executed them there’***. Then in chapter 19 verse 1 to 4 ***“And Ahab told Jezebel all that Elijah had done also how he had executed all the prophets with the sword Then Jezebel sent a message to Elijah saying ‘so let the gods do to me and more also if I do not make your life as the life of one of them by tomorrow about this time’ And when he saw that, he arose and ran for his life and went to Beersheba which belong to Judah, and left his servant there. But he himself went a day’s journey into the wilderness and came and sat down under a broom tree. And he prayed that he might die and said it is enough. Now Lord take my life for I am no better than my fathers.”***

This is very serious, I am very sure that in this generation, no prophet has ever performed such a great miracle like Elijah. If a prophet like Elijah could run away from Jezebel because of threat of life-fear of death (Elijah’s weakness). Then think of you that is fighting Babylon the great. What God called ‘Great’ is great. Remember Jezebel was an instrument, agent and daughter of Babylon the Great, Satan himself. Bible said in the book of Revelation chapter 13 verse 2 “that Satan has given his great authority, his throne, his power to the beast the Babylon”. Therefore Prophet Elijah fought the agents of Babylon and could not stand the threat of life because of fear of death. What of us that are called in these last days to expose and execute the beast that carry the woman of Babylon, the Anti-christ and the False Prophet? How many of us can stand the beast? May the Lord God Almighty open the eyes of all the armies of the Lord to understand this message, In Jesus’ name I pray. Amen.

My sister Uju had an encounter in marriage. It happened that a man married her despite all the prayers and revelations that came

that the brother would pull her away from the faith because the brother was a member of Catholic Church. After separation and deliverance from Babylon, she eventually went and married from where God had separated her. A lot of people told her that she was like dog that swallowed what it once vomited. A lot of people she preached about the deception of counting beads and worshipping mother goddess in catholic doctrine were making mockery of her but at this point, she had drunk the wine of Babylon's fornication (Revelation 17 verse 2).

All the disciples tried to call her senses back; it was in vain because she drank the wine of Babylon and wedded with her because of her weakness. (she desperately wanted to marry by all means. May be because of her age or because of the encounter she had in her first marriage). Honestly it is hard to do the will of God especially in marriage. Whenever, Satan sees that you desperately want something and you are waiting anxiously to hear from God fast, he always ministers deception to counterfeit God's will for you. Beware, Satan always speak faster. The disciples did not attend the marriage and since then she was on judgment and left the discipleship. Revelations were coming but at this time she could not understand.

When the presence of God leaves you, you may think that the Lord is still there because you will still be busy with some activities, but the truth is that the Lord is no more. Babylon is very wicked. This was how she swallowed the ministry of this great woman of God. On 24 January 2013 I had a revelation where it was a birthday party and many children were there. I saw sister Uju's son Uzochukwu and asked him about his mother. He told me that she was coming. As I wanted to go out, he was crying to follow me. I told him to wait for his mother, but he was still crying to follow me. Then the master of the ceremony called me and told me to take him home. So I took him. When we were going home the boy was so happy going with me.

When we reached my house and sat i down with him and my son Chibueze, Uzochukwu began to tell us the story of her mother. That her mother went to her boy friend. He told us how she used to

go to hotel with the man and they used to buy everything for him .How they kept him in the hotel reception and went inside and after doing everything they would go back. We asked him how long they did this and he said it had been long and her mother told him not to tell anybody. While we were discussing her mother Uju came back. She wore red cloth. She greeted us but noticed that her son had told us everything about her. She now said, "I have failed so much, it was condition that led me into this mess but it is good as Uzochukwu my son has told you everything about me because it is only you that I can run to and confess everything I did because I do not have peace again". She entered the room and wanted to cook and began to peel yam. I asked her about her baby because she had a new baby. She said that she handed her baby to a woman. I asked her of her husband. She said he had left her since and packed to a woman's house that their marriage was over. I asked her if the woman he ran into accepted him. She said yes. I remembered my revelation at the beginning of her marriage that the man came to destroy her and her ministry. That now she was coming back after so many years. As I was discussing with her in that revelation, I woke up.

Immediately I woke up, my phone rang. While I was talking on that phone my other phone rang, it was Sister Uju's number calling me from Nigeria. I could not pick up because I was already on line. When I dropped my line I called back. It was the sister of Uju's husband that picked my call and broke the sad news that sister Uju just died. Here my revelation became real to me. I understood the revelation immediately. I could not bear it. I told her husband that I will call him later and share the revelation I just had that morning about his wife. The Spirit of God gave me more understanding of the revelation. Uzochukwu (means the ways of the Lord) which is the high call of end-time discipleship ministry, God called her which represented Uju's ministry, the man that told me to take her son to my house was the Lord Jesus handing me over my sister's ministry back because she was my baby in the Lord. God brought her to me and we lived together in my house for many years with her son. We were like twin sisters in the Lord. Our living together was like where two angels stayed together.

We loved and understood each other, she had the same calling like me. Wherever we entered, the Lord's presence filled the whole house with His glory. Both of us were worshipers. I remembered how God brought us together miraculously. I remembered how she was before the Lord brought us together, and the spiritual level we attained, together because both of us were in my house during the judgment until marriage took her away. I am still crying for this my beloved twin sister of mine even as I write this book. I never knew as I was traveling out of the country that I will never set eyes on her again. God have mercy! Her son later gave me a run-down of how his mother Uju, ran her ministry on earth. According to him, his mother had a boy friend that always took her to a hotel. This means that my sister left the way of the Lord, the will of God, her ministry and walked away fornicating with Babylon. God gave us a ministry to work with him and not for him. God married Israel as a wife but Israel always left God and played harlots with other gods, even with God's enemy. God cried for Israel to return and stop harlotries.

Whenever you are out of God's will, you are playing harlotries and God hates it. What did they do in the hotel? Fornication! What is fornication? Revelation 17 verse 1 and 2 ***"Then one of the seven angels who had bowls came and talked with me saying to me come I will show you the judgment of the great harlot who sits on many waters with whom the kings of the earth committed fornication and the inhabitant of the earth were made drunk with the wine of her fornication"*** This verse of the bible interpreted the revelation, it shows that my sister fornicated with Babylon and she did not repent.

CHAPTER FIVE

MY SECOND JUDGMENT, A WAY TO THE GLORY

Honestly, brethren I never knew that I will come across this judgment. I give God all the glory. The Lord told me that my trials had begun. I had a revelation where I was on a journey in a big bus that was carrying many people. On reaching a place, the road separated into two and there was no way to continue the journey. We parked our bus and came down to see. I saw a lot of cars, lorries and buses parked and many people stranded on that way. Nobody could pass.

Then I saw the deepness of the pit in front of us, more than thirty feet, no one could take the risk to drive through the pit. But inside I heard a little voice saying, 'Uju you can make it, try'. I told the little voice that all these men there could not drive through, so how could I? I still kept quiet. We were moving around, the crowd was so much and every car that reached there stopped. I saw some people discussing, while some looked tired. When I saw that it was getting dark, I called all the people with me to come close. I told them I want to try if I could drive through this pit, that we cannot continue to stay there all night.

Immediately, I picked courage, entered the bus and began to drive through the pit. People were shouting and trying to discourage me but I kept on moving. I noticed that as I began to move there was no more fear in me but I was moving slowly until I saw myself inside the pit. Oh! my God, the front tyre and the bus front was down while the back was up. The way Holy Spirit brought the front tyre down and helped us out of the pit I could not explain. The people were amazed and was shouting "She has made it, she has made it, a woman has made it". I saw joy in my group and all of us were so

much happy that we shall continue our journey. We all entered our bus and moved forward. While we were singing victory songs, I woke up. God is still setting up the vision, the more we go the harder it becomes. When I was praying the Lord said that I am moving into trial period. God told me that all other vehicles that stopped on that road were ministries and churches that could not pass through encounters, trials, persecutions, hard times and judgment, that spiritually, their movement with Him has stopped for a long time. His glory had left them but they are carried away with the physical wealth and large crowds, even though they knew that He was no more with them. He said that religious spirit has carried them away and they do not understand spiritual things anymore. He said they have abandoned His will and followed their own will. God said that many ministries and churches have stopped in that road, they could not move forward, could not move back but moving round

He said, “Uju if you will walk with me, I will help you in any difficulty but complete obedience is what I need from you”. It was at this point, I understood that there was a difficult encounter I will pass through again which many could not. I began to ask for the grace of God. I was studying the word of God preparing for it, In less than four months, I had a revelation where there was a meritorious burial and I was involved in it, doing one thing or the other. I woke up. I began to ask the Lord who would die that would involve me. I knew It was somebody very close to me. As I kept on praying, about six weeks later, my elder brother called me on phone that my dad was seriously sick and was admitted in the hospital for surgery. Immediately I heard this news, I understood from my revelation of the burial that my dad would not survive the surgery. We prayed and tried all we could do but unfortunately he died. While we were preparing for the burial, I had a revelation where I opened up and was doing transparency in the midst of a crowd. When I woke up, I knew that God was preparing me for a very serious encounter in my village during my father's burial. My brethren, this was another high jump for me to stand in front of the entire families, villages, town and friends and all the guests to confess all my secret sins. Even In the presence of those men that I committed sex with because many of them were from my village and town. While some were friends

who would come for condolence visit. As the burial was drawing close, I was troubled thinking about my husband how he would feel, because our families, our friends, neighbors and relatives would join him for his father in-law's burial. Honestly, this was a very big examination for me. The Lord was watching me to see if I would fail Him even as others could not make it. I knew that this was a very big contest and final quest. It was here I understood fully my revelation of driving through the pit with a bus carrying many people. Here I saw those people I was carrying as those the Lord gave me to lead into eternity through this judgment and transparency message. The journey was a journey into eternity and it is only transparency that will lead us into eternity as there are obstacles on the way. Honestly, transparency and confession is the hardest thing I have ever seen in this world. The Lord said that what stops people at that level are pride, fear of man's opinion, and shame. Human beings always mind people's opinion more than God's.

I understood that thousands had failed at this level and that was what made those vehicles stop their journey. At the pit they could not cross the divided road because of what people would say “May be if I confess this sin openly, the whole congregation will run away, my husband or my wife will divorce me or hunger will kill me”. But they forget that church and marriage are for Jesus alone and not for them. Every day I was crying and praying for the grace of God because I don't want to fail God where others failed. Please pray for me my brethren. That same night of burial, little sleep caught me. I had a revelation where I saw my brother's wife bringing water in a bucket for me with soap and sponge and we were having bath together in an open place. A man was watching us but we neither cared nor became ashamed. I woke up and the Lord told me that having bath in an open place where people saw us, meant to open up (naked) my secret sins before the congregation without shame. He said that He knew the problem I was facing, fear of man and shame. He said I was troubling myself because I had not died to self but He was about taking me to the cross. He said that I must be selfless because I would carry the glory of God this last days. This word of the Lord opened my eyes so much. I understood fully well that my

problem was what people would say. Honestly, from here I made up my mind to face it and indeed I saw the grace of God around me. During the burial, I asked for a chance to speak and an opportunity was given to me.

I stood in front of families, villages, towns, friends and confessed all my hidden sins openly and there was a real revival in that burial for those in the Spirit. But my family members were cursing me saying, why should I come out and confess such openly? They tried to take the microphone from me, but I stood until I finished, prayed and led some people to Jesus. It was in that burial in the village that the Lord launched me out and people knew me as an end-time Evangelist. Many of us are hiding, and never want people to know us. Also we never know that charity begins at home even though they despise you. My brethren what I feared turned to be a blessing, people were congratulating me giving God glory. My husband that I was fearing most, was glorifying God for me, everybody was happy for me. People were telling me to move forward with this great ministry.

After I passed through this encounter, I had a revelation where I saw my family doctor bringing an aeroplane for me and was teaching me how to fly it. He said he would demonstrate before we start and while he was demonstrating it, I woke up. The Lord told me that this was a sign of spiritual upliftment and power. That when I drove the bus there was obstacles on the way but now he has given me an aeroplane to fly above many obstacles.

That he has giving me power above principalities and powers. The Lord said temptations, pains, trials and persecutions comes before glory. He took me to Matthew 4 verse 1-10 ***“Then Jesus was led up by the Spirit into wilderness to be tempted by the devil 2 And when He had fasted forty days and forty nights, afterward He was hungry 3 Now when the tempter came to Him he said “if you are the son of God command that these stones become bread 4 But He answered and said It is written man shall not live by bread alone but by every word that proceeds from the mouth of God. 5 Then the Devil took him up into the holy city set Him on the pinnacle of the temple 6 And said to Him if you are***

the son of God throw yourself down for it is written He shall give His angels charge over you and in their hands they shall bear you up lest you dash your foot against a stone. 7 Jesus said to him it is written again you shall not tempt the Lord your God. Again the Devil took Him up on an exceedingly high mountain and showed Him all the kingdom of the world and their glory 8 And he said to Him all these things I will give if you fall down and worship me 9 Then Jesus said to him away with you satan for it is written you shall worship the Lord your God and Him only you shall serve. 10 Then the devil left Him and behold angels came and ministered to Him.”

You can see that Jesus passed through trials and temptations and when He overcame the devil, the angels came and ministered to Him. This means, the glory comes after humiliation and trials. However after this, it became easy for me to share my transparency all over the whole world by the grace of God as the Lord leads me.

My brethren there are much falsehood in the world today. Even in the church, truth is lacking and it is a most serious lack, for it hinders God's movement and the second coming of our Lord Jesus. God cannot use anyone who claims to have changed and yet continues to practice falsehood in any area of his life. No one can truly practice truth in one area of his life while deliberately practicing lies and falsehood in another. NO! Falsehood and deception must be abandoned and completely do away with. And truth must be embraced with all our heart from the spirit to the soul and it will comes out to the body in our characters.

The journey continued, at this point the Lord was sending many disciples to me, and we started discipleship classes. When I shared my transparency in our discipleship class after my judgment, it seemed everybody was involved in the same type of life I lived. There was an uproar and cries burst everywhere. Many wanted to run away. A disciple said, “How can I tell my husband that his younger brother living with us is having sex with me. My husband will kill me”. Another said, ‘Uju you want to break my marriage, How can I tell my husband how I stole his money including the one I sent to my parents, I can't do this’. Another said, “It is not possible,

I have befriended my pastor for years and we did have sex and even did abortion, How will I stand before his wife, this will scatter the church". Another said, "I cannot count the abortion that I have done in my life". Another said, how could she open up, that she knew what killed her sister in-law. Another said how can she tell the husband that another man was responsible for her second baby. Infact, there was uncontrollable tears and fire of God was so much in the class. But after a while the Holy spirit took control and everybody calmed down. I began to address them reminding them how sister Rose died because many of them were new disciples who started with me after the former ministry was closed. I encouraged and told them when the fire came, they should not hesitate to open up. In fact what encouraged them was my judgment because everybody knew my husband as a tough man. I gave them all the word the Lord gave me we prayed and closed.

Before next week class, many of them ran to me and shared how the Lord gave them grace over their judgment at home. How their husbands, wives and parents forgave them and how their love increased, Some of them after they finished their transparency, their husbands also knelt down and also passed through their own judgment doing their own transparency. Hallelujah!!!. It was unbelievable and incredible. So, that day of our discipleship class was so glorious like heaven on earth. Everybody was happy as we shared our experiences and the Lord gave us so many revelations.

We worshiped the Lord much and His presence was everywhere. Hello my loved ones, you cannot understand until you pass through judgment. My darling as you are reading this book, I know that you have seen yourself where you fall into, now begin to ask for the grace of God to naked yourself. Honestly, if you want to be a partaker of this discipleship end time training, you must allow God to work on your heart. It is only our heart that God needs in this battle. My dear tell yourself the truth, you know that you are nowhere, now there is an opportunity to be somewhere. The answer is total transparency. Listen there is nothing that you have done in the secret that can never be opened. Surely it must be open. God told me that He has come with judgment to expose every hidden sin

covered.

The Lord broke me the day He took me to psalm 139 verse 1 to 13 ***"O Lord you have searched me and known me 2 You know my sitting down and my rising up you understand my thought afar off. 3 You comprehend my path and my lying down and are acquainted with all my ways 4 For there is not a word on my tongue, but behold O Lord you know it altogether. 5 You have hedged me behind and before and laid your hand upon me such knowledge is too wonderful for me. It is high, I cannot attain it 7 Where can I go from your spirit? Or where can I flee from your presence? 8 If I ascend into heaven, you are there if I make my bed in hell behold you are there 9 If I take the wings of the morning and dwell in the uttermost parts of the sea, 10 Even there your hand shall lead me and your right hand shall hold me. 11 If I say surely the darkness shall fall on me even the night shall be light about me. 12 Indeed the darkness shall not hide from you but the night shines as the day the darkness and the light are both alike to you 13 For you formed my inward parts you covered me in my mother's womb"***. In verse one, he said that the Lord searched him and know seven his sitting and rising up. Alas, it is time to open up. It is time to expose that secret and forsake it. Let us carefully study these verses.

1. The Lord searches you and I and knows us.
2. The Lord knows our sitting down and rising up.
3. The Lord comprehends our path and our lying down.
4. For there is not a word in our tongue, but behold the Lord knows it altogether.
5. Where can we hide from your Spirit? Or Where can we flee from your presence?
6. If we ascend into heaven you are there if we make our bed in hell behold you are there.
7. If we take wings of the morning and dwell in the uttermost parts of the sea even there your hand shall lead us and your right hand shall hold us.
8. Even the night shall be light about us indeed the darkness

shall not hide from you

9. For you formed our inward parts you covered us in our mother's womb.

Also Amos 9 verses 2 to 4 ***“Though they dig into hell from there my hand shall take them though they climb up to heaven from there I will bring them down. 3 Though they hide themselves on top of Carmel from there I will search and take them though they hide from my sight at the bottom of the sea from there I will command the serpent and it shall bite them 4 Though they go into captivity before their enemies from there I will command the sword and it shall slay them. I will set my eyes on them for harm and not for food”.***

Think about these verses, now be silent for a while you can see that whatever evil you committed in the secret, God saw them and have their records, no hiding place. God is everywhere watching and has records of everything we do. Now the only solution is to open up now you are still alive and God will wipe it out in your record book. But if you miss this golden opportunity of merciful judgment, the next place is final judgment after death when God will judge you and read your final verdict. At this point there is no language of mercy. My brethren, do you know that hidden sin hinders our prayers? I wonder how people flow in their prayer life with hidden sins. Whenever I commit any sin I lose my peace and the glory and I can never do anything with God until I confessed it out and repent. Honestly, it is only those who have put a radical stop to all the sin in their lives that can pray because prayer means communion between us and God. It is an overflow of a heart towards God. So if there is no communion, your prayer is unto yourself. It is practising religion. The Bible said that the prayer of a sinner is an abomination to God. In fact, the prayer of someone who has a hidden sin in his life is a temptation to God. It provokes God to anger. Relate it to people of Israel when they sinned against God. They became God's enemy and God will allow their enemies to swallow them. It will continue to be difficult for them until they repented and confessed their sins. Then God will relent. Listen, feel the shame here on earth, pass through it and catch the glory of

heaven.

I had a revelation where I saw the King of my town (His name THE SUN THAT BRIGHTENS THE WHOLE WORLD) and he called me into his office. When we entered he gave me a seat and told me he was coming. After a while, he took me into the penthouse of that building. When we climbed up he showed me the latest satellite dish which I can use to watch events all over the whole world. I could not see it totally because it was so big. He took me to his office where the control room was. He showed me how he used to turn it to four corners of the earth with remote control. While he was operating it, we were watching the events of the world. I marveled and asked him, “So your highness, you are watching everything going on earth?”. He said yes, that I have witnessed it on my own.

Honestly, I was terrified watching the events on earth where he set the dish, I saw people moving all over the part of the earth with their different activities, while I was watching, I woke up. The Lord said that He has given me a vision of transparency to tell the world about the transparency message. That He has mounted a satellite to expose and judge the sin of the whole world especially in the church. He said the Royal Highness was Jesus Himself the King of the universe while the satellite was His presence that He has mounted with judgment to judge the world as in the days of Noah. He said that Noah was saved by building the ark but our generation shall be saved by being judged and being as transparent as glass. According to Revelation 21 verse 21 ***“The twelve gates were twelve pearls each individual gate was of one pearl and the street of the city was pure gold like transparent glass”.***

CHAPTER SIX

A JOURNEY TO ETERNITY IS A BATTLE

Another tough level of the journey began. The Lord began to send me to the people I offended and those that offended me because of transparency. It started by revelation, I saw myself in my father's house where I gathered all my family members and knelt down before them and was crying pleading for forgiveness. I woke up. God told me to call all my family members and do total transparency to them and plead for forgiveness. I sent for my family meeting. So that day, we all gathered and I opened up and exposed a lot of things I hid in my heart against them and pleaded with them especially my parents and they forgave me.

After my family the Lord was sending me to different families and individuals I offended and those that offended me. This was the hardest but it was so glorious. Each place I went, I knelt down and did my transparency of what I did against that person. Before I could finish, the Spirit of God will arrest that person, he or she would also kneel down and say, "We are not God, do not kneel down for us we have forgiven you". Hello, my brethren repentance without transparency is incomplete. It cannot bear fruits.

I saw myself reconciling with people hard cases that if not God, it was impossible to settle. You see people opening up issues and wounds in their heart that has congealed for years and God was settling them. Oh! My great God, it is amazing! Where you think they would kill you, there the irresistible power of transparency would break their wings and bones and heart of forgiveness and love would flow. Tears would be running down people's eyes. My experience was wonderful everywhere I went. And many that had gotten their experiences were giving the same testimonies.

Hundreds of converted disciples were produced; one of them was involved in some one's death. After his transparency in the discipleship class, I asked him if he could trace that family, that he must visit them and do transparency to them. He said yes and after some prayers we sent him with his chapter mentor to the family of the dead person. He did transparency expecting that the family would kill him. But Jesus said that those who try to save their lives will lose it but those who lose their lives will save it. Honestly the family forgave him and they shared the word of God and the spirit of God moved so mightily. Another experience was a brother who took his uncle's wife to hotel and messed her up. He had a revelation where an old man met him and told him to confess to his uncle what he did with the wife. He refused. After some days the fire of judgment came on him, he ran to his uncle and did transparency. Instead of the uncle beating or killing him, he knelt down and confessed how he embezzled his money when he sent him to do some work for him. After some brokenness within themselves, they hugged each other and began to eat and drink. What a glory! There are many of them, time will not permit me to share more of them.

The most recent one that shocked me was during our discipleship general program at our headquarter, a sister from a chapter did transparency how she was playing prostitution for years and contacted HIV. She said that whenever she took in after six months the baby will be aborted but after her total transparency (because she was already two months pregnant) she carried the baby nine months and delivered. The baby was very strong and healthy after about a year the baby was tested and confirmed HIV negative. What a glory!

Another experience was a sister whose character was so bad. In fact, she was a terror to her family. It happened that she was pregnant and her due date had come to put to bed but no delivery. Revelation was coming that she must do transparency to her family members and reconcile with them, if not she would die in that pregnancy but she refused because she committed a lot against the family. When they called me on phone and told the whole stories because I was out of the country I told her that she must travel to

the village, be obedient and do what God told her to do.

It happened that there was a burial going on in their family. As we were talking on phone, when I got the information, I told her she must go to the village that evening immediately because the family members were around. That very early in the morning she should call a family meeting and start reconciliation. She was crying so much because she did not know how to face her family members. Listen, Satan can use people to commit an abomination that will be hard to reconcile. This lady did not know how to go about this total transparency but I told her that she had no choice unless she wanted to die in pregnancy. I sent her with her chapter mentor to the village.

By the time they called me on phone the next day, the testimony was that the whole family laid down on the ground with her crying and hearts were broken. Issues were coming out one by one until everybody poured out their heart. Oh! my great God, it was glorious when they were giving me the report on how they went. They could not express their joy. Many families saw what happened around and was asking them to visit their own families for such a reconciliation and family revival. When God is dealing with you He does not rest until He finished. We thought it was over, but the same night, God gave her a revelation to go to her in-law's family where she committed another abomination. When she called me, and after sharing the revelation, I told her to move immediately and be obedient and she left. You see, when God wants to chastise you, He does not look back. He is no respecter of persons.

Do you know what happened to this lady? On her way to complete the obedience, inside the public transport bus, she gave birth to a baby boy. They managed to get to a near by hospital to cut the cord, because there was no doctor or nurse to do the job inside the public transport. Do you know what? After delivering, the Lord still sent her to the assignment the next two days. She went to the in-law's family and it was such a wonderful experience. She was so strong and healthy with her baby. The glory of transparency is indescribable.

Another experience was a sister who was having sex with her uncle for so long. When she joined discipleship during her transparency she refused to confess it. Then after a long period, she had a revelation which led her to judgment and she opened up this abomination. It was so terrible. Imagine fornicating with her father's brother, this made her not to conceive. She was barren for almost twelve years. Then I sent her to the man's family to do the transparency, at the end of the whole journey the whole family was liberated from the curse.

She had a revelation that night that her uncle was abnormal but now has become normal. After this, things began to change in that family. The door of progress opened and the womb of this sister was opened. Now she is pregnant about to put to bed. God, to you be all the glory. My brethren, I fear that many professing Christians are fake like me when the Lord began to open up lies, deceit, falsehood, hypocrisy, pride and false humility that was hidden in my heart where the Holy Spirit was supposed to dwell. This makes me understand that we are at the eve of the Lord's return. Therefore I need to strive for holiness, without which no man shall see the Lord.

At this point in my life, nothing satisfies me or gives me comfort other than holiness. My heart's desire is that I will please God even though the whole world failed to do so. The Lord convicted me when He took me to Revelation 14:1-5 ***"Then I looked and behold a lamb standing on mount Zion and with him one hundred and forty four thousand having his father's name written on their foreheads 2 And I heard a voice from heaven, like the voice of many waters, and like the voice of loud thunder. And I heard the sound of harpists playing their harps. 3 They sang as it were a new song before the throne, before the four living creatures, and the elders, and no one could learn that song except the hundred and forty-four thousand who were redeemed from the earth. 4 These are the ones who were not defiled with the women, for they are virgins. These are the ones who follow the lamb wherever he goes; these were redeemed from among men being first-fruits to God and to the lamb. 5 And in their mouth was found no deceit for they are without fault***

CHAPTER SEVEN

MY TRANSPARENCY OF HEART JUDGMENT

1st Corinthians 4 vs 5

“Therefore judge nothing before the time, until the Lord comes, who will both bring to light the hidden things of darkness and reveal the counsels of the hearts, then each one’s praise will come from God”

The transparency of heart is the most difficult deliverance I have ever seen in my life. But it was so amazing and incredible. At this point if I had evil thought in my heart, God would exposed and judge me immediately. It would look as if I had already done it and I would be afraid. And I was wondering how God could get angry so much just because I thought evil even though I had not carried it out. For instance, there was a man who offended me so much in the business that my late husband kept for me, to the extent that I lost the business because he fought me by closing down the business. I began to suffer with my kids, so whenever I remembered the man, I felt angry and wished him dead because of the pains I was passing through with my children .

After sometime, I had a revelation where that man died. This revelation kept on coming and whenever I had it I asked God if He was revealing to me to ask Him to kill this man. My heart was very bitter about the man but I used to say with my mouth that I had forgiven him. Here my mouth was saying something different from what my heart was saying. Now finally, I had another revelation where the man died. I saw myself in his compound where he was buried with his wife in the same grave. I noticed that the grave was not deep, so I saw them clearly.

I looked at the man and shook my head and said, “I have forgiven you for all the evil you have done to me, let God forgive you also”. When I was saying that, I was thinking inside my heart, “So at last this man left everything and still died”. I never knew some people were there watching me. After I finished, another person also said he had forgiven him for increasing his house rent every time. While another person was saying he has forgiven him, I could not hear what the third person said because I was wondering in my heart that this man offended a lot of people.

I woke up. It was clear to me that I need to be transparent in this matter. Then I opened up and called for transparency in the ministry and forgave the man with my whole heart. Although I was trying to reach the man on phone because I was out of the country, I could not find his contact or his wife’s. But the whole truth is that my heart is so clean toward him still believing that if I have an opportunity to meet him again I will be so grateful to confront it, if Jesus tarries. Hello world, the coming of our Lord Jesus is so imminent, God is calling all mankind for total recreation of heart. The heart is so deceitful. You can’t know what is there. Honestly the book of Mark 11 verse 24 to 26 gave me a powerful key to overcome unforgiving spirit ***“Therefore I say to you whatever things you ask when you pray believe that you receive them and you will have them 25 And whenever you stand praying if you have anything against anyone, forgive him that your father in heaven may also forgive you your trespasses.26 But if you do not forgive neither will your father in heaven forgive your trespasses.***

Here I see the falsehood of unforgiving spirit in me. While I always said that I have forgiven, preached and taught people to forgive those that offended them but I did not practice what I taught them. That was why God judged me and revealed this man to me. Listen Pastors, Prophets, Teachers, Bishops, Apostles, Elders, Reverend, Pope etc, God will judge you for what you are preaching or teaching your members which you do not practice. It is easy to preach but hard to practice, God has come to judge such falsehood in the church.

The Lord said "Uju, I hate falsehood, there is too much

falsehood in my church'. He said that when the head cannot practice what he teaches to his flocks, how can the flock practice it because anointing flows from the head. He said that this is what leads the church into religious practice. He said when you teach and do not practice what you teach, you are practicing falsehood. I broke down in tears because I saw the level where God wants the church to reach but we are very far and the journey is too far.

I began to think of all the gathering of churches and ministries for fellowship and worship with such falsehood, from the head to the members. Because when you come to churches or ministries, even families you see fight, quarrel, keep malice and unforgiveness from the head to the members. Is there any falsehood you practice by not forgiving those that offended you? It does not matter what the person has done, it does not matter who the person is and does not matter whether he or she asked for forgiveness. It may be your husband, wife, children, parents, friends, pastors, neighbors, even your enemy. God demands that you should forgive. It is not just a matter of saying, "I have forgiven" like I did in the past while holding things in your heart against the person.

It was at this point I understand Psalm 139 verse 23 to 24 ***"Search me O God and know my heart try me and know my anxieties 24 And see if there is any wicked way in me and lead me in the way everlasting"***.

This is where surgery of the heart started in my life. God began to search my heart and I saw lust and quickly exposed it. It happened that I was having lust for one man of God but I did call it love of God but when the judgment came God exposed my lustful thought toward him .Oh! my God you can't hide it, because I noticed that I do think about him always, want to see him, and called him on phone all the time.

This is self-deception of heart which entered and such thoughts destroy the fellowship you have with God and make you guilty before God. In fact, the picture of my heart became clear and the Lord sent me to him for total transparency. The time I finished my transparency to him, Oh! my God! He opened up and judged himself. Immediately, he said he had been lusting after me but he

has not seen the opportunity of a hiding place to carry it out. It was here we exposed the enemy and became delivered.

Listen, transparency of heart means when you conceived something inside you and hid them, no human being can know it unless you voice it out. After that, the Lord searches out lying tongue, the judgment began. It happened that anywhere I told lie, God kept quiet but the next day He will send me back to the same place to tell the whole truth. My brethren it was very hard but glorious and fruitful because everywhere I went back to say the truth they will see me as a different person in this world. And they kept on asking me "will someone survive without lying?". And when I answered ' yes' and gave the word of God they understood but always said it is hard. I will tell them it is possible by His grace.

The Lord remembered my secret ambitions; I told people that I hated the world while I loved the world so much. I also loved money so whenever I went to minister, the Lord will tell me to expose myself and tell the congregation that I was worldly. He said that I should start telling people my real self and stop hiding, that is how I would be delivered. Then it happened that If I had a secret thought that I would not want to expose to anybody, God will judge me immediately and I will say it out. If I go to a place where I will not like any single person to know, when someone asked me where I went, the Spirit of God will move me to tell the truth. The Lord always judged me in the midst of disciples where they ask me questions and rebuke me .

He searched out exaggeration. I used to tell people that I was praying for them while I was not. God will ask me to tell the person that I have not prayed for him or her. Honestly, it became so difficult for me. Sometimes, I tell people I like or want something while inside me I do not want or like that. He searched out things I do or say in people's absence which I could not do it or say in their presence. He searches out promises I made to people even when I knew inside of me that I could not do it. I only said it to please them. He searched out how sometimes I said I did not know something while I knew it but wanted to hide it. He searched out that most times I heard something but if someone asked me I pretended as if I

have not heard it before.

He searched out most times when I was weak, people would like to talk to me or want me to pray for them, I will pretend to be sleeping while awake. He searched out how I told people that I did not have money in my account while I had some money. He searched out false hope and faith in me because most times because of what I passed through I kept on saying that I had hope and faith in God while inside, my hope and faith had gone. It was only lip service.

He searched out that sometimes I would be driving and someone needed a ride, and I would tell him or her that I was not going to his or her location while I was going the same place. Simply, because I did not want to give them a lift. He searched out my exaggeration, where I said things not the way it happened. He searched out my procrastination where I kept on shifting to the future what I ought to have done today or immediately. He searched out times in my house because ministers are always around if there was not much food to eat, I will eat inside my room and pretended that I had not tasted anything. He searched out fear. I knew most times I used to fear death. Inside me there were things I was supposed to write or say but out of fear I will stop, thinking that if I write this or say that people will kill me. He searched out pride where I placed myself higher than others.

As the search continued, it brought fear into my life because anything I do in the secret I must do the transparency. This made me to be cautious of my daily life and I began to avoid a lot of sins. I avoided going a lot of places and having a lot of discussions. My case with the Lord was that if I offend anyone, the Lord will send me to plead. If anyone offended me the Lord will send me to plead. So based on that I tried to caution myself, even at that I found out I could not avoid it. The humiliation was so much on me. People offended me and got free. I could not fight back, I could not even pray a dangerous prayer. If I tried it, I will have problem with God immediately. People took what belonged to me and abused me yet I could not even call in a lawyer into my case. If I tried it, I will enter into trouble with God. To please God is not always easy. Heaven is not easy. Any single sin I committed, the whole world will hear it, if

I refused to do the transparency, God would expose it to many people. The next thing people would be calling me, sharing the revelation they got about me and God will expose exactly what I did, which at this point I could not hide but opened up.

God told me in these last days that every army of the Lord must live a transparent life to enable us to face the end-time battle, be able to challenge the Anti-Christ, and also qualify to carry His coming glory. He said, "Uju, I will use you to raise a clean and a pure church that Christ will rapture". The Lord opened my eyes to the forbidden tree in the Garden of Eden. Genesis 2 verse 16 to 17 ***"And the Lord God commanded the man saying, 'of every tree of the garden you may freely eat 17 But of the tree of the knowledge of good and evil you shall not eat for in the day that you eat of it you shall surely die'"***

Here, the Lord from the beginning, made man not to know what is good or evil. He said He made man to be transparent like Him, that was why He did not cover man when He made him but totally naked. That is the reason a child coming into this world would be naked to show he did not come into the world with any hidden sin or coverage. As that child is naked, he does not know what is cloth or covering. That is the reason children do not know what is sin. They can be naked anywhere because they have nothing to cover or to hide.

They are innocent and transparent and don't even know that there is something to cover. Their heart is pure, no knowledge of evil nor knowledge of good. They are the way God made them and if they die, they go into heaven immediately. A child that does not know sin can be naked and have his bath anywhere but when they begin to know sin they begin to hide or cover. Listen to what God told Adam God said "Every tree of the garden you may freely eat but the tree of knowledge of good and evil you shall not eat for in the day that you eat of it you shall surely die". God did not want man to know what evil is because being all knowing God, He knew from the beginning that man cannot make it if he knew what is good and evil. God knew that it would be very difficult for man to open up his hidden sins, therefore he made man not to know sin.

Now let us see how difficult it became for man Genesis 3 verse 1-17 ***“Now the serpent was more cunning than any beast of the field which the Lord God had made. And he said to the woman, Has God indeed said you shall not eat of every tree of the garden? 2 And the woman said to the serpent we may eat the fruit of the trees of the garden 3 but of the fruit of the tree which is in the midst of the garden, God has said you shall not eat it nor shall you touch it lest you die 4 Then the serpent said to the woman you will not surely die 5 For God knows in the day you eat of it your eyes will be opened and you will be like God knowing good and evil 6 so when the woman saw that the tree was good for food that it was pleasant to the eyes and a tree desirable to make one wise she took of its fruit and ate she also gave to her husband with her and he ate 7 Then the eyes of both of them were opened and they knew that they were naked, and they sewed fig leaves together and made themselves coverings. 8 And they heard the sound of the Lord God walking in the garden in the cool of the day and Adam and his wife hid themselves from the presence of the Lord God among the trees of the garden. 9 Then the Lord God called to Adam and said to him “Where are you”? 10 So he said, “I heard your voice in the garden and I was afraid because I was naked and I hid myself” 11 And he said “Who told you that you were naked? Have you***

eaten from the tree of which I commanded you that you should not eat? 12

Then the man said “The woman whom you gave to be with me she gave me of the tree and I ate” 13 And the Lord God said the woman “What is this you have done?” The woman said the serpent deceived me and I ate. 14 So the Lord God said to the serpent because you have done this you are cursed more than all cattle and more than any beast of the field on your belly you shall eat dust all the days of your life 15 And I will put enmity between your seed and her seed he shall bruise your head and you shall bruise his heel” 16 To the woman he said I will greatly multiply your sorrow and your conception in pain you shall bring forth children, your desire shall be for your husband and he shall rule over you. 17 Then to Adam he said , “Because you have heeded the voice of your wife and have eaten from the tree of which I commanded you saying, you shall not eat of it “Cursed is the ground for your sake in toil you shall eat of it all the days of your life both thorns and thistles it shall bring forth for you and you shall eat the herb of the field”.

We have seen how difficult it became for man to open up. Eve's problem started in Genesis 3:3, when she lied that God said they should not touch the fruit but God said they should not eat the fruit of the tree(Genesis2:17). This opened the door for the serpent to get her so cheap. This was the beginning of the fall of Eve. She was not transparent to the serpent. The serpent being so cunning

asked the woman" Has God indeed said you shall not eat of every tree of the garden?". The serpent knew the word of God and quoted it to Eve. At this point the serpent held his ground and boldly deceived her in verse four and said "You shall not surely die". The serpent's assurance became real to Eve because she forgot the commandment of God and the serpent knew that.

He began to feed her with his own deception. In verse five, he opened the eyes of Eve and taught her the sin of disobedience, and satanic wisdom. "For God knows that the day you eat of it your eyes will open and you will be like God, knowing good and evil". Of course, the serpent spoke the truth because God made man in His image and man became like God. That is why God said he should not eat the fruit of the tree of knowledge of good and evil so that he will remain like God and not die.

Satan is very wicked, cunning and deceptive. Satan used the same commandment God gave Adam and Eve to destroy them. The word serpent used was "God knows if you eat the fruit your eyes will open and you will be like God". High ambition. What is the opening of eyes? Which type of eyes that will open for them to be like God? While God has already made them to be like Him.

Lying wonders of Satan! No wonder the bible called him the father of all lies. Here, man believed Satan, ate the fruit and died, no more to live forever because sin had come in. Man was not like God anymore, the covenant was broken because of sin. Sin is the only thing God cannot tolerate. It was here that man began to die, the age of man began to reduce, the more sin the more the age reduced on earth. Immediately, the lie of the serpent hooked Eve she believed the serpent and not God, just as the world is believing deceptions of false prophet instead of the word of God.

Verse 6 ***"So when the woman saw that the tree was good for food and that it was pleasant to the eyes, and desirable to make one wise she took and eat"***. When the woman saw the tree was good for food, remember that the spiritual meaning of food is the word of God, so the woman has been captured by Satan because of that word, "you will be like God". Could you imagine human beings wanting to be God? Pride had come in. The same pride Satan

the Lucifer used to fight God in heaven where he wanted to overthrow God before he was cast down. The same pride Lucifer also used to deceive and win one third of the host of heaven during his campaign to overthrow God. The same sin he lured Eve into, sin of pride and high ambition. When the woman ate the food, that is taking the word from the serpent, she said it was pleasant to the eyes. It means, "it will be good if I become like God, so that I will not be under God again but be equal and have my own kingdom where no one will control me and my husband". The tree is "desirable to make one wise". Here Eve was saying that God cheated her and gave her a little wisdom, now she wanted to be wiser but never knew that Satan out of jealousy wanted to destroy God's wisdom in her and give her corrupt wisdom and death. It is very unfortunate that God made man like Him with wisdom; man still said he wanted to be wise. Which wisdom?

God has made man in His image that is God's character. He was satisfied because He made man the way he should be but being all knowing, God knew there is another character, deception and lie which does not suit man which Satan has planted on earth. When God threw him down on earth, He issued a commandment not to eat the forbidden fruit. Now Satan was fighting God, he saw that God has made man like Him to worship Him forever. Satan now tempted man by telling him lie "that this character and commandment which God gave them was not suitable for them.

"He said" God has cheated you so much, he does not want you to be free and live your life the way you want it, God always wants to have dominion over everything, God have kept you in bondage, you need to be free and plan your way, live the way you want, have your own opinion and ideas, there is nothing like freedom as I have my freedom. I am not under God's prison. This was what God did to me in heaven but I said no, God you can't control me. I need to be on my own and God fought me and sent me down". And man accepted to be free and chose to live his life for himself like Satan. That is why it was a tree in the middle that is center where you stand and choose whether to go right or left. RIGHT- GOES TO GOD'S CONTROL = RIGHTEOUSNESS. LEFT- GOES TO SATAN'S CONTROL= SIN.

All these deception was just to send man away from the glorious garden. Eve said the tree is pleasant and desirable to make one wise and she ate. Now she had taken Satan's wisdom and dropped God's wisdom. Let us see what happened in the seventh verse 'both their eyes were opened and they knew that they were naked. Serpent was still there with them, he does not go until he finished his work. Here, the idea of the serpent, that is satanic wisdom which he has given to them came to them, 'they sewed fig leaves together and made themselves coverings instead of showing themselves naked unto God and seek forgiveness'".

Now this is where the covering of sin started, they were no more transparent or naked the way God created them. Serpent lured them into sin against God and also taught them to cover their sins. The serpent told them to use their wisdom to cover themselves, their nakedness and hide. This means to hide their sin that no one would see them and they did cover it with fig leaves but God saw them. In verse 8 "And they heard the sound of the Lord God walking in the garden in the cool of the day, Adam and his wife hid themselves from God's presence". Alas! sin is very deadly, dangerous, and poisonous. Could you imagine the glorious communion, relationship God was having with Adam and his wife Eve, every day in the cool of the day?

The Lord God as usual came down for evening fellowship to eat what Adam had prepared for Him, that is the evening worship and communion which was His food. But He could not find them because at this point, they could not make food for God because sin had come. God does not eat polluted food, He could not take the worship anymore as man had lost the communion and authority that connected them to God. The garden was defiled and God could not live with man forever in the garden that was defiled. God needed to build a new place. This was the reason God sent His only begotten Son Jesus to reconcile man back to God on earth. So that man could have access to God and receive back the authority. But never to live again with man forever in the garden that was defiled.

That was why when Jesus overcame the power of death, after three days, He resurrected and ascended to heaven to prepare

a new heaven that was not defiled. Where he will reign and live forever with those without sin and defilement. Confirm in the Revelation 14 verse 1 to 5 ***"Then I looked and behold a lamb standing on mount Zion and with one hundred and forty four thousand, having his father's name written on their foreheads. 2 And I heard a voice from heaven like the voice of many waters and like the voice of loud thunder. And I heard the sound of harpists playing their harps. 3 They sang as it were a new song before the throne before the four living creatures and the elders and no one could learn that song except the hundred and forty thousand who were redeemed from the earth. 4 These are the ones who were not defiled with women for they are virgins. These are the ones who follow the lamb wherever he goes. These were redeemed from among men being first fruit to God and to the Lamb. 5 And in their mouth was found no deceit for they are without fault before the throne of God"***

Now is the time of screening and selection, a time of trial and persecution. It is also a time of separation of those who want to live forever with God in the heaven. It is very difficult for us because we are right away living in a defiled world of Satan, where there are lots of battles and Satan does not give us space but fights us tooth and nail, just to make sure we lose focus on the battle and preparation of the coming new earth and heaven.

Satan is now using the things God created for man's use to trap him. And God who created all these things in this world has left it because it is defiled and he created a new and latest model of heaven. In Revelation 21 and 22, God told us not to be carried away anymore with those things He has made before in the garden for man that He God has created another new city or new garden magnificence and glorious than this physical earth. Remember that our Lord Jesus told us He has gone to prepare a place for us, so that is where He is, there we shall also be.

My brethren, I wept as I wrote this book because I saw how man lost God's relationship, fellowship, glory, authority, and blessing. It was at this point my heart broke. I asked the Lord for the grace of total transparency all the days of my life on earth, if I could

restore the full presence of God again on earth. It was here the Lord taught me the mystery of TRANSPARENCY. The Lord said living a transparent life is to remove the covering and hiding of Adam and Eve. Adam and his wife Eve sinned and covered it, then hid from God's presence because they knew that they could not withstand the glory of God.

Had it been they sinned and refused to cover it, and also refused to hide but lay on the ground with that nakedness and confessed to the Lord God saying 'Lord God of heaven, Oh great and awesome God, Holy and true God, the only God that created the whole creatures, you who keep your covenant and mercy with those who love you. Oh Lord righteousness belongs to you but to us shame of your face. Please let your ear be attentive and your eye open to hear the transparency of the abomination your servant has done. I have sinned against you with my wife, we have acted very corruptly and deceptively against you and have not kept your commandment, the statutes, nor the ordinances which you commanded your servant not to eat the fruit in the midst of the garden. We have done wickedly and rebelled against your judgment. I remember Lord God that you said if we eat the forbidden fruit we shall surely die. Lord God we have eaten the fruit and became naked we are ashamed of ourselves. Have mercy upon us, O God according to your loving kindness and multitude of your tender mercies. Our sins are before us and we have acknowledged our iniquity. We have done evil please, Lord hide your face from our sin and blot them out for you alone can do that Lord. Father all power belongs to you, you can clean us again, you can forgive us, you can restore us and give us a second chance. We promise we shall never be deceived by the serpent again".

If Adam and Eve had humbled and bowed down to God with such prayers, God would have given a solution to them and not curse. In verse 9 The Lord called Adam **"Where are you?"** Adam said, "I heard your voice in the garden and I was afraid because I was naked and I hid". At this point, I cried again because I saw when fear was born on earth, it was born because of sin. Fear was born because the glory had gone, it was born because authority was lost.

Let us see the mathematics. It was covering sin that brought fear into this world. Therefore my brethren, the only weapon to fight fear or overcome fear is living a total transparent life. Since the Lord revealed the mystery of transparency to me, I began to live a transparent life. I am no more afraid but bold. I am a witness to it. When you commit a sin and hide it you will be afraid of the person involved. Your heart will pound, whenever you see or remember the person. But when you confess it to the person involved, fear will leave you and you will have peace.

Oh! my God hidden sin is very dangerous, it can kill. In verse 11, the Lord asked Adam **"Who told you that you were naked? have you eaten from the tree of which I commanded you not to eat?"** Here was the only golden opportunity Adam had to answer 'yes my Lord my wife and I have done the abomination, you deserve to kill us. But please forgive us'. But Adam blamed God and said in verse 12 "it was the woman whom you gave to be with me, she gave me and I ate".

This means that if the Lord did not give him a woman to be with him, he would not have eaten the fruit. Therefore God was the one that foolishly caused this incident and not him. "You would have left me alone in the garden, after all, I never asked you for a helper, I was ok the way you made me until you brought this woman who has caused this evil. Anyway, that is your concern". In verse 13 And the Lord God said to the woman **"What is this you have done?"** Oh!! my God, my dear people of God irrespective of who you are, our heavenly Father is crying for your sin. Can't you see Him shedding tears asking you the same question "What is this you have done?"

This question is too emotional. I can feel the broken heart of the Lord God after He has finished the battle of Satan the Lucifer who polluted heaven and was cast down. The Lord God made a new garden and called it Eden. He made man in His image, and placed Him there and entered into rest. This is very painful and horrible. Instead the woman would judge herself and acknowledge her guilt.

But she gave excuse and said, 'Lord God I want you to know that it was not me that have done this but the serpent whom you kept to live with us in the garden that deceived me'. Bible said'

CHAPTER EIGHT

A TRANSPARENT HEART

A transparent heart is a heart that is burning with the glory of God. If you are a transparent person, you will always appear more brilliant and shine like a sun. You will always look young, bright, attractive and lovely. People will love, trust, and have confidence in you. You will always have peace and rest. Always feel free and not hiding from any person. You will be able to fight any battle and withstand the challenges of this earthly realm. You will be a true unity seeker and be walking in love, knowing that love is stronger than death.

Also love does not fear. You will walk in unconditional love which is the true love that bring forth unity. A transparent heart never grows cold in loving but keeps on loving even at the expense of his life. You will be humble and would not be finding faults in people's life. You will always see that the love our heavenly Father gave us is stronger than hatred and death. Your teaching and your message will be on the trust and love you have for God and truth and not about selfish interest.

If you are transparent, you will always endure His judgment. Honestly, to crown it all you will not fear death especially in these last days. God told me that it is only those who did not fear death will have the greatest message and power in this end-time because death is about to be release on the earth. Honestly when you see the way the whole world is spending trillion of dollars in making ammunitions and nuclear weapons getting ready for third world war which bible called the war of Armageddon, you will confirm that dooms day are here.

China and Russia are getting ready for third world war against America. Israel /America/UK are ready to attack Iran/China /Russia/ Pakistan/ Turkey. Up till now China refuses to back the

international security council's demand that Iran should suspend its nuclear program they are building for third world war (already preparing underground tunnels, bases, missiles, tanks, weapons, bombs, fighters aircraft and soldiers). Also every part of the world today is filled with terrorists. Satan is the 'original terrorist. Therefore anyone who is a terrorist is the seed of Satan. All these are caused by Satan who has taken man's conscience and given man a reprobate mind where human beings see fellow humans as animals. Of course, all these weapons and missiles were made to destroy human beings and not animals. There is too much hatred on earth.

Indeed, Satan is ruling this world. All the money wasted in ammunitions are enough to be used to take care of the poor ones in the society. Many wars, famines, plagues, pestilences, had come upon the earth in this century and more will be released. If you are a transparent person you will have a broken and contrite heart, your heart will know the horror of sin and hate it utterly. If you are a transparent person, you will be good in financial matters as you will give and refuse to receive back. If you are a transparent person, you will walk in truth and depend on the Holy Spirit .

The Bible said in John 15 :26- 27." **But when the counselor comes, whom I shall send to you from the father, even the spirit of truth, who proceeds from the father, he will bear witness to me and, you also are witness, because you have been with me from the beginning**". If you are transparent, you will never be obsessed with self or seeking recognition. If you are living a total transparent life, you will die to self in humility.

I had a revelation where I saw myself in a storey building. I looked down and saw many dead bodies; they were laid in mortuary waiting for their burial .A lady called my attention and said that those dead bodies would be buried one by one. As I was watching, she brought one out and threw it on the floor and kicked it, hit it many times and finally tied it in a sack bag. I was highly tensed up at the scene. I called the attention of some people around to watch the lady.

I noticed that despite every thing she did to that dead body,

it remained dead and calm. At this point, the lady said it was time for burial and called someone to carry it. She continued with another dead body. That was when I knew that the first dead body was a woman. As the person was carrying her for burial, the lady said, "That was the only woman that fought and overcame Satan". As I was watching she picked another dead body to deal with and I woke up. When I woke up, the Holy Spirit told me that I was that woman, that I should allow Him to deal with me. That it is only those who have died totally to self, that will carry the last days glory. He told me that those dead bodies are the end-time soldiers of Jesus Christ, the disciples. He is preparing for the battle between the truth and error.

But those who will carry the glory are as many that are humble, disciplined and selfless. He said that the hitting, throwing, and kicking the dead bodies and tying in the sack bag meant those who are sure of who they are and what they are doing, who stand the persecution, trials, encounters and pains that come on their life. But yet they stood to the end and determined not to lose their vision. He said taking them to their grave for burial meaning that they were tested and approved dead to self. Because despite everything that lady was doing to the dead body yet it remained dead and calm. At this point of interpretation, I began to cry because this revelation came when I was passing through hell. I understood clearly that God was taking me to a selfless life and only a selfless life will partake in this coming glory.

I began to glorify God for the grace, patience, humility, long-suffering, unconditional love, forgiveness, wisdom, hope, and faith He gave me throughout training of the journey of dying to self. I lost my husband, lost my son, my daddy, my elderly brother, my elderly sister, family rejected me, friends rejected me, neighbor's rejected me, even my mentor rejected me, my business collapsed, People took what belong to me, ridiculous experiences, In the society people called me nothing, making mockery of me. I was abused, simply because of truth and my refusal to compromise.

I survived by the truth and help of the Holy Spirit. Also I thank God for the power of revelation and transparency. I survived all these years with these four mysteries (1) the Holy Spirit, (2) the

Truth, (3) Transparency and (4) Revelation. Whenever I woke up, any revelation I had, the Holy Spirit will give me the interpretation. The presence of God and transparency is my weapon. This revelation of the dead bodies in a mortuary I shared came September 2012 but before then I had a revelation on July 2006.

I saw people gathered together to travel to the village for a burial. It was my cousin's mother's burial. We had to go first to the general hospital mortuary where they kept her dead body to pick her corpse earlier. When we reached the mortuary my cousins went inside, brought the corpse and dropped it on the floor without a coffin. We put it on top of a mattress ready to move but we asked my cousins to get a coffin that we couldn't travel all the way to village without the dead body inside a coffin. Now as they went to bring the coffin, the corpse changed to be my mother's corpse. It looked very fresh, she began to move her hands and legs. We were surprised. At a time, she rolled and fell on the ground. I shouted that she was opening her eyes, another person shouted and said that her eyes were blinking.

We were afraid for a while. She sat up looked around and lay down again. Imagine a dead body performing such act. When they brought the coffin, we put her inside and she was shaking the coffin. I was shouting, saying that she was not dead, "Can you people bury a living person?" I woke up. It was at the time of writing this book. The Holy Spirit reminded me and I remembered I had such a similar revelation.

Then I went through my revelation books and searched for it. It was July 3 /2006. I got this revelation at the beginning of my sorrow, a journey to die totally to self. When I saw this revelation I marveled because God just showed me then that I was still alive. That He needed to deal with me to be able to fight this last day battle and partake in the coming glory.

The Lord said "Your cousin's mother that turned out to be your mother means that the woman of Babylon in Revelation 17 verse 1 to end the mother of abomination of the earth, the harlot was still fully in charge in you with her worldly things, religious spirit, filthiness, fornication and seduction". This means that God

cannot live in me because this woman was still in me. It will take Almighty God time to crush her in my life before He takes full charge over me because two captains can never be in a ship. It must be her or God.

It was this revelation that ushered me into a total journey to selfless life. If you observe in this revelation, my mother's hands and legs were moving, she rolled and fell from the mattress, her eyes were blinking, she sat up looked around and lay down again. She was shaking the coffin and I was shouting 'How can you bury a living person? she is not dead but still alive'. I remembered how I cried so bitterly when I got this revelation in 2006, prayed and entered into a covenant with God, that whatever it will take God to crush this woman of Babylon in my life, I was ready and needed only His grace.

God gave this revelation to ask for my will before He begins the work. Immediately I gave my will, the journey started and it took seven good years to pass me through fire of dying to self, a journey to Galatians 2 :20. Yet I am still dying every day. A human being is hard to deal with. Thank God for Holy Ghost School where God disciplines us. In conclusion, the first revelation summarized the last one. I was still alive and you cannot bury a living person. While the second revelation confirms me dead and approved for burial. Listen, Jesus was confirmed dead, before He was buried in the tomb.

When they were hitting and ridiculing Him on the cross, He was still speaking until the soldiers confirmed Him dead then He was buried. We must die for Christ to live in us. God must confirm us dead before He will pour this last glory on us. If you are living a transparent life, there will be nothing hidden about you, your life will be so open that you will not have any secret again. The world will hate you as they hated our Lord Jesus. Jesus was transparent to the Jews in the temple when He challenged them and threw away thieves and told them that His Father's house is a house of prayer. Here there was a lot of priests in the synagogue who knew the truth but because of the fear of the Jews they could not speak. Then Jesus appeared as a weeping prophet, with transparent heart to speak and defend the truth to save man from sin. Man rejected him because of truth, crucified him in order to bury the truth. Thank

CHAPTER NINE

THE PRACTICE OF TRANSPARENCY

Ecclesiastes 3 vs 16-17

'Moreover I saw under the sun in the place of judgment wickedness was there and in the place of righteousness, iniquity was there, I said in my heart "God shall judge the righteous and the wicked for there is a time there for every purpose and for every work"

To practise a transparent life will take you the whole of your life without reserve. It is not something you practice half truth and deception. There is more deception among believers in the church and all over the whole world today in all aspects of life especially sexual life. I noticed that people do not call sexual sin anything, neither do they call it sin but fun.

About sin of homosexual, on June 29, 2014, Canadian gay group did rally openly before people on the street, after their church service in Toronto. The United States legalized gay marriage sometime in 2015 and some countries are also involved in this mess. Now listen to what will happen soon to the church. There is going to be shut down of all churches who do not support gay right in those countries who have legalized gay marriage. How will it happen? The law has already been passed by government, churches are under the government laws, therefore when a church refuses to wed gays in marriage, the law will be against the church, and the church will be sued and be closed down. This is because churches operate by government licensed, so if you refuse to wed gays in marriage, your licensed will be withdrawn, which will automatically close down the church. Now the law is against those Christians that refuse gay rights; of-course Islam is against gay right. Even the bible publishers were already warned to remove all verses in the bible written

against gay right in America. ABOMINATION!!! ABOMINATION!!! ABOMINATION!!!.

My brethren, the church has already been commanded by governmental laws of gay right to remove some verses against gay right from the bible. Church don't you see that you have almost lost the battle? The devil is making mockery of the church and has vowed to close it down. But instead of the devil messing up with the church, I suggest that all churches should be closed down, everyone to go back to God personally for reconciliation. Then God will speak and tell which way they should begin to go. The end is here, the great tribulation has just begun. When churches are closed down where shall the brethrens worship? This is a serious question? The answer is the Holy Ghost School. So enroll yourself now into this school and prepare yourself, your church, ministry, family and friends for this coming damnation.

Hello Christians, please send your children to school to study courses that will lead then into government offices especially being lawyers and judges; I suggest that brethren should enter politics just to be able to balance the up coming chaos against Christianity, because if brethren secure some good positions in government, for there are some issues and laws that will be forbidden.

For example, Australian president is a believer, he refused to legalized gay marriage. He said that gay right cannot exist in his regime until he is done. Brethren, we need to upgrade ourselves now before it is too late. Satan is busy positioning his agents everywhere against the body of Christ. Most times I do asked questions; why do all manner of abomination start from the church? Listen God will judge, He is coming with His wrath. You who feel that you can commit such evil, the wrath of God is coming in full measure.

One lady sent me a shot video of a man having sex with his dog, the little I set my eyes on it, I cried, my heart was bleeding, I could not sleep till day break, pondering in my heart how God will feel after seeing mankind to such high level of wickedness. Man having feelings, sex, love for animal, Oh!!! My God, the end is here. All this is because people do not have the fear of God anymore. Let

us see what the bible said against them Roman 1 verse 18 to 27 ***“For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who suppress the truth in unrighteousness ¹⁹ Because what may be known of God is manifest in them, for God has shown it to them. ²⁰ for since the creation of the world his invisible attributes are clearly seen, being understood by the things that are made even his eternal power and Godhead, so that they are without excuse ²¹ Because although they knew God, nor were thankful, but became futile in their thoughts and their foolish hearts were darkened, ²² professing to be wise they became fools ²³ and changed the glory of the incorruptible God into an image made like corruptible man and birds and four-footed animals and creeping things. ²⁴ Therefore, God also gave them up to uncleanness in the lusts of their hearts, to dishonor their bodies among themselves ²⁵ who exchanged the truth of God for lie, and worshiped and served the creature rather than the creator, who is blessed forever Amen. ²⁶ For this reason, God gave them-up to vile passions. For even their women exchanged the natural use for what is against nature. ²⁷ Likewise also the men leaving the natural use of the woman, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due”***.

They mess up their lives; as if they are the owners of it. There is no more shame and caution, even in the marriages. When I look at the way men and woman sell their bodies into sexual life, most times I feel, may be, they do not know the gravity of the sin. This is what Satan has done to teach man freedom, where he can live the way he wants without control.

Honestly, let us study those sexual deceptions. What is fornication? Fornication is the act of two unmarried people having sex. Adultery is the act of two married people pretending to be husband and wife, pretending that they are not married to their actual life partners. The answer is in Hebrew 13 verse 4 "Marriage is honorable among all and the bed undefiled, but fornicators and adulterers God will judge"

Are you committing adultery or fornication with anyone? Revelation 21 verse 8 *“But the cowardly unbelieving, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone, which is the second death”.*

You must stop the sin and the relationship. If not, you will still be falling into the same sin even when you are involved in God's work. Are you carrying out any kissing, caressing, fondling anyone? Listen whenever lust comes in, all these attitudes will begin. You may start with kissing and end in having sex and already lustful kissing is already adultery or fornication in the heart. And remember the Lord looks at the heart. It is an impure act.

Are you carrying out a relationship with someone of the opposite sex which you will be ashamed of if they show your picture in the television? This is deception, any relationship you keeping and hiding is falsehood. You must stop it, if you keep on hiding it, do you know that the Lord's cameras are busy all the time and your lifestyle will appear in the Lord's screen on the last day except you confessed it openly and forsook it before death. Are you having a sexual emotional attachment to someone who is not your husband or wife out of lust? Are you having a relationship with your partner and when you are having sex you will imagine another person in your heart, this is a high level of deception.

Are you committing fornication or adultery in your thought? Are you masturbating? Sometimes you release sperm on your body. Some men release sperm on themselves, some on the road, some inside public transport when their body touch a lady, some at their office, even in the church. What a disgrace. Are you the type of man that stains his pant with sperm on the road because of lust? There is a way out of this mess. Are you among those committing sex through internet?

Satan has projected sexual act into this world in this last days. Satan felt that having sexual act flesh to flesh is not enough for him to destroy this world. Now he added internet sex, where you see opposite sex committing sexual act through Skype and phones. My daughter told me that someone called her on Skype from

Europe, naked himself and was asking her for sex on Skype. When I heard this I cried and marveled at the wickedness of Satan, intending to destroy mankind with different types of abominations to sin against God and break God's heart.

Hello my beloved one, what is happening? There is a thick darkness all over the whole world, there is confusion, crisis, battles and shaking. We are really living in the darkest period of the end of this world. Pray for the grace of God upon your life. Without the presence of God, no one will survive this. Satan is very busy launching out his different kinds of filthiness and abomination on earth against mankind.

Dear children of God, we need to understand that we are in a battle field and it takes only the presence of God to fight and win this battle. Do you write a letter to someone or text message which you will not want anybody to read? This is deceit. Do you also have a special name, you call someone in the secret which you cannot call outside. It is falsehood. Listen, we are in the world of lies which Satan is the father and for you to be out of this deception you must be transparent to yourself and God. Do you embrace someone who is opposite sex in the secret, and in the public you cannot do it? Do you give gift to the opposite sex which you will not want your wife or your husband to know about?. This is abomination.

Some men will spend a huge amount of money on their girl friends but nothing for their wife, likewise some women never know that they will buy gift for their husband but focus on their male friends. God is not happy. Do you pay visit to someone you will like to hide from people? Do you give a word to someone that you love him or her while inside of you there is someone else you love. God will judge you.

You must be transparent. Is there anything about your past life, infection or sickness you have hidden from your partner and she or he is living in ignorance of it?. You must open up. Any relationship without total transparency will crumble. Open up today and our Lord Jesus will heal your marriage. Are you pretending to be a virgin before your marriage while you are not? Please stop it and tell your partner the truth.

Do you say or pretend that you do not like food while your name is gluttony?. This is falsehood, you must stop it. Do you invite people to come and eat even when in your heart you do not want them to eat? Do you tell people that they came after you have finished all the food in your house while there is some left. Please stop it.

Do you serve better food to your own children and serve other children something else? Do you secretly eat food, drink alcohol, smoke cigarette or marijuana that you do not want others to know about? Stop hiding, open up. This is also falsehood. Is there anyone you have not forgiven? Please forgive fast before it's too late.

Are you praying to men instead of to God? Do you pray so that man may see that you pray?. You are a hypocrite. Do you fear to have proper records of how much money you have or earn? Do you borrow some money from someone who later forgets the money or the amount and you take the advantage and pocket the money? This is stealing. Call the attention of the person and do the transparency even when you do not have the money to pay back. Do you buy things and add some money on top of the actual price? Or are you the type that does not return change? This is stealing. At your work place, when others are stealing, even your boss is involved; do you partake or isolate yourself from such sin?. My dear people of God, for you to partake in this second coming of our Lord Jesus Christ and also partake in this battle of the last days, you must be as transparent as glass. There must be no dent on you.

God sent me to a very serious program in the United States of America. It was really a battle which the Lord gave me victory. On my way back, inside the aircraft, United Emirate Airline is good in serving anything you want, before we boarded, I ate in the airport. So I was not feeling much hungry but began to order wine and other stuffs and was hiding them inside my bag. Also I collected some from the crew, when they shared things, I collect and put them into my bag. After a while, I slept off and had a revelation where we were in an aircraft. It happened that if you needed food, you will get up, move to the front and collect your food. So when I got up to collect

some food, one of the cabin crew called my attention. He said my clothe were stained with blood and when I looked back my clothe were a mess stained with blood. It was pure white clothe that I was wearing.

I was ashamed to walk down to the wash room and clean up. But walking down to the wash room became a battle field, the enemies were many coming to swallow me by causing a plane crash. I saw the principalities from the United States which God used me to destroy launch the attack to finish me. I saw my father raging in anger and wanting to slaughter me with an axe, he was angry telling me how I messed up the program he sent me. I was running, pleading for mercy and with that shock, I woke up.

Honestly, immediately I understood the revelation, that I got the blood stain from the stuff I stole from those cabin crew and packed inside my bag. This created openings in my life that gave those principalities opportunity to launch attack on me. That moment, I knew it called for transparency. The white cloth I put on meant purity but got stained when sin entered, which gave Satan way to attack me. My father there was the Lord Jesus who was very angry with me and wanted to kill me with ax before the enemy because of the stain, until I asked for God's mercy and ran away.

The Bible said that we are like a tree and any tree that does not bear good fruit must be cut down. So the Lord wanted to cut me down by Himself. Many people have died, while some got serious attack; some even ended their ministry on the way after doing some spiritual warfare because they gave chance for sin to enter their lives and the enemy struck.

I saw the Lord's anger, instead the enemy will kill me with the plane crash and waste other people's lives and take glory, let him(God) kill me first. Could you imagine my brethren just a little thing, biscuit, wine, chocolate wanted to take my life to hell because it was meant to eat and take nothing away which they shared in the aircraft. But I was involved in collecting extra stuff in my hand bag . Listen you must be serious and hate sin.

Some little sins like this have taken millions to hell fire. Finally, as I said the only solution is total transparency. I walked

toward the cabin crew, called one of them and told her about all I had stolen and packed inside my bag. Oh! my good God. She looked at me, shook her head and said, 'Never mind I have forgiven you but do not do it again'. As I wanted to pack the stuff and return it to her, she said I should forget it. At that moment, I got my peace. Because I was terrified with the revelation thinking that the plane crash would happen. My brethren, I am talking of living a life without stain.

It is only those who live their life without stain that will carry the glory of these last days and overcome the wiles of Satan in this battle. Can you imagine how little wine, biscuit, chocolate I stole created opening and got me stained? I would have gone to my grave and hell through the plane crash or experience God's judgment. My dear think about this and judge your life in all manner of sins you have been committing. Are you asking God to do something you do not believe that He will do? That means your prayer is without faith. Mark 11: 24 said ***"whatever things you ask when you pray believe that you receive them and you will have them"***. So praying without faith is sin.

Do you waste God's time in your calling because of the things of the world? Are you a Delilah, wasting and killing your husband's ministry and other's ministry? Repent today and God will forgive you. Do you stand in the way of the people who want to serve God with their heart? God will judge you. Do you wait on God to receive His plan for you before you carry any assignment? Are you the type that uses God's money to solve your personal problem? This is stealing you must stop it. If there is no money in the church or in the ministry, can't you survive? Go back to the church or the ministry and do total transparency to the congregation about all God's money you have embezzled and ask for forgiveness. Of course, you may not have to pay back if they forgive you. Our God in heaven will also forgive you.

Bear the shame here on earth rather than to face the judgment of God. Listen, in Genesis 20, Abimelech did transparency to Abraham over his wife Sarah he took and restored her back to him. And also paid him double with livestock after his transparency

and Abraham prayed for Abimelech, his wife and female servants who did not bear children because of sin and they bore children. You can't mess someone's life and go free. If you damage someone's life with lies and false accusations, you must go to the person and do transparency and ask for forgiveness.

This life is to be lived carefully. Those who speak carelessly against fellow human beings and hurt his or her souls, those who deceitfully take things from someone and think that God did not see them. When you become born again and say, "When someone is in Christ Jesus, ... old things has passed away and all things has become new". Listen, if you forget all those abomination you did, those you offended did they forget?

You pastors, ministers, workers and church members having sex with innocent children God gave you, go back to the church in the midst of congregation and do total transparency. Let them judge you now you are alive than to face the wrath of God after death. Do you preach to people that kingdom of God is bread and butter?

Please go back and tell them the whole truth about God's kingdom, tell them our Lord Jesus said that it is through trials and persecutions, we shall enter His kingdom. Tell people the truth, do not fear that your members will run away. It is better to save them by truth than to destroy them with deceptions. Do you tell people that God said something just to trap them? When He did not say anything? Please go back and tell them that God did not say so and free yourself. It is falsehood.

Do you pretend to look spiritual by always keeping quiet in the midst of people or in the church, whereas outside you are a scorpion? This is deception (religious spirit). Come out the way you are let your character be exposed so that God will heal you. Have you gossiped with someone's name? Go back with transparency to the person, he will forgive you. Do you imitate the gift of someone speaking in tongues? Many churches today teach people how to speak in tongues, Abomination! It comes by the Holy Ghost, when you are ripe you will receive it. If you want to be transparent, sin should be called by its name.

Do you collect money from people in the guise you are praying or preaching to them? Please call those people now and ask them for forgiveness. If possible return the money immediately so that the Lord's anger will not come down on you. Do you give account of God's money every month or every year? Who is in charge of the Lord's money in your church or ministry? Is it your wife or your husband or your children or your brother or your sister or your girl friend or your member that dance to your tunes? Birds of a feather!

A day of accountability is coming, you will tell God how you ran the vision he gave you. Go back to the congregation and do total transparency of all the fund raising you did in your church or ministry or any other place you were invited. That agreement you made with those pastors to give you some percentage after raising the funds. Go back and return that money and ask for forgiveness.

My assistant in the ministry was good in embezzling God's money both tithe and thanksgiving at a time revelation began to come, God began to expose her yet she refused to stop until judgment came on her and she almost died. But thank God for the power of transparency, she was withdrawn from her position by God for some time until after some months she was restored. When she came back after her judgment, she testified how God showed her the consequence of abomination of embezzling God's money. The Lord charged her to pay some money back out of the whole amount she had embezzled.

At this point she opened up and told us how she used God's money to feed her family, give her children, spend it anyhow, even lavishing it unnecessary, which resulted that you hardly see money in their chapter because of the way she used to spend the money. But since she removed her hands from the Lord's bag, money flowed enough to run that chapter of the ministry. And the Lord began to sustain her, gave her a car, free house, trained her children in universities, and lots more. So this woman of God has been on reproach and cursed because of God's money she embezzled. When she repented, the Lord took control over her life and her family. Ministers, Pastors, Prophets, Evangelists, Teachers, Pope, Reverends, Bishops, Elders, and Workers, remove your hands from

the Lord's bag. Can you allow the Lord to sustain you? Please remove your head from the curse and judgment. Allow God to use His money to run His church as in the time of the apostles. Acts chapter 4 verse 32 to 36 ***"Now the multitude of those who believed were of one heart and one soul neither did anyone say that any of the things he possessed was his own but they had all things in common. 33 And with great power the apostles gave witness to the resurrection of the Lord Jesus and great grace was upon them all 34 Nor was there anyone among them who lacked for all who were possessors of lands or houses sold them and brought the proceeds of the things that were sold 35 And laid them at the apostles feet and they distributed to each as anyone had need 36 And Josses who was also named Barnabas by the apostles which is translated son of encouragement a Levite of the country of Cyprus 37 Having land sold it and brought the money and laid it at the apostles feet"***.

Why are we lacking today in the church? We lack because some men of God are looting the money that comes into the church of God because they took the church as their personal business, buying expensive suits, shoes, cars, private jets, houses, spending the money on their children, wives, men and women friends traveling abroad lodging in expensive hotels. Their children studying in abroad, building schools, spending on their girl friends, spending the money according to their wish without God's plan while there are lots of need in the church.

Babylon has done a lot of abominations, she has blinded the church with religion. The church of God is not meant to lack, if we can allow God to use His money to supply to His children according to their need. Honestly everybody will be happy in the Lord's service and the church will have peace.

Now I know the reason why God's presence has left the church and God is training disciples for the coming of the last great battle. The army will be holy, even as He is holy. God will remove those who are not circumcised in heart and the church leaders who do not uphold the Lord's righteousness. We are in this condition owing to lack of training, equipping, and vision. Irrespective of ever

CHAPTER TEN

THE MYSTERY OF TRANSPARENCY

REV. 21:9-21

“Then one of the seven angels who had the seven bowls filled with the seven last plague came to me and talked with me saying “Come, I will show you the bride, the Lamb’s wife. And he carried me away in the spirit to a great and high mountain and showed me the great city, the holy Jerusalem, descending out of heaven from God having the glory of God. Her light was like a most precious stone like a jasper stone clear as crystal. Also she had a great and high wall with twelve gates and twelve angels at the gates and names written on them which are the names of the twelve tribes of the children of Israel. Three gates on the east, three gates on the north, three gates on the south, three gates on the west. Now the wall of the city had twelve foundation and on them were the names of the twelve apostle of the Lamb. And he who talked with me had a gold reed to measure the city its gates and its wall. The city is laid out as a square its length is as great as its breadth and he measured the city with the reed twelve thousand furlongs its length, breadth, and height are equal. Then he measured its wall one hundred and forty four cubits according to the measure of a man that is of an angel. The foundations of the wall of the city were adored with all kinds of precious stones the first foundation was jasper, the second sapphire, the third chalcedony, the fourth emerald the fifth sandonyx, the sixth sardius, the seventh chrysolite, the eighth beryle, the ninth topaz, the tenth chrysoprase, the eleventh jacinth, the twelfth amethyst. The twelve gates were twelve pearls each individual gate was of one pearl and the street of the city was pure gold

like transparent grass”.

What is transparency? Transparency is the last vision on earth in our generation to save mankind from the judgment of God that has come upon the church and the whole world. As in the days of Noah, when God gave him the vision of building the ark which was to save mankind from the judgment of God -- the flood. The Ark was the vision but whosoever did not enter the Ark was destroyed by the flood.

Transparency is the vision and our own ark and whosoever that did not pass through judgment and confess his or her secret sin openly before man and live a transparent life will be destroyed by the Lord's wrath. Transparency is a way out of God's wrath or judgment. Transparency means judging yourself while you are alive to enable you escape God's coming judgment and to clean and prepare you for the Lord's coming wedding.

And as in the days of Nineveh, when God sent Jonah with a judgment message that forty days Nineveh shall be destroyed. According to the revelation I shared earlier in page 4 about the invisible three men who were about to kill anyone who refused to confess his or her secret sins openly. I explained how judgment came and killed as many as their time expired. We saw in Ezekiel 9 verse one to end, how it will be. And also my revelation of the high tension wire which people stepped into and died, where I was shouting and calling people's attention, but no one listened. Jesus said as in the days of Noah, so shall it be in the days of the Son of man.

Transparency is spiritual bathing , where we wash out all the dirtiness and filthiness that defile us to enable us to stand before the Lord. When you see yourself bathing in the spirit, vomiting, defecating or sweeping, it means there is dirtiness in you that need to be washed out. Transparency is the only way of reconciliation to God and man. Before you do transparency, you must know and accept that you are on judgment. It is the fire of judgment that will lead you into transparency.

It is the only way one can escape hell fire. Transparency means exposing and judging Babylon for all the evil she has used you

to sin against your God. The Bible said in Revelation 18 verse 3 to 6 ***"For all the nations have drunk of the wine of the wrath of her fornication the kings of the earth have committed fornication with her and the merchants of the earth have become rich through the abundance of her luxury. And I heard another voice from heaven saying come out of her my people lest you share in her sins and lest you received her plagues, for her sins have reached to heaven and God has remembered her iniquities. Render to her just as she rendered to you and repay her double according to her works, in the cup which she has mixed, mix double for her"***.

You have seen that God is ready here to use you to render back to Babylon all the abomination and filthiness she has used you to sin against God. It is an everlasting vision God has laid for his new bride the church according to the revelation I had where I saw many kings coming out from a palace, each one in a King's attire with crown on their head, I noticed that each one also carried sand and shovel with other building material. They were all prepared coming out but they were many, later the main king that was very old like ancient man, came in a different attire and crown. He stood very close to me, I asked him to render me a help which I can't remember what I asked. While I was watching them with great joy and I said glory! They came to lay a new foundation, is like they bought a land in this city.

So the old king by my side told me that what I needed was a Retel cellphone line. But this was different from what I asked him, so he knows the best thing to give me not what I asked for. He said that they were going but when he returned, he will give me the cell line and connect me. I was very happy, I saw two harlots by me telling stories, showing their bums to distract me from the king's conversations, but I was alert and refused to be seduced but still watching the kings because their group was great and magnificence. As I woke up the Lord told me that the old king was Jesus Christ as king of all kings while the other kings were the hosts of heaven he came down with to lay a new foundation of his new bride, he will rapture. The Retel cell line he promised to give me is

direct connection with God which gives me access to commune direct to God; which also was greater than silver and gold. Those harlots were worldly pursuit to push me off from God's communion. He said that the new foundation was a transparent church. So transparency is a new foundation God laid to build, equip, wash, clean, empower and prepare his bride for his coming wedding.

Babylon is very wicked, She will make you commit sin that you will never want to confess openly before man. I passed through hell since God gave me this vision of transparency and as I began to teach and practice it. I had a revelation in 2005 where I saw myself in a building with my sister Chinwe inside the house. At a stage I heard my name and as I looked, it was Satan the Lucifer with his fallen angels before me. In anger he asked me three questions (1) "Why are you forcing people to confess their secret sins openly?" (2) "Who gave you this vision?" I said it was the Lord Jesus Christ. (3) He asked again "Where did the vision come from?". I responded again, from the Lord Jesus Christ! He became very angry and said that, I have destroyed all he has built for ages, and because I have done this to him, he raised up a bunch of keys and said that I will suffer in this world. That he has locked everywhere that he will never surrender the keys. With anger he turned and left with his fallen angels and I woke up. That was the beginning of my sufferings and pains.

After this I had another revelation where I signed a lottery and won. But they refused to give me my prize, until one day I met the chairman of the lottery. He told me to sign again. I said, "How can I sign again while you seized the prize I won". He convinced me and I signed again and won the second time. While we were discussing I asked him, 'Can I see who won the lottery?' He opened it, lo and behold it was the eagle I signed that won the lottery yet they gave it to someone else. While I was crying, I woke up.

Immediately I understand that indeed that I was highly favored but the enemies are diverting my favor, blessing, and connections, that it takes only the grace of God for me to survive and stand the heat to the end. Because I knew that I was going to suffer, my brethren, since then till today, even as I write this book, I

am still crying in pain of what I am going through in my family and ministry. It was even worse with other disciples but I thank God for His grace upon me. I count it all joy that I suffer because of truth. The glorious thing is that how we survived and ran the ministry we did not know. Many of us our children could not go to school because of school fees. There was no money to buy a portion of land where we could meet, not to talk more of building a hall for our discipleship gathering. We used a shovel to dig a latrine for people. Also we used poly-bag and sewed it together to secure coverings where people can have their baths.

There was no money for evangelism because we were into evangelizing the gospel of the end-time to the whole world. Sometimes our buses would spoil and there would be no money to repair them. Many occasions, there was no money to buy gas for those buses. Many pregnant mothers among us had no food to eat, let alone go to the hospital to have their babies. But God raised for us a nurse who is a disciple through whom God used to give those women safe delivery like Hebrew women. The ministry was suffering and we never knew what favor was. Most of the times some of the members fell sick. But after prayers, God healed them instantly. Because we had no money for drugs, we became the object of mockery in the society. There was no amount of prayers we did not offer still things remained as it was but God was encouraging us through a lot of revelations. There was a high level of grace, understanding, boldness, love, unity and transparency. Even at this, if you saw any disciple, he or she will look so big and nourished as people in king's palace.

One day God opened my eye to Luke chapter 4 verse 5-7 ***Then the devil taking him up on a high mountain showed him all the kingdoms of the world in a moment of time. 6 And the devil said to him "All this authority I will give you and their glory for this has been delivered to me and I give it to whomever I wish. 7 Therefore, if you will worship before me, all will be yours"***.

This test came to Jesus at the beginning of His ministry but He chose to pass through the hardest time, houseless and childless. He answered Satan and said in verse 8 ***"And Jesus answered and***

said to him Get behind me Satan for it is written you shall worship the Lord your God and him only you shall serve"

Jesus made a public show of Satan and showed him that He could survive without food, shelter, wife, children, family, car(which was horse in their own time). Even Jesus borrowed a horse when He was going to Jerusalem as a king. Even He could not afford money during the time of Caesar to pay tax.

They were held to ransom owing to tax until He sent and got money in fish belly to bail them from government of Caesar. Once, Jesus cursed the fig tree because of hunger. I saw the pains Jesus passed through when He cursed the fig tree because of hunger. The Lord said to me, "as I told Satan to get behind me, I also told every worldly thing and glory to get behind me, that was my secret". I asked the Lord to give me that kind of grace. It was not easy, several times I decided to drop from faith, but when I looked at the crowd that followed me, I would not see a chance to do it.

On many occasions, I cursed God and said all sorts of things with my mouth but when I got myself, I would be restored and the journey continued. The last encounter I had with tears, I told God that I curse and regret the day He called me. When I got myself I renounced it and reconciled with God and moved forward. Whenever we have discipleship program, you see people with the love of Jesus. Some sleep on the floor, some inside their cars, some on the chair, because we have only a building given to us by a very faithful, wonderful family who loved God so deeply.

My brethren, I mean that I never received a gift from people, no one remembered me. There was nothing like favor in my life. The glorious thing in this battle was that God was very close to me. He never allowed Satan to destroy my life. The level of battle I saw myself, if not that God hid me beside the cross of Calvary, the enemy would have eaten me raw. God showed me how close and how He protected me with His presence.

I had a revelation where I was with my father in his business place. As the business was moving and we were busy, at a time I noticed the presence of the man of sin, Lucifer around. He was moving up and down everywhere in front of our business premises. I

began to watch him. I noticed that he wanted to come inside my father's business plaza but if he tried to put his head, he will draw back again and go. After a while, he will come back but my father was very serious in his business, he never looked at Satan.

This continued until I saw how the man of sin was struggling to touch me. Then I noticed that I was his target but the presence of my father could not allow him. He kept on trying. At a stage I heard him say, "I am interested in this woman. I want to reach her but the presence of this man (God) will not allow me". He was frustrated, speaking with high voice while going away. I woke up. When I woke up, I understood the revelation .

This revelation encouraged me that I have achieved the highest, incredible presence of Almighty God in my life and ministry which is greater than silver and gold. My father there was the Lord Jesus while His business is the ministry work He sent me to do on earth. It was here I fully understood the anger of Satan upon my life. Here the Lord revealed the mystery of transparency to me. He said that Satan is a secret man and man of sin. It is secret sin that he uses to cage the world and put them in bondage that when they commit sin they would hide it. And never own up until the person dies with the hidden sin and enters hell.

This has made millions of Christians even pastors to find themselves in hell. But if we begin to live a transparent life, hell fire will be depopulated. Now you can see why Satan is mad looking for my life, make things terribly hard because transparency message is depopulating hell fire.

Listen there are five things Satan is using to hinder you from total transparency 1. FEAR OF HUMILIATION 2. FEAR OF SHAME 3. FEAR OF LOSING RESPECT 4. FEAR OF LOSING FAME OR GLORY 5. FEAR OF GOSSIP, THAT IS WHAT PEOPLE WILL SAY. But remember all these things end in this world, you do not need them in heaven. My dear, avoid vain glory in this world, it will take you nowhere. Listen, if the world has not gossiped with your name that means you are a compromiser. People must talk, therefore, allow them to talk but focus on truth, move forward and save your soul and others. When people humiliate you allow God to exalt you.

My dear, bear the shame on earth and be glorified in heaven where Jesus will wipe away sorrows and pains from us. Open up and expose Satan, the more you expose him the more he lets you go.

For example, if you have stolen God's money, confess it in front of the church service. Own up to the congregation. If you can bear the shame, honestly the pain, tension, people's reactions and shock you passed through before owning up will make you if you see God's money again you will never touch it.

Because if you take the money again you will still come out to the congregation and confess. So when you remember the humiliation, shame and congregation's reaction, you can't touch God's money again. If you are a fornicator or you are fornicating with your members in the church the only way to stop it is total transparency. By the time you expose yourself in front of the congregation, the reactions from the congregation will never allow you to fall into the sin again.

Transparency is the ultimate but the hardest thing I have ever seen. It was the transparent life that carried me through for six years of young widowhood. Temptations were coming from men even pastors but when I remembered that if I fall into fornication the whole world will hear it, even the name of the person I fornicated with. Because in transparency, you must mention the name of the person involved.

This keeps me moving. It is here that I understand the great grace God has given us to overcome sin but we do not care, because there is no more fear of God in the church and in the society. No wonder bible said "work out your salvation with fear and trembling". If we are working out our salvation with fear and trembling, there must be fear of breaking God's law. Watch in the society today and in the church, there is no more fear of God. Whatever they think or feel they carry out without any remorse. But remember, a day of accountability is coming when everybody will give account of every abomination done. Know today that all the records are well kept by the Lord Jesus.

Many are already on the line giving their account in judgment seat but it is unfortunate they can't come back to amend

their ways . One day will be your turn to give account in the same judgment seat. Therefore, whatever you want to do with God, do it right away not before it is late. Everything you have stolen, please return it to the owner. If you cannot afford it again, call the person for transparency. Every secret god or charm you are using to deceive people, in the church or society throw them away.

Let us see the transparency life in acts of Apostle chapter 19 from verse 11-19 ***“Now God worked unusual miracles by the hands of Paul, so that even handkerchiefs or aprons were brought from his body to the sick, and the diseases left them and the evil spirits went out of them. Then some of the itinerant Jewish exorcists took it upon themselves to call the name of the Lord Jesus over those who had evil spirits, saying, We exorcize you by the Jesus whom Paul preaches. And there were seven sons of Sceva, a Jewish chief priest who did so. And the evil spirit answered and said Jesus I know, and Paul I know, but who are you? Then the man in whom the evil spirit was leaped on them, overpowered them and prevailed against them, so that they fled out of that house naked and wounded. This became known both to all Jews and Greeks dwelling in Ephesus, and fear fell on them all, and the name of the Lord Jesus was magnified. And many who had believed came confessing and telling their deeds. And many of those who had practiced magic brought their books together and burned them in the sight of all. And they counted up the value of them and it total fifty thousand pieces of silver”***.

Here you can see the power of transparency, in the days of Apostles, judgment always came before transparency. The power of God visited them through apostle Paul, the glory of God came down for the testimonies of the word of God so that the Jews and Greeks would repent but they made mockery of God's name and judgment hit them openly, exposed and naked them before the world.

And this brought fear on them. Many came out openly and confessed their sins. Many magicians in transparency brought their magic books openly before the congregation without shame and burned them to ashes. My brethren pray for the judgment of God to

hit you, when it comes, there will be no room for shame. You can see that when the judgment hit the Jews and the Greeks there was no room for shame because they saw the presence of God. Listen judgment means God's presence. Pray for the presence of God, when God's presence hits you, every secret sin will be exposed. You can't wait for anybody to tell you to expose them. Transparency is the only way to avoid sin. All those Jews and Greek men and women who judged themselves openly and confessed their sin and burned their magic books before men, could never go back to practice magic again. Because people have witnessed their open transparency and known their evil ways, so no one could come to them again.

The earlier you expose yourself openly, the chances you have to drop that sin. If Annanias and Sapphira had done transparency in their own time, they would not have died. My brethren there is no mercy in hell fire, if you ask for it, it is impossible, you can't get it. It is only on earth you can ask for mercy and have it as many times as you want. What is that you have done in the secret, you need to do transparency before man? Do it now before it is too late. What are the people's belongings you hold and need to return? Return them now and ask for forgiveness. If you have offended someone or someone offended you, forgive now before it is too late.

Romans 2 verse 15 and 16 ***“who show the work of the law written in their heart, their conscience also bearing witness and between themselves their thoughts accusing or else excusing them in the day when God will judge the secret of men by Jesus Christ according to my gospel”*** This verse is telling us about the day of accountability. Listen in this world you can cover your secret sins but in the judgment day, you will never. If you do not do the transparency of your secret sins and expose yourself now before men on earth, wait you must do it right away after death in the day of accountability.

When you die, where would you spend your eternity? The video of your life on earth would be set before you to watch. I want you to know today that after death everybody becomes equal.

There would be no special seats or lines but everybody would be on the same line to answer for his or her life, be it Pastor, Pope, Bishop, Evangelist, Prophet, President, Senator, Governor, big and small, poor and rich. All these positions and titles end here.

Listen, there will be no chance for you to give reasons and blame to your pastor or pope who did not tell you the truth, or say because you are rich they did not preach Jesus to you or that it was a woman, man, friends etc that deceived you. You cannot blame your parent who **introduced you to a pagan church where they worship images and count beads.** Or you did not know how or where to pay your tithe, or it was because of poverty that you became a witch, wizard or ritualist to make money or say that you became an armed robber or a prostitute because of hardship.

If you are a man of God but refuse to tell people the truth you will pay for it. Listen there will be no chance to give any kind of reasons, if there is anything that will take you to hell do away with it now. Hell is where worm will be eating you and fire burning you forever. My lovely brothers and sisters, God is a God of mercy and love, also a consuming fire.

Luke 12 verse 5 says ***"But I will show you whom you should fear, fear him who after he has killed has power to cast into hell yes I say to you fear him"*** Ask God today to restore His fear in your life. NOTE; After death or rapture there is a place called the City of glory, before you enter it, you must be clean, you must be as transparent as pure glass. There is no unclean thing that will enter there. Let us see the testimony of Jesus to His church in Revelation 22 verse 12 to end ***"And behold I am coming quickly and my reward is with me to give to every one according to his work. I am the Alpha and Omega, the Beginning and End, the First and the Last". Blessed are those who do His commandment that they may have the right to the tree of life and may enter through the gates into the city. But outside are dogs and sorcerers and sexually immoral and murderers and idolaters and whoever loves and practices a lie. "I Jesus have sent my angels to testify to you these things in the churches I am the root and the Offspring of David the Bright and Morning Star."*** And the spirit

and the bride say "Come" and let him who thirsts Come whoever desires let him take the water of life freely. For I testify to everyone who hears the words of the prophecy of this book if anyone adds to these things God will add to the plagues that are written in this book. And if anyone takes away from the words of the book of this prophecy God shall take away his part from the book of life from the holy city and from the things which are written in this book. He who testify to these things says Surely I am coming quickly AMEN. Even so come Lord Jesus. The grace of our Lord Jesus Christ be with you all AMEN.

The testimony is sure and very clear in verse 14. We have seen that blessed are those who keep the commandment of God that they would have right to the tree of life and enter through the gates into the city of glory. My brethren honestly now that we are alive we have 100% chance to enter into this city of glory. The Bible said "strive to enter", therefore strive that you may enter.

CHAPTER ELEVEN

TRANSPARENCY THE POWER TO INFLUENCE THE WORLD

There are forces of darkness fighting against believers, against their faith in Christianity in the cities, villages, towns, countries, nations, offices, business places, schools, even in the churches, but God has kept a standard we must reach before He intervenes. God knows that darkness will arise all over the places and He promised us power of the latter rain in Joel 2 . When will God release this power? It will be done before the great day of the Lord, but God is still searching in our generation forerunners like John the Baptist, Nehemiah etc, those who will preach and expose Babylon(REVELATION 18) without fear and give the message of reconciliation. Jesus is not coming for a defeated church, we need to move for the harvest.

Church, there is a harvest coming all over the whole world, the type which have not taken place from creation and it is the final harvest before Christ returns. My brethren will you join the army of the Lord for this coming harvest of the Lord as the Holy Spirit did it 2000 years ago. It is going to happen again but before that there will be a heavy judgment in the church to separate the goat from the sheep through Holy Ghost school. My brethren pray that Almighty God will raise remnants, forerunners, and prophets that will open the gate and lift up the banner of righteousness for the nations.

Church, what can we offer to influence the world? During 19 40s, there was a movement called new age with many world leaders. A lady called Alice Bailey wrote a book called the plan. Alice said that a spirit visited her and told her what to write. Alice's plan was to liberate the world from Christianity and Judaism, her mission was how do we disciple the whole nations away from

Christianity, how to influence the whole world and change the nation. The spirit gave her some points of what the nation shall do and be the best. Some are:-

- (1) Take bible away from schools
- (2) Take away prayer from schools
- (3) keep children far from God until the age 18
- (4) Promote sexual pleasure, make it glorious to children, let children take sex as the best life
- (5) Let children have freedom to stop all the commandment of God, so that next generation will grow without Christianity standard
- (6) Let make abortion legal, accessible, with little limitation
- (7) Use media and make it deity with movies
- (8) Force the church to give up their God's laws and accept government laws.

She said if the new age adopts this, in the next 50 years, we shall have a new world. She said "leave the adult and face their children and in the next 50 years we shall have a new world and these children now are the leaders of the world today who have finally change the whole world to live without God's laws". We can see how government took over Christianity which was made to rule the world. Before, schools were controlled and managed by Christianity, but today government took over and removed God's laws and prayers from school, government forbade God's laws, reading bible, and prayers at offices. Teachers should not discipline children and teach them God's law until 18 years when they have grown wings without control. Legalize abortion without conscience forgetting that they are killing human beings. We have seen how media has corrupted the world with all kind of evil, sexual films, homosexuality, lesbianism, artificial penis, vagina, breast, demonic dance, movies and music by celebrities, demonic seductive fashions, fads and cultures.

When I studied the new age movement, I saw the satanic deceptive voice in the high order in the life of this woman Alice. Satan always mark God very closely looking for an avenue to take

over from God. Lucifer has used this lady who called herself a prophetess as he used Nimrod with corrupt wisdom to keep man far from God. A world without God's commandment, status, laws, and His judgment, can it survive? NO!! NO!! NO!! Bible said in the beginning God created heaven and earth, how can we think we can remove God from the earth He created? Let us remember Noah's generation that had once done such thing and God wiped out that generation with flood. Sodom and Gomorrah also tried it and God also wiped them out with brimstone. Even children of Israel tried it and God told Moses to allow Him to wipe the people out in the wilderness and form a new generation with Moses.

Hello world! Do we think we can do the same and go free? Absolutely NO!. God is the same yesterday, today, and forever, the God of the old is still God of today, let us run away from His wrath. Church, Alice influenced the world with her evil plan, what can we do to influence the world, change it, disciple them, and bring them back to God as in the beginning? The answer is here, IRRESISTIBLE POWER OF TRANSPARENCY. If you can join this last days army of the lord in this new move of God called Holy Ghost School, judge yourself and begin to live a transparent life then we shall change the world through the power of the Holy Spirit and holiness.

Transparency is a vision of living your life without fault and deceit. It also means coming up to the highest matured obedience to the will of God according to book of Revelation 14 verse 1 to 5. Transparency is all about repentance, reconciliation, forgiveness, humility, love and holiness. It is act of being done with evil, repenting and climbing the level of reconciliation, act of reconciling with people you offended or those that offended you. The next step is act of forgiving those who offended you, and those you offended by opening of the hearts with brokenness, the next height is the act of humility which total forgiveness that will draw you to that great height. Acts of love comes from a humble heart, without humility, you cannot practice love, finally act of love magnets you into holiness because love conquers all. Let's see Colossians 3 verse 12 to 16

“therefore as the elect of God, holy and beloved, put on tender

mercies, kindness, humility, meekness, longsuffering 13 bearing with one another and forgiving one another, if anyone has a complaint against another, even as Christ forgave you, so you also must do 14 But above all these things put on love which is the bond of perfection. 15 And let the peace of God rule in your hearts, to which also you were called in one body and be thankful 16 let the word of Christ dwell in you richly in all wisdom, teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord”

Power of transparency in the bible, Genesis 50 verse 17 to 21 ***Thus you shall say to Joseph “I beg you, please forgive the trespass of your brothers and their sin for they did evil to you. Now please forgive the trespass of the servants of the God of your father” and Joseph wept when they spoke to him 18 Then his brothers also wept and fell down before his face and they said behold we are your servants. 19 Joseph said to them “Do not be afraid for am I in the place of God? 20 But as for you, you meant evil against me but God meant it for good in order to bring it about as it is this day, to save many people alive 21 Now therefore, do not be afraid I will provide for you and your little ones” and he comforted them and spoke kindly to them.***

We have seen how judgment hit Jacob's family and how the entire family passed through transparency of the evil they did against their brother Joseph. To be transparent, you must open up secret sin to be able to heal wounds. Immediately the family had opened up their abominations against Joseph, the man of God Joseph cried out his heart by remembering the incidence, how they sold him, all of them cried out in pains, the family was crying for evil they did against their brother. At this moment the Spirit of God is around for repentance, reconciliation, brokenness, humility and love. YOU CAN SEE AT THE END HOW JOSEPH PROMISED THEM NOT TO BE AFRAID THAT HE WILL PROVIDE AND TAKE CARE OF THEM AND THEIR LITTLE ONES. THIS IS ACT OF TRANSPARENCY WHICH RESULT IS LOVE.

If I carried this message of truth to my family and influenced

them, you yourself also influence your own family. Then gradually families, friends, neighbors, villagers, towns, cities, churches, schools, offices, and nations will be attracted and influenced to change. What we need is to plan how it will work out, make it a mandate by the help of the Holy Spirit. A group of religious people in Russia separated themselves from the people and traveled to a far distance where they could not communicate with humanity to avoid sin and pollution in the city of Siberia. Their leader was a man they thought Jesus called Syrian. They said that they are no more of the world because of corruptions and evil. They had their own world inside the thick forest, they had their own plan of how they were surviving.

The members said that they had peace of mind in that forest. They have a secret mountain where they gather for prayers, with rules that guided them. They said that when you hear the bell ringing; you had to stand still from whatever you are doing for blessing from their teacher. They called their leader teacher, this movement started in the early 90s and now they have more than five thousand members. They have their circle symbol sign that shows the union of membership. They put on white gown before ascending the mountain holding candle in their hands. Their leader they think to be Jesus have many apostles. The leader said that he came to that area just for salvation of mankind. The man claims to be the modern Christ. He practices a lot of religious act, only vegetarian food was allowed there. Many people from America, Bulgaria, Italy, the United Kingdom, Cuba, Belgium and other parts of the world belong to this group.

Satan is so crafty that he always appears deceptively to hold mankind to ransom. This is pure occultism, and you can see it was easy for man to practice occultism, but when you draw man to the real truth about Jesus and his holiness, it becomes difficult. Oh! Holy Spirit of God please, we need You to come and save our generation from the lies of Satan the man of sin. There are thousands of religious occultic practice all over the world. It pains me that they call it church in the name of God deceiving mankind. Let us see the voice of John in 2nd John Chapter 1 verse 2-8

“Because of the truth which abides in us and will be with us forever, 3 grace, mercy and peace will be with you from God the father and from the Lord Christ the son of the father in truth and love 4 I rejoiced greatly that I have found some of your children walking in truth as we received commandment from the father 5 And now I plead with you lady, not as though I write a new commandment to you but that which we have had from the beginning that we love one another 6 this is love that we walk according to His commandments this is the commandment that as you have heard from the beginning you should walk in it 7 For many deceivers have gone out into the world who do not confess Jesus Christ as coming in the flesh. This is a deceiver and an anti-Christ. 8 look to yourselves that we do not lose those things we worked for but that we may receive a full reward”.

Let us see what God tells us in Deuteronomy 6 vs 4 to 9 ***“Hear, O Israel the Lord God the Lord is one 5 you shall love the Lord your God with all your heart, with all your soul, and with all your strength 6 And these words which I commanded you today shall be in your heart 7 you shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up 8 you shall bind them as a sign on your hand and they shall be as frontlets between your eyes 9 you shall write them on the door posts of your house and on your gates”***

God from the beginning has set up strategies how to reach his people. How many strategies here?

- (1) Love the Lord your God with all your heart, with all your soul, with all your strength.
- (2) All His word shall be in your heart.
- (3) Teach your children diligently, talk to them when you sit in your house, when you walk by the way, when you lie down, and when you rise up.
- (4) Bind His word as a sign on your hand to be as frontlets between your eyes.
- (5) Write them on the doorposts of your house and on your gates.

God wants great intimacy with mankind. You can see how He ties us up with Himself, He wants man to have all things about Him, honestly looking into the Lord's strategy for man, we haven't met up to 1%. Our Lord Jesus understands the fact that God simply wants Him to die for mankind. It was not easy for Him but He fulfilled it and received His glory, when He said ***"Father glorify your Son"***. Let us stop playing church, but return to our family as the Lord said ***"teach diligently to your children."***

Christians, teach your family the ways of the Lord, let them suck it as a baby sucks breast. Muslims teach their little children to hate Christians and Jews and they grow with that hatred. Let us teach our children the word of God and let them grow with it. In the next 40 years, there will be a great change world-wide if we start today, if evil can influence the world, what of the Word of the Almighty God?"

My brethren, no wonder the Bible said that even the elect shall be deceived, this is indeed a great controversy between truth and deception, between Christ and Satan. As I said earlier, everything is about plan and strategy. If the church of Jesus will first be one, a house divided cannot stand, then we shall set up a strategy on how we shall influence the world with a great change, turn people back to their Creator starting with our family.

- (1) Set up a transparent life standard in your house.
- (2) Enter into family covenant with God.
- (3) Make morning or evening devotion a mandate in your house.
- (4) Follow up family revelations from God.
- (5) Build a family altar and kindle the fire always
- (6) Family camping compulsory
- (7) Study the Bible in each gathering
- (8) Equal love at home
- (9) Always give daily account of your life
- (10) Make your house the Lord's place

IRRESISTIBLE POWER OF TRANSPARENCY

Honestly, transparency is the most powerful weapon to trap and hold God completely. It is the only weapon that scares Satan most. Transparency is a long rope that pulls us to heaven. It is the act of cleanliness, in fact, it simply means cleansing and bathing from dirt(sin). The Bible said that cleanliness is next to Godliness. Spiritual maturity is when you don't mind what people said about you. I believe one of the greatest strength a Christian can have is to be transparent. Transparency magnets the presence of God. One of the greatest successful wealthy king on earth was David, the only man after God's heart because he was transparent. David understood the complete meaning of cleanliness from sin. He prayed on Psalm 51 ***"Cleanse me from my sin, for I acknowledge my transgressions, and my sin is always before me"***.

Honestly, I did not know how people manage to sit on top of sin and it does not irritate them. God loved David so much because sin irritated him. David prayed and said ***"Hide your face from my sin and blot out all my iniquity"***. He is still asking for cleansing knowing that it was only the cleansing can return God back to his life. He is asking for total bathing. He asked ***"create in me a clean heart O!! God and renew a steadfast spirit within me, and do not cast me away from your presence"*** here is the most powerful transparency that David did, he knew that God had left him, so he confess it out saying, create in me a clean heart and do not cast me away. David knew that he had an evil heart that leads him to kill, I mean he is very transparent, by the way, what can we hide from God.

David prayed ***"do not take your holy spirit from me"***. He understand that when sin enters, the holy spirit departs. Church of Jesus Christ can we sit on top of sin and be asking God for revival? Finally, David blew out his total transparency ***"Deliver me from the guilt of bloodshed, O!! Lord"***. My brethren, what are we hiding? If someone like king David can expose himself, what of you? He understood God's principle that God does not accept sacrifice, he cried ***"for you do not desire sacrifice or else I would give it, you do not delight in burnt offering, the sacrifice of God are a broken spirit, a broken spirit and a contrite heart, these O!!"***

God, you will not despise”.

Transparency comes from the heart, it is not what you will be forced to. There are some issues in our life that do not need sacrifice but only transparency will settle the matter. Many people carry their mess on them, wandering from church to church, praying all manner of prayers for years, while they only need transparency to break out like David. David understood that if he did not cleanse himself from the mess, here is the end of his kingdom because he knew that when you sin, God depart from you, the enemy took over and destroy you. He even understood that God cannot receive any offering from him that is why he never try to appease God with offering and tithe.

I had a revelation where one man called Emmanuel entered my house and began to pack all the dirt on the floor. He used a piece of cloth to clean and pack all the dirt. As he was going out of the door, he said it required transparency. Then I replied, “Yes , I know it remains transparency”. When he left, I woke up. Before the revelation, my husband provoked me, so I was very angry with him and so made decision and sealed it in my heart. When I woke up, i understood immediately that God wanted me to purge my heart with transparency by venting my anger and reconcile with my husband immediately or else he would depart from me- which was while the Emmanuel entered my house, packed all the dirt on my floor before he left. Then I called my husband and did the transparency and we settled.

God is so loving and merciful, He love our cordial relationship so much. He is ready all the time to cleans us. People think that when they sin and pay huge tithe, offering, render services so that God will consider them. If it was so, David would killed one million bulls for God to wipe his sin. Lets stop deceiving ourselves. Transparency can deliver, cleanse, break out yokes and bondages, heal all manner of sickness both spiritual, reconcile marriages, friends and relatives, It makes you bold and fearless, gives peace and joy, can bless, can save, and rebuild. With transparency you will go to battle and appear victorious.

Finally transparency is a medicine. Sometimes, people see themselves taking medication in a dream which they will go ahead

buying all manner of medicine yet the problem continued. Please my brethren, try transparency and you will be marveled, with great amazement and healing.

Hezekiah looked like he was so sick and tired of the corruption done in the temple by the former regime. So he embarked on a thorough clean up.

He instructed the priests about what they should do to purify the temple.

Many churches and ministry are defiled by the pastors, pope, priest, bishop, but they refused to clean it up because of their ego. The first two things Hezekiah did was to: (1) open the doors of the temple, (2) repair them before the clean-up drive started. The priests were to consecrate themselves first before they could consecrate the temple and remove all defilement from the sanctuary. Hezekiah admitted that the temple had "defilement." no cover-ups, At the end God healed them.

Satan knows that God has nothing to do with sin(dirt) so he causes us to commit sin we cannot open up to confess in order to cage us and we remain far from God. Almighty God has given our generation a vision that will save us which is transparency.

For example if we decided to be living a transparent life in our family and take it as a mandate to our children it will begin to yield fruits. From the family we carry it to schools, offices, churches, neighbors, friends and everywhere. For example I have started with my family; my children know the power of transparency. I am trying to turn my generation to a new transparent age. I am into deep covenant with God that my generation shall serve him in truth and spirit, and I am working on it seriously by God's grace. Even though it is a battle, but with God all things are possible. If we can begin with these growing kids, the future leaders, they can influence the world with holiness. If Alice with her new age movement can corrupt the world with such evil plan, we can equally change the world with discipline and holiness through the power of the Holy Spirit that helped the early church.

CHAPTER TWELVE

THE DEATH OF THE CHURCH NEHEMIAH

2 Verse 3 to 5

“And said the king” may the king live forever why should my face not be sad, when the city, the place of my fathers tombs lie waste and its gates are burned with fire? 4 Then the king said to me what do you request? So I prayed to so God of heaven 5 and I said to the king” if it pleases the king and if your servant has found favour in your sight, I ask that you send me to Judah to the city of my fathers’ tombs, that I may rebuild it”.

I had a revelation where thousands of people were gathered in a very big stadium for an event .It happened that an announcement was made that there would be a race of two aircrafts. We saw the two aircrafts one: was bigger than the other . Two of them were set for the race. The commentator said that whoever would move first and come back first would win the golden cup set as the prize. I saw the two captains in white uniform dressed like air force men. I noticed that the small aircraft color was Nigeria's country flag color, Green white Green.

I said within myself that the small one is representing my country because of the color while the big one's color was red. Immediately, those pilots came out, and entered the planes, there was a gun shot and the race started. I noticed that the big aircraft moved with speed that we could not see it again, while the small one moved gently. The crowd was clapping for the big one and making mockery of the small one until we could not see both of them again.

After a while, I noticed that some people began to go

because we waited for the aircraft's to return but neither of them arrived.

Some people were still waiting but I decided to reach home. I left for my house to arrange things before returning to the stadium. On reaching my house, the cloud became dark, a sign of impending rainfall. Before I could pack my clothes which I spread outside, the rain had started with a great thunder. It rained heavily and I thought the world would collapse. Along the line, I heard a heavy noise very close to my house that shook the whole buildings around. I looked towards the window, lo and behold it was the big red aircraft that crashed and burnt into pieces. I was shouting, 'This is the judgment of God. This is the judgment of God' I shouted and ran down stairs back to the stadium and broke the news of the red plane's crash. While I was breaking the news, there was silence everywhere because of the shock. I noticed that people did not expect that news.

It was very disappointing .While I was watching the small green, white green plane came slowly into the stadium. While it was landing, there was an announcement that the winner of the race was coming. People began to clap, there was celebration. When the captain came out, he shook his head. The moderator called the winning captain and handed over a golden cup. The announcement of the winner was so magnificent. Oh! my God, my joy was great that the small plane that moved last became the winner. While the celebration continued, I woke up.

The Lord began to speak to me. He said that the stadium was the whole world while the crowd was the church. He said that the big red air craft is this present church that is dead because they divorced Him as their husband and married Babylon. (religion) He said that the red color is the sign of His judgment and danger in the church while the heavy rainfall is the heavy judgment that will hit the church. This will result in final crash, the end of this Babylon ,the ugly church in Revelation 18 .While the small green and white air craft was the coming redeemed end-time discipleship church whose captain is the Lord Jesus Christ who will lead them for this last day battle.

He said that the race was this end-time battle between truth and error He is training His army to fight. He said that Babylon has swallowed the church as the fish swallowed Jonah but the heat of His judgment will be a surprise to the whole world. The church at last will be clean, holy, and rapturable. He said that the color of the small aircraft, green represent life, while white represents holiness and purity. It means that the new discipleship church will be a living, healthy, fruitful and holy church which the Lord will be their captain of host. Because the church will follow Him the Lamb wherever He goes without deceit and fault. He said a lot of churches will close when judgment hits the church. Some Pastors, Reverends, Pope, Prophets, even members would be dropping dead during services.

He said He will do this to expose Babylon and her counterfeit religion. And also to put fear in people's life, as in the days of apostles, which will prepare His church for total separation and His second coming, according to Jeremiah 51 verse 6 to 7 where God is calling us for separation ***"Flee from the midst of Babylon and every one save his life, do not be cut off in her iniquity, for this is the time of the Lord's vengeance. He shall recompense her. 7 Babylon was a golden cup in Lord's hand that made all the earth drunk. The nations drank her wine, There the nations are deranged".*** He said that His church will be a discipleship church and it will be one name, one faith, one body, one love as it was in the beginning of early church. No more all this kind of names of churches and different doctrines everywhere. He took me to Zachariah 14 verse 9 ***"And the Lord shall be King over all the earth. In that day, it shall be "The Lord is one, and His name one"***.

It will be no more about your religion, your denomination, your religious leaders, your position in your church, temple, or mosque, how much money you donate, charity works, and sacrifice you make, how big your church, temple, mosque is, the class of people that worship in your church or you are dealing with, where your worship center is located, how many branches your church has, how fast your church or your members are growing. NO!!NO!!NO!! It

will be now about the true church of Jesus Christ, a body which Christ established and heads. The body of Christ, the discipleship church is not the building. It is not a market place or congregation. The church of Jesus is the people that worship God in spirit and truth, a transparent church without hidden sin.

He said that the winning aircraft is the sign of His victorious army which will win the battle at the end of the whole human race on earth. The Lord said that He is raising His armies, the discipleship church all over the world little by little. That I should encourage them because of the horrible pains and encounters they are passing through now. That I should let them know they are in the training field. He encouraged us that we should move forward, He is with us and His grace is sufficient for us. He said that whatever we are passing through now is to humble and equip us.

He said that He lives in us working in us to perfect and present us worthy soldiers to fight the last controversy between the truth and error before the end of all human race. God told me that He is giving His spiritual identity on our spiritual forehead now as the training is on. And the reason He is giving the identity is because His judgment is coming. He is giving this identity at mountain Zion, which means in His presence. Example, during your covenant time with Him He will expose the unwanted things in your life, so that you will drop them to escape His judgment and also partake in the last battle.

Revelation 14 verse 1 to 5 ***"Then I looked and behold a Lamb standing on mount Zion and with him one hundred and forty four thousand having his father's name written on their foreheads. And I heard a voice from heaven like the voice of many waters and like the voice of loud thunder and I heard the sound of harpists playing their harps. They sang as it were a new song before the throne before the four living creatures and the elders and no one could learn that song except the hundred and forty-four thousand who were redeemed from the earth. These are the ones who were not defiled with woman for they are virgins, These are the one who follow the Lamb wherever he goes. These were redeemed from among men being first fruits***

to God and to the Lamb, And in their mouth was found no deceit for they are without fault before the throne of God''

To receive this identity on your forehead, you must first give yourself into this spiritual school called Holy Ghost School. Let us see what is mount Zion. In Hebrews 12 verse 22 to 24 ***''But you have come to mount Zion and to the city of the living God the heavenly Jerusalem to an innumerable company of angels. To the general assembly and church of the firstborn who are registered in heaven to God the judge of all to the spirits of just men made perfect. To Jesus the mediator of the new covenant and to the blood of sprinkling that speaks better things than that of Abel''***

We have seen that mount Zion is God's city, His presence and dwelling place. When you begin this school, the Holy Spirit will begin to reveal any unwanted thing in your life, ministry, family, marriage, business etc and begin to clean you. It is here that the Holy Spirit will teach you the new song. Here human struggle and man's wisdom is gone. The new song is that as you come close, He will be revealing things He wants in your life and things He does not want. The new song of the Lord to His children is to be clean, pure obedient and transparent. There should be no deceit in us, that is the identity, the mark of God on our forehead.

Listen, you cannot get the identity except in mountain Zion. There are no two ways about this. It is either in the mountain or there shall be no mark for you. Pastors, pope, prophets, churches, ministries, mosques, temples, altars, shrines, religion cannot give you this mark. It is not given by human beings or received by human effort, rather it is given to you by the Holy Spirit through Jesus in the presence of God. People can preach about God to you but the Holy Spirit reveals Jesus to you as the Savior and convicts you of sin. Your Pastors, prophets, Pope or even your spiritualists do not know your sin, only God knows.

Stop moving from one pastor to another or from one church to another because even some of those leaders are confused. Run into the presence of God and allow God to screen you and show you who you are in His presence and how the Lord sees you. This

message is for all human beings because I believe that Jesus loves mankind and gave His blood for man. Therefore, irrespective of where you belong to, if you want to be saved, the only solution is to kneel down and tell Jesus to save you.

He will come in and reveal Himself to you and convict you of sins. Tell God to reveal to you the result of your religious life, the result of the services you render as a pastor, pope, reverend, bishop, evangelist, elder, spiritualist, prophet, worker, born again, ordinary Christian, pagan, Muslim, Hindu etc. Anything you can do to save your soul, do it.

Immediately you start this Holy Ghost School, the Lord's camera will be on revealing everything you need to know about yourself, church, mosque, temple even your pastor, family, and the whole world.

I had a revelation where I saw myself in a crusade ground, it was sunny. Many people had umbrellas they used to protect themselves from the sun. At a time the man of God who was preaching asked a question, "Why is it that a lot of people were going to hell fire? No one answered; I got up and said if people can judge themselves and live a transparent life, they will know even from this world if they will make heaven.

I also said that heaven is on earth, if you can judge yourself and pass through transparency, the glory will start from this world unto eternity. I said for example if a pastor fornicates with member and comes out in the midst of congregation and do the total transparency he will be judged right there. He will pass through brokenness, humility, shame. And because he judged himself, he will not be judged again. While I was still speaking one person asked the reasons why one would confess sins publicly?

I answered back, that it is the only way you can die to self, stop sin and be clean. When I was speaking, the man of God was shaking his head and saying, "This is the fact, the only truth we need". While I was still speaking, I woke up. The Lord took me to Zachariah 13 verse 8 and 9 ***''And it shall come to pass in all the land says the Lord that two-thirds in it shall be cut off and die but one-third shall be left in it. I will bring the one-third through***

the fire, will refine them as silver is refined and test them as gold is tested they will call on my name and I will answer them I will say, this is my people and each one will say the Lord is my God"

After studying this verse, I begin to see reason transparency is the hardest thing to do on earth but it is glorious. Indeed it is a fire. It is between life and death. God will use this transparency message to refine the world. The verse said that two-thirds shall be cut off and die, but one-third shall be left in it. But the glorious thing is that it is better to pass through the fire on earth while you are alive than to face hell fire where there will be no amendment and repentance. There shall be seal of God first among true believers before the mark of the beast. Rev 7 verse 1 to 3 ***"After these things I saw four angels standing at four corners of the earth, holding the four wings of the earth, that the winds should not blow on the earth on the sea, or on any tree 2 Then I saw another angel ascending from the east, having the seal of the living God. And he cried with a loud voice to the four angels to whom it was granted to harm the earth and the sea, 3 saying "Do not harm the earth, the sea, or the trees till we have sealed the servants of God on their foreheads"***

THE ACT OF RELIGIOUS CHURCHES

Religious churches deceive people and themselves by answering church members only by:

1. Paying tithes
2. Contributing in church donations
3. Putting their names in the church register
4. Showing-up every Sunday that they are members.

All these religious act are taking place so that when they die, the church members and pastor or priest will come and bury them or help in one way or the other, may be helping in buying casket or contribute some money for them. God said "all these acts are taking place without

knowing Me, without obeying My commandment, without being in good terms with Me, because man has chosen to be in good terms with fellow man than Me their maker". That is why when man dies, members and pastors will confirm him to be a saint by the level of commitment and devotion to the church instead of Me confirming them. Babylon has done evil with this sense of reasoning by people in the church.

This is pure abomination which Satan has used to cage millions on earth by the praise of pastors and priests which leads them straight to hell. When they come to the burial, the priests will confirm them faithful ones because of their giving, paying of tithe, punctuality in the church service, while the bible said that without knowing God, without holiness no eye shall see God.

The evil here is that people are mindful of who will bury them when they die, the befitting burial they would have, and the caliber of people and numerous attendance as people usually comment on one's burial, "O! the burial is great", mentioning how many pastors, Reverends, Bishops, prophets that attend the funeral, the type of coffin used for the corpse, personalities that attend, super entertainment. And the most disheartening aspect of it is the hiring of professional mourners paid to cry at funerals instead of using the money to help the poor and the needy, it is paid to the professional mourner. Satan has set people's eyes on the demise, things to prepare for their body back to dust instead of thinking about where they will spend their eternity.

I told one woman about discipleship, she said that she did not want to belong to any group that could not afford her the privilege of having a priest or a pastor to bury her. I have interviewed hundreds of people, majority said that they were tired of what is going on in their churches but they must belong to the church so that when they die, the church will

bury them. Some churches today are even writing down the names of those who paid their tithe in the church in case of anything happens, So if you are not paying your tithe, if anything happens to you or your relation, they will not partake on it. Meaning that they were giving in return what you gave if you did not give, no return for you. All this are the seed of Satan to destroy the foundation Jesus laid. Of all the people that Jesus helped, saved, healed, fed or delivered, how many of them came back to thank him, much more pay tithe to him? Even in the time of the apostles people were selling their stuff bringing it to apostles feet, most time no one even knew what each person brought among themselves, they received it, shared it among themselves according to their need.

God said “This last church I am raising is where I will testify of my true disciples, the saints on My own.” He said again “Anybody in this truth, the new move of holy ghost school that dies, I will confirm where the person enters whether in heaven or hell. Not man will do it, I do not move by sight, punctuality to services, donations, and sacrifices, but I judge the heart, and only be moved by a clean pure heart.”

God said “Uju, get ready to speak my truth in the churches. People are perishing all over the world, I am very serious in screening My people. Man can deceive man but cannot deceive Me for I know the thought of man.” The Lord said “I will never accept any religious act in this vision, carry it with carefulness.” He said “Uju do away with anything called religion, I hate religious people, I hate man's recognition.”

After the Lord spoke to me, I had an encounter, it happened that I met one bishop who owned a theology school in Canada, with the flyers showing some courses one can do to become a Christian chaplain in the ministry. I became interested to begin the program so I could have access to prisons, hospital, senior nursing care, families, homeless

shelters etc. I started praying if I should go because I would not do anything without inquire from the Lord. A night before to start, I had a revelation where I reached the place and it was full of religious old practices of Sabbath, I saw many pictures of people in black robe and a big cross hanging on their neck, I shouted “Is it Sabbath you guys are practicing here? Never! I will not partake on it.” I began to look for a way to escape. It became a battle: One lady was sent with a gun to assassinate me right inside the compound, I collected the gun from her and broke it into pieces and ran away, then I woke up and shouted “God of heaven!”

Practicing old Sabbath is practicing religion, Jesus came and separated us from religion and set up Christianity. The gun the lady wanted to use to assassinate me means that if I succeed to enroll myself into the religious act, the bullet from the gun is that the falsehood I will receive there will kill the truth in me. The dream is not talking of physical but spiritual assassination. Satan has fortified so many theology teachers with corrupt wisdom called counterfeit. They teach humans to work things on their self instead of giving Holy Spirit opportunity to reign as in the days of the apostles.

The Lord Jesus asked me how many theology and chaplaincy course did He do before His ministry began? Also how many did the apostles did before He used them to influence the world and turned it upside up? I said yes Lord that all their theology and chaplaincy is in your presence at Jerusalem. It was at this point the Lord teach me the corrupt wisdom of Satan against the church, to deceive them with worldly appointments, certificates, and recognitions which replace the appointment and power of the Holy Spirit.

The Lord asked again since Satan deceived man with such deceptive appointments and certificates, what has the church produced? Honestly, it was here I melted, began to ask

for His mercy on my life, I remembered that the bishop was exalting the chaplaincy certificate and barge in the sense that if you have it, it will be easy for you to enter anywhere, the Lord said ***“that the gift of a man make way for him”*** entering everywhere without making a difference, what is the meaning? He said it is only the power of the Holy Spirit that can make a change and difference in the society and all over the world. So if the church needs revival, let us drop man's corrupt wisdom of appointment, theology, and certificate. Repent, recognize the Holy Spirit, usher Him in again, then He will appear with His power like in the days of the apostles. I also remembered that one of the pastors was telling me to do the course because I can use it to get good job working for government and be making some dollars. These are what moved me to involve in the program so that I could be making dollars. The Lord said “do you see how you are corrupt, thinking of money and leaving the souls? I became ashamed.

CHAPTER THIRTEEN

WHERE WE ARE IN THE RELIGIOUS AND POLITICAL PROPHECY IN THIS END OF HUMAN RACE

We are already in the end-time. The two major religious groups Christian and Muslim are waiting for the great tribulation and appearance of the man of sin, the Anti-Christ. Islam believes that Ahmadinejad is a messenger sent by Allah to usher in their messiah Mahdi.

WHO IS MAHDI?

Islam believes that Mahdi is the messiah of Islam who will heal their economic collapse and save the poor, as Christians are waiting for Anti-Christ who will heal the world's economy. And if any one refuse his law, there will be a great tribulation. Ahmadinejad believes that Mahdi is the 12th Imam which Prophet Mohammed prophesied about his coming.

He also believes that his mission is to pave the way for the coming of the Islamic messiah. Ahmadinejad believes this is end-time that is why he is creating chaos to the whole world especially to destroy Israel and wipe them out from the map. Muslims are seriously praying for the return of the Mahdi so fast. Tens of thousands are sending prayer requests to Imam praying for the return of Mahdi in their Mosque.

All followers of Mahdi are preparing for the Judgment Day. Ahmadinejad believes that Allah has chosen him to usher in Islamic end-time and that Mahdi is the descendant of Mohammed in the 9th century. All their prayer now is for the Allah to hasten the return of Mahdi. Look at the prayer prayed in one of conference in New York I

quote” Almighty God, all men and women are your creatures and you have ordained their guidance and salvation, bestow upon humanity that thirsts for justice, the perfect human being promised to all by you, and make us among his followers and among those who strive for his return and his cause”.

Muhammed Hisshan Kabbasi chairman of the Islamic supreme council of America said “I quote ” We see that Mahdi will lead a world revolution that will institute a **“new world order”** Based on the religion of Islam, the Mahdi will offer the religion of Islam to the Jews and Christians if they accept it, they will be spared, otherwise they will be killed. And prophet Jesus will be the executioner under Mahdi and Islam will be victorious over all the religion” Ahmadinejad believed in nuclear pursuit and they believe that Islam is the biggest last religion and their growth on earth is spreading as sand of the sea. They believe to rule the whole world before the judgment day. Mahdi is coming with science, logic, culture. His coming will create “No More” war, enmity, conflict, hatred. He will call on everyone to enter into brotherly love. Meanwhile the religious crises on the earth are fast increasing. A group called ISIS recently rose demanding for an Islamic state. They are jihadists trying to establish Islamic state on borders of some Arab nations. Their expressed goal is to gain dominion over as many nations as possible and eventually impose Islamic or shariah law on all the people of the world. There is an on going mighty religious conflict which divided Muslim into two, the Sunni and Shai Muslims, Sunni are almost 87% while Shai's are 13%. The work of the Mahdi is to bring the relationship back between Sunni and Shai's Muslim together and also Christians, Jews and Muslims and his coming is not only for Muslims but also for everybody.

Fox TV news 2010 said that Islam is the world's fastest growing religion in the whole world. All this is carrying us into the world where Anti-Christ will rule.

NOW ON THE CHRISTIAN SIDE, WHO IS THE ANTI-CHRIST?

2nd Thessalonians 2 verse 1 to 12 *“Now brethren concerning the coming of our Lord Jesus Christ and our gathering together to*

him we ask you, 2 not to be soon shaken in mind or troubled, either by spirit or by word or by letter as if from us, as though the day of Christ had come. 3 Let no one deceive you by any means, for that day will not come unless the falling away comes first and the man of sin is revealed the son of perdition. 4 Who opposes and exalts himself above all that is called God or that is worshiped so that he sits as God in the temple of God showing himself that he is God. 5 Do you not remember that when I was still with you I told you these things. 6 And now you know what is restraining that he may be revealed in his own time. 7 For the mystery of lawlessness is already at work only he who now restrains will do so until he is taken out of the way. 8 And then the lawless one will be revealed, whom the Lord will consume with the breath of his mouth and destroy with the brightness of his coming. 9 The coming of the lawless one is according to the working of Satan with all power, signs, and lying wonders. 10 And with all unrighteous deception among those who perish, because they did not receive the love of the truth that they might be saved. 11 And for this reason God will send them strong delusion, that they should believe the lie. 12 That they all may be condemned who did not believe the truth but had pleasure in unrighteousness”

REVELATION 13 VERSE 1 TO 18 DESCRIBES AND TELLS US HIS FUNCTIONS

“Then I stood on the sand of the sea and I saw a beast rising up out of the sea, having seven heads and ten horns and on his horns ten crowns and on his heads a blasphemous name. 2 Now the beast which I saw was like leopard his feet were like the feet of a bear and his mouth like the mouth of a lion. The dragon gave him his power, his throne, and his great authority. 3 And I saw one of his heads as if it had been mortally wounded and his deadly wound was healed. And all the world marveled and followed the beast. 4 So they worshiped the dragon who gave authority to the beast and they worshiped the beast saying ” Who is like the beast? Who is able to make war with him? 5 And he

was given a mouth speaking great things and blasphemies and he was given authority to continue for forty- two months 6 Then he opened his mouth in blasphemy against God to blaspheme his name, his tabernacle, and those who dwell in heaven. 7 It was granted on him to make war with the saints and to overcome them. And authority was given him over every tribe, tongue, and nation. 8 All who dwell on the earth will worship him whose names have not been written in the book of life of the Lamb slain from the foundation of the world. 9 If anyone has an ear let him hear. 10 He who leads into captivity shall go into captivity he who kills with the sword must be killed with the sword. Here is the patience and the faith of the saints. 11 Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. 12 And he exercise all the authority of the first beast in his presence and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed 13 He performs great signs, so that he even makes fire come down from heaven on the earth in the sight of men. 14 And he deceived those who dwell on the earth by those signs which he was granted to do in the sight of the beast telling those who dwell on earth to make an image to the beast who was wounded by the sword and lived. 15 He was granted power to give breath to the image of the beast that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed. 16 He causes all, both small and great, rich and poor, free and slave to receive a mark on their right hand or on their foreheads. 17 And that no one may buy or sell except one who has the mark or the name of the beast or the number of his name. 18 Here is wisdom, let him who has understanding calculate the number of the beast for it is the number of a man, His number is 666”

Who is the Anti-Christ? What is he coming to do? Where is he coming from? How does he manifest? What is his work to mankind? All these questions and the answers were in this verse of bible. (1) Anti-Christ is the lawless one, the man of sin, the opposer who blasphemes God. Anti-Christ means a personal enemy of Christ; this means he has nothing to do with God Almighty. (2) He is

coming to bring peace on earth and to heal economic crises. This means he will come to deceive the true people of God by taking Jesus away from their mind with lies in the form of “let us be one”.

But we can't be one because Jesus makes the difference (3) He is coming from the earth, as a human being like me and you, not a monster but working for Satan in his power, his throne, and his authority. This means that he is a human but representing Satan on earth, a human in Satan's image (4) He will exercise all the authority of the beast with great signs to deceive those who dwell on earth, also he will make the world to make an image to the beast.

This means, the beast which is the false religion ,will get upper hands from Satan to deceive mankind even the elect to agree with their peace talks and uniting all false religions together in the form of one God'. Do not forget that the bible said when you hear them speaking about peace, the end is near. (5) His work to mankind is that he was granted power to give breath to the image of the beast and cause as many as would not worship the beast to be killed and also to cause all mankind big, small, great, and poor, slave, free to receive a mark of the beast.

Finally any one that refuses the mark should not buy or sell. This means if you disagree with their peace talk and their unity of the whole false religions to be one, here is the great tribulation on earth. Remember Mahdi is coming for peace also Anti-Christ for peace as well. The most two popular religions on earth are expecting the great tribulation from Anti-Christ and Mahdi.

The end is here. First of all, there must be worldwide announcement of the new world order that will guide the earth. What is new world order? It is the world government not only world government but also world government of Anti-Christ which we are entering into. It also means when man has form their own law and government against God's law. God is the judge of the earth and he will judge every man who is against His law. The new world order started in the Garden of Eden when man lost his glory and fell to Satan against God obeying the word of Satan than the commandment of God.

Also in Genesis 6 ,when man refused to obey God's word but

kept committing sin continually until God wiped out the world with flood and saved Noah and his family. In Genesis 11, During the tower of babel engineered by Satan through Nimrod until God scattered their language. The new world order from Nimrod in the tower of babel's purpose which is in four forms (A) To defile God's authority and make it have no effect

(b) To cast God down to the earth.

© To bring occultic and religious practice on earth, that is worshiping creatures instead of God Almighty the Creator(d) To introduce the prince of darkness on earth and dethrone God and enthrone Satan through man.

The New world order from the beginning is always a law from man or from a government against Almighty God.

But God divided them, confused their language and stopped them. From then, Satan has been introducing new world order through the group of occultic rich men and governments that control the earth's economy. Communist Russia brought their new world order and God stopped them. Hitler promised to unite Europe to give them new world order but God scattered it. Now the United Nations, wants to achieve one world government and control . They want to put the world in the condition that you cannot do without them, a situation you need them to survive. They are our own tower of babel in these last days.

Listen, there is going to be a new world order that will guide this earth soon but before that three things will happen. (1) There will be a destruction of monetary system to lead to one world currency. It means the destruction of world economy, at least we can see the world crying. The signs are already here. (2) There will be a destruction of oil. it means that oil price will collapse which will affect the oil countries. The signs are also here (3) Destruction of Christian faith through false religion. The signs are here.

All these will usher into one world government, one world economy, one currency and one world false religion. New world order was written at the back of the US dollar, NOVUS ORDO SECLORUM meaning= New for novus, order for ordo, world for seclorum. The new world order is the world government (united

nation) in which the Anti-Christ will rule.

Revelation 13 and Daniel 7 describes it. How did the United Nations come about? It was after the First World War when 8.2 million died, Second World War 52 million died. The United Nations came together to be united and their aim was to stop war. They cried and called the global government structure called United Nations which means to bring all nations together.

Let us go into the new world religion. We are facing a most difficult time since the creation of the world. Bible tells us that we are going to see the merging of religious system and political system coming together which everybody will be forced to agree on their laws or be killed. So this is the time for the real believers to buckle down. In Revelation 13 verse 3 to 4 is clear that there will be a global system of false religious worship where people will be forced against their belief which will affect only the true follower of Jesus-His disciples. We are heading for a stage where no one will openly say that Jesus is the only savior and way to eternity. This is called the great tribulation where the whole world religions have agreed and believed in one god. Their aim is to bring peace on earth by removing strife, a war, terror, and hunger. The religious leaders are now looking for means of dialogue, a fellowship, to get together, talk , reason, and bring unity on earth.

And it is working out for them especially as the world is asking for peace from terrorists. Arab nations have produced more than twenty Islamic terrorist groups that are terrorizing the whole world, Al-queda which was the parent of others, Isis, the sunni terrorist organization of Iraq, Hezbollah, the Lebanese terrorist organization since 1982, Boko Haram a group of terrorists from northen Nigeria,Talibans, militant, Al-shabaab, the Somalia militant group, Brotherhood from Egypt, China rebels fighting for Jihad, Al-nusra front, the syria's main rebel, Ansaral-sharia, a jihadist organization in Tunisia and Libya fighting for sharia law, Hamas, the islamics resistance movement since 1987 from Palestinianian against Israel and others. Terrorism is rapidly increasing against Islams, christains, Jews which was the three major religious organizations in the whole world. This is drawing the

entire world into seeking peace which the Muslim believes that the peace will come through Mahdi, while Christians believe it was through the Anti-christ. Millions had died; more are still dying every day through terrorist attack.

We are living in chaos. Why are things happening so quickly in the history of the world? People of the world are asking "WHAT IS HAPPENING? WHAT IS ABOUT TO HAPPEN? HOW IS IT GOING TO AFFECT MY LIFE AND FAMILY? More than 2000 Christians were slaughtered within the first two months in the year 2015.

BEGINNING OF GREAT TRIBULATION

21 Coptic Christians were beheaded February 2015, Christians were mourning but there was no help. Yazidis Christians in Iraq were sent out of their country because of their faith. Many are being slaughtered secretly, Jihadists are ready to wipe Christians and Jews out of this earth. If the rate of killing Christians world-wide continued, in the next 30 years the Islam population would top Christians.

Let us see the world religious survey 2010.

- (1) Christianity 31.5%
- (2) Muslim 23.2%
- (3) Unaffiliated 16.3%
- (4) Hindu 15.0%
- (5) Buddhist 7.1%
- (6) Folk religion 5.9%
- (7) Jews 0.2%
- (8) Other religion 0.8%

It is very obvious that Christianity is depopulating daily by the terrorists.

Christianity started from the Middle East, Islamism started from Middle East. The end of human race is here. In the Middle East Iran is seriously making their nuclear weapon. America has finally declared "we have no solution; we are having leadership crises". No solution to Russia crises, Isis, Hezbollah, Iran and others because

they have reduced their army in so many battles while Russia and China are increasing their armies. All these series of chaos are gearing up to global dictatorship, the anti-christ. In Rev. 13 the bible said "the whole world marveled and followed the beast"

Ebola in 2014-2015 swept across the world. The world we are now in, its level of crying is "where is the message of hope?" The answer = Prepare yourself and your family. The world we know is officially coming to an end. The whole world is entering into a new season in the history of the world. Prepare for the coming two telecasts.

- (1) The breaking news of the world dictator (Anti-Christ/last tribulation)
- (2) The breaking news of the rapture of the saints.

The king of kings is coming. The church of Jesus is about to leave this world. Already there is secret rapture going on now, the Lord is preparing His people and taking them. Very soon we shall hear the most important breaking news on earth history that the church of Jesus has been raptured from the earth. Newscasters world-wide will be televising different news like the funeral homes are testifying of resurrected dead ones from casket while their families are in shock, airplanes are falling from the sky because the pilot was raptured, restaurant testifying of disappearing of people eating, teachers testifying of school children missing, passengers disappearing from buses, drivers disappearing leaving their passengers on the road with the engine on, people in the street ringing to their relatives saying "Hello!!Hello!! But no response. All churches flooded with people crying for missing raptured. The breaking news will be shaking the world, people will be running to the homes of those who know Christ but already late, mothers missing, fathers missing, friends missing, cemeteries opens. Bible said watch and pray so that you can escape those things that will fall on earth. FINAL QUESTION, BRETHREN WHAT WILL YOU DO IF YOU HEAR BREAKING NEWS THAT JESUS HAS RAPTURED HIS CHURCH?

The world government system is operating in one globe with the Vatican. Vatican is the only religious organization that is a member of United Nations. So religious world power is in agreement

with world political powers. SHARIA LAW (MAHDI) OR NEW WORLD ORDER (ANTI-CHRIST) IS THE BONE OF CONTENTION TO RULE THE WORLD. The end is here.

My brethren, we are waiting for the announcement of the New World Order and the law which will usher us into the great tribulation which is the great battle between truth and error. The time of receiving of the mark of the beast. How many real Christians are ready for this great tribulation? Pastors, ministers, children of God, are you ready?

Pastors, ministers, how are you preparing your members? Have you given them adequate training and information about the Anti-Christ and how to overcome the mark of the beast? How are you preparing your church for the rapture? How are you preparing your home in heaven? Have you sent enough material to heaven to build your mansion in heaven? Remember we shall die and leave the worldly mansion, where will your soul spend eternity? Your body is sand that goes back to dust but your soul is the breath, the life God gave you, which is your soul. Are you busy with the material pursuits of this world? The time of grace is running out.

CHRISTIANS WHERE ARE YOU?

In the month of April 2013, I had a revelation where I came into the house of God and saw the Lord Jesus. He was not happy complaining about the workers in the church. I asked Him, "what is your grouse?". He said that His children are not doing any work, that they just lie down on their beds, raise their two legs up doing nothing.

I was surprised hearing this, so I was mentioning the names of ministers, I know who in my opinion are doing very well. But He told me they are doing nothing. I saw the pains on Him as we were discussing. He also said that He sends souls to His house, the church but we are not taking adequate care of them, which many have left. He finally said that even Him, if He has another place to go, He would have but no other place. Honestly I was crying and in pains when the Lord was speaking and I woke up. I called my brethren after sharing the revelation with them. Everybody was in pain

disappointed because we thought we were working.

My brethren our Lord Jesus is in pains, can you stop the pains for Him? The Lord said He sends souls into His house but we don't take adequate care of them and they left. Where are those souls going? They went for Islam, and other places because Islam takes good care of them. When you become a muslim, you eat together, they give you food, house, clothes and education free.

In fact, they trust themselves and by this, they capture the world but **Christians show no mercy or compassion**. Look at churches, pastors and priests are busy building mansions, buying private jets, buying costly houses and suits, eating the most expensive food, buying expensive cars while fellow Christians are dying in hunger, no shelter, no school, clothes, no appropriate care for them. Listen the money of one jet can help one million Christians to remain in faith. Listen judgment has come upon the church. Jesus said it, 'I was naked you did not cloth me, I was in prison you did not visit me'. **So His judgment is coming upon the church to expose all these hidden sins**. If Christians will invest love and share it among themselves, it will work out. If Christians can be one because a house that is divided cannot stand, demon cannot cast out demon. When Muslims eat, they bring food outside together both big, small, great, poor, rich, put hands together, and eat in one plate. But you can't see that in Christianity, only selecting a class of people to eat with or relate with. Remember the case of Lazarus and the rich man. Christians should humble themselves back to Jesus standard. When He was in the world with His disciples, Jesus asked His disciples, 'What do you have?'. When He fed five thousand with fish and bread, Jesus used the last food they had and fed the crowd because He had compassion, because they had followed Him for a while.

He could not send them away hungry, lest they fall on their way back home. I believe the crowd went back home joyfully, to return to Jesus again the next time. **Today many pastors are heartless, in the sense that they even collect the little money from the orphans, poor, and widows as tithe offerings and use it for their selfish desires**. While Christians are dying, losing their

faith every day because of lack of encouragement, and many of them turn their faith to Islam and Paganism where they will be appropriately taken good care of. Christians were to sponsor the gospel worldwide, but they are not. Moslems are spending billions of dollars just to convert Christians to Islam, and also produce sophisticated weapons and nuclear bombs to wipe out Christian and Jews and turn the world into Islamic world with sharia law. They are terrorizing every part of the world today. An Islamic man can sow ten million dollars to make bombs and missiles just to wipe out Jews and Christians, but you can never see a Christian who sows ten million dollars to propagate the gospel to win Islam nations for Christ Jesus.

Christians hurry up, take up the mantle our Lord Jesus Christ gave us now or it will be too late. Bring out your money, look for evangelical ministry, empower and mobilize them. Many of them are out there, ready to move but they are financial crippled. Please my brethren, help, help, help and help.

CHAPTER FOURTEEN

THE PURPOSE OF TRANSPARENCY

1) For God to sanctify and cleanse us so that we can offer him offering in righteousness according to Malachi 3 verse 1 to 6 ***“Behold I send my messenger and he will prepare the way before me. And the Lord, whom you seek will suddenly come to his temple, even the messenger of the covenant in whom you delight, Behold he is coming says the Lord of hosts. 2 But who can endure the day of his coming? And who can stand when he appears? For He is like a refiner’s fire and like launderers’ soap. He will sit as a refiner and a purifier of silver. He will purify the sons of Levi, and purge them as gold and silver, that they may offer to the Lord an offering in righteousness. 4 Then the offering of Judah and Jerusalem will be pleasant to the Lord, as in the days of old as in former years. 5 And I will come near you for judgment I will be a swift witness against sorcerers, against adulterers, against perjurers, against those who exploit wage earners and widows and orphans, and against those who turn away an alien because they do not fear Me says the Lord of hosts 6 For I am the Lord, I do not change therefore you are not consumed sons of Jacob”***

Psalm 139 verse 23 to 24, ***“David said search me, O God know my heart, try me and know my anxieties and see if there is any wicked way in me and lead me in the way everlasting”***.

David knew that there are secret sins inside us and he called on God to expose this sin of the heart. He prayed God to expose his thoughts, motives, this is transparency of heart . As he became transparent to God, God answered him.

It was after this transparency that David offered a righteous

offering unto God, and God called him a man after His heart. It was total transparency of David that promoted him before God. My dear brethren, can you invite God to probe your heart as David. Ezekiel 36 verse 22 to 30 ***“Therefore say to the house of Israel, thus says the Lord God, I do not do this for your sake, O house of Israel but for my holy name's sake which you have profaned among the nations wherever you went. 23 And I will sanctify my great name which has been profaned among the nations which you have profaned in their midst and the nations shall know that I am the Lord says the Lord God, when I am hallowed in you before their eyes. 24 For I will take you from among the nations, gather you out of all countries and bring you into your own land. 25 Then I will sprinkle clean water on you and you shall be clean. I will cleanse you from all your filthiness and from all your idols. 26 I will give you a new heart and put a new spirit within you. I will take the heart of stone out of your flesh and give you a heart of flesh. 27 I will put my spirit within you and cause you to walk in my statutes and you will keep my judgments and do them 28 Then you shall dwell in the land that I gave to your fathers you shall be my people and I will be your God 29 I will deliver you from all your uncleanness I will call for the grain and multiply it, and bring no famine upon you. 30 And I will multiply the fruit of your trees and the increase of your field so that you need never again bear the reproach of famine among the nations”***

(2) Healing our depraved families and lives of sins, because all have sinned before God. (Romans 3 verse 21 to 23)

“But now the righteousness of God apart from the law is revealed being witnessed by the law and the prophets. 22 even the righteousness of God through faith in Jesus Christ to all and on all who believed for there is no difference. 23 for all have sinned and fall short of the glory of God” (Except the Pope according to Catholic doctrine and teaching).

- (3) To obtain justification by faith and find peace with God. (Romans 5 verse 1 to 11)
- (4) To get us reconciled back to God because sin has separated us from God (Isaiah 59, psalm 24, Romans 8 verse 13 to 33)

- (5) To restore man back to the original creation of God as at first given to Adam in Garden of Eden and to have power, authority to occupy every position and dominion over other creatures of God (Genesis 1 verse 25 to 31, Genesis 2 verse 7 to 17)
- (6) To shame the devil of all the evils and wickedness he used us to commit and to deliver us from all manner of defilement. (Romans 2 verse 16 ***“in the day when God will judge the secrets of men by Jesus Christ, according to my gospel”*** and also mark 7 verse 15 to 23, Matthew 15 verse 10 to 20, Galatians 5 verse 19 to 23).
- (7) To make us to be fruit bearing unto God. (John 15 verse 1 verse 15, Genesis 1 verse 28), ***“Then God blessed them and God said to them, Be fruitful and multiply, fill the earth and subdue it have dominion over the fish of the sea, over the birds of the air and over every living things that moves on the earth”*** (Matthew 10 verse 3 to 10. Mark 11 verse 12 to 14)
- (8) So that we can become true ambassadors of Christ on earth and also make disciples of all men for Christ, and eat the fruit of the land. (Matthew 28 verse 18 to 20, Joel 2 verse 25 to 29), ***“So I will restore to you the years that the locust has eaten the crawling locust, the consuming locust, and the chewing locust, my great army which I sent among you. 26 You shall eat in plenty and be satisfied and praise the name of the Lord your God who has dealt wondrously with you and my people shall never be put to shame. 27 Then you shall know that I am in the midst of Israel I am the Lord your God and there is no other, My people shall never be put to shame 28 And it shall come to pass afterward that I will pour out My spirit on all flesh your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions 29 And also on my men servant and on my maidservants I will pour out my spirit in those days”*** Luke 5 verse 1 to 11, Acts 1 verse 5 to 8,

- (9) So that we can shine as light in this perverse generation, (Matthew 5 verse 13 to 16, John 8 verse 12, 2 verse 35 to 36, John 3 verse 19 to 21) ***“And this is the condemnation that the light has come into the world and men loved darkness rather than light because their deeds were evil 20 For everyone practicing evil hates the light and does not come to the light lest his deeds should be exposed 21 But he who does the truth comes to the light, that his deeds may be clearly seen that they have been done in God”***, (Philippians 2 verse 15).
- (10) So that we can carry God's glory and manifest the power of the age to come. (Mark 16 verse 15 to 18), ***“And he said to them Go into the world and preach the gospel to every creature. 16 He who believes and is baptized will be saved but he who does not believe will be condemned 17 And these signs will follow those who believe in my name they will cast out demons, they will speak with new tongues. 18 they will take up serpents, and if they drink anything deadly, it will by no means hurt them, they will lay hands on the sick and they will recover”***(Luke 24 verse 44 to 49)
- (11) To prepare us for eternity through His redemption (Romans 2 verse 1 to 26 John 6 verse 48 to 59).
- (12) To receive healing and deliverance from all entanglement of sin and Satan.(James 5 verse 13 to 16), ***“Is anyone among you suffering? Let him pray, is anyone cheerful? Let him sing psalms 14 Is anyone among you sick? Let him call for the elders of the church, and let them pray over him anointing him with oil in the name of the Lord 15 And the prayer of the faith will save the sick and the Lord will raise him up and if he has committed sins, he will be forgiven 16 Confess your trespasses to one another and pray for one another that you may be healed. The effective fervent prayer of a righteous man avails much”***(Exodus 15 verse 20 to 23, psalm 25 verse 27, psalm 103 verse 3 to 6, Joel 2 verse 32, Deuteronomy 28 verse 1 to

- 28).
- (13) To escape the judgment that is coming to the world.(1cor 11 verse 31 to 32, Acts 10 verse 42 to 43). ***“And he commanded us to preach to the people and to testify that it is He who was ordained by God to be judge of the living and the dead 43 To him all the prophets witness that through his name, whoever believe in him will receive remission of sins”***
- (14) So that we would be able to stand before the Lord in glory in the day of His appearance and be rapturable(2chronicle 29 verse 3 to 11) ***“In the first year of his reign in the first month he opened the doors of the house of the Lord and repaired them 4 Then he brought in the priests and the Levites and gathered them in the east square 5 And said to them, Hear me Levites now sanctify yourselves, sanctify the house of the Lord God of your fathers and carry out rubbish from the holy place 6 For our fathers have trespassed and done evil in the eyes of the Lord our God they have forsaken him have turned their faces away from the dwelling place of the Lord and turned their backs on him. 7 They have also shut up the doors of the vestibule, put out the lamps and have not burned incense or offered burnt offering in the holy place to the God of Israel 8 Therefore the wrath of the Lord fell upon Judah and Jerusalem and he has given them up to trouble to desolation and to jeering as you see with your eyes 9 for indeed because of this our fathers have fallen by the sword and our sons and our daughters and our wives are in captivity 10 Now it is in my heart to make a covenant with the Lord God of Israel that His fierce wrath may turn away from us”***
- (15) To expose the trinity of Satan the dragon, Satan the beast, and Satan the false prophet(2 Thessolonians 2 verse 3 to 7, Revelation 13 verse 1 to end).
- (16) To reconcile man back to man and have peace on earth(Job 42 verse 7 to 10) ***“And so it was after the Lord had spoken***

these words to Job that the Lord said to Eliphaz the Temanite, my wrath is aroused against you and your two friends, for you have not spoken of Me what is right as My servant Job has. 8 Now therefore take for yourselves seven bulls and seven rams, go to my servant Job and offer up for yourselves a burnt offering and my servant Job shall pray for you. For I will accept him lest I deal with you according to your folly because, you have not spoken of Me what is right as My servant Job has. 9 So Eliphaz the Temanite and Bildad the Shuhite and Zophar the Naamathite went and did as the Lord commanded them for the Lord has accepted Job. 10 And the Lord restored Job's losses when he prayed for his friends indeed the Lord gave Job twice as much as he had before. 11 Then all his brothers, all his sisters, and all those who had been his acquaintances before came to him and ate food with him in his house and they consoled him and comforted him for all the adversity that the Lord had brought upon him. Each one gave him a piece of silver and each a ring of gold”.

CHAPTER FIFTEEN

WHAT TO EXPECT WHEN LIVING A TRANSPARENT LIFE.

Let us see what the apostles said about the consequence of a true follower of Christ. (PHILIPPIANS 1 VERSE 29 TO 30, ALSO CHAPTER 2 VERSE 1 TO 8). The Apostle said that persecution is inevitable. For to you it has been granted on behalf of Christ not only to believe in Him but also to suffer for His sake. 30 Having the same conflict which you saw in Me and now hear Me. 1 Therefore if there is any consolation in Christ, if any comfort of love, if any fellowship of the spirit, if any affection and mercy, 2 fulfil my joy by being like minded having the same love, being of one accord of one mind. 3 let nothing be done through selfish ambition or conceit, but in lowliness of mind let each esteem others better than himself. 4 Let each of you look out not only for his own interests, but also for the interest of others. 5 Let this mind be in you which was also in Christ Jesus. 6 Who being in the form of God did not consider it robbery to be equal with God 7 but made Himself of no reputation taking the form of a bond servant and the coming in the likeness of men. 8 And being found in appearance as a man. He humbled Himself and became obedient to the point of death even the death of the cross”

Also in first peter chapter 2 vs 21 the bible said:

“For to this you were called because Christ also suffered for us leaving us an example that you should follow His step.

John 15 verse 18 to 24 also said " If the world hates you, you know that it hated Me before it hates you. 19 If you were of the world, the world would love its own, yet because you are not of the world therefore the world hates you. 20 Remember the word that I said to you a servant is not greater than his master if they persecuted Me, they will also persecute you. If they kept My word they will keep yours also 21 But all these things they will do to you

for My name's sake, because they do not know Him who sent Me. ²² If I had not come and spoken to them they would have no sin, but now they have no excuse for their sin. ²³ He who hates Me hates My father also."

WHEN YOU ENROLL YOURSELF INTO A TRANSPARENT LIFE, HERE ARE THINGS YOU WILL FACE.

- (1) They will deliver you up to council and flog you in their synagogues.
- (2) You will be dragged before governors and kings for My sake.
- (3) When they deliver you up, do not be anxious how you are to speak. It must come but the problem is when and how.
- (4) Brother will deliver up brother to death.
- (5) Children will rise against parents and have them put to death.
- (6) You will be hated by all for My name's sake.
- (7) When they persecute you in one town, flee to the next and not to run away, because they persecuted Me Jesus and I fled to another place also with My disciples.
- (8) I have not come to bring peace on earth, I have come to bring sword.
- (9) I have come to set a man against his father
- (10) They will deliver you up to tribulation and put you to death
- (11) Many will fall away and betray one another and hate one another.
- (12) If you were of the world, the world love its own but because you are not of the world but I chose you out of the world, therefore the world will hate you
- (13) If they persecuted Me, they will persecute you, if they kept my word, they will keep yours also. So as we have already seen how they persecuted the Lord so they will persecute us the disciples too.

(16) Because persecution is a must, anyone who decides to follow the Lord Jesus with a transparent life must not complain about it when it comes. This is because the day we receive the Lord Jesus openly before men as our Lord and personal Savior, we have chosen to be persecuted.

Satan saw all the events that happened which means you have left him. This means the battle has started. It is also very important that we tell those who are coming to the Lord Jesus not only about peace and joy that they will receive in Christ Jesus but also tribulation, suffering, and pains. This will enable them know and make a final decision, whom to follow because Jesus is not happy when people follow Him without the knowledge of the cost. That is the reason many fall in the day of persecution.

In conclusion, the Bible said he who has an ear let him hear what the Spirit says to the churches. The economy of the whole nations is falling apart, there are shaking politically, global financial crises, the rich nations of the world are crying, the wise men of this world are in trouble seeking solution. If they find the solution to one problem, another problem appears. The hunger in the world is increasing, food prices are rising. God is calling every nation, city, villages, country, and state. God is calling governments, leaders, young women and men of God for a change. It is time to call on the name of Jesus. For church leaders, there are a lot of responsibilities. It does not end in jumping here and there, but God is calling the church for total reconciliation.

We need to open ourselves to those souls God kept in our care. Let us teach our congregations the real foundation of the church. Let us discipline the nation and influence the nations as Jesus commanded us. Let the weak say 'I am strong'. Let us love ourselves. It is time to equip and train your congregations, for the harvest is ripe. Jesus said sharpen your sickle and make it sharp for the earth is ripe.

There are millions of people of God willing to be awakened

revival generation, separating armies who will fight this last battle. My greatest joy is to meet you at the glorious feet of our loving Jesus at the end of this race in heaven. Heaven is a joyful place one must not miss.

I love you so much, I did not write to condemn you but I wrote as the Lord Jesus revealed to me. This is a message of hope

May His grace be sufficient for you as you read this book to carry you into living a transparent life all the days of your life in Jesus' name, I pray. Amen. If you have not received Jesus as your personal Lord and Savior please do it right away. Begin to confess your sins, and ask Jesus to forgive you, clean you with His blood , cancel your name in the book of death and write your name in the book of life. He will receive you back as a lost child, He is so merciful. I love you but Jesus loves you most.

Note
